The Critical Life of Toni Morrison Susan Neal Mayberry, 2021 The first book to trace the critical reception of the great African American woman writer attending not only to her fiction but to her nonfiction and critical writings

Toni Morrison and the Queer Pleasure of Ghosts Juda Bennett, 2014-11-13 Toni Morrison and the Queer Pleasure of Ghosts radically intervenes in one of the most established and sacred topics in Toni Morrison scholarship love Moving beyond Morrison's representation of ghosts as the forgotten or occluded past Juda Bennett uncovers how Morrison imagines the spectral sphere as always already queer a provocation and challenge to heteronormativity with the ghost appearing as an active participant in disruptions of compulsory heterosexuality as a figure embodying closet desires or as a disembodied emanation that counterpoints homophobia From The Bluest Eye to Home Morrison's novels have included

many queer ghosts that challenge our most cherished conceptions of love and speak to cultural anxieties about black sexualities gay marriage AIDS lesbian visibility and transgender identities Not surprisingly the scene stealing ghost Beloved appears at the very heart of this book but Bennett cautions against interpretative stasis inviting readers to break free of the stranglehold Beloved has had on imaginations so as not to miss the full force of Morrison's lifelong project to queer love
