The Deep Nick Cutter, 2024-12-10 A strange plague called the Gets is decimating humanity on a global scale It causes people to forget small things at first like where they left their keys then the not so small things like how to drive or the letters of the alphabet Then their bodies forget how to function involuntarily and there is no cure But now far below the surface of the Pacific Ocean deep in the Marianas Trench an heretofore unknown substance hailed as ambrosia has been discovered a universal healer from initial reports It may just be the key to a universal cure In order to study this phenomenon a special research lab the Trieste has been built eight miles under the sea's surface But now the station is incommunicado and it's up to a brave few to descend through the lightless fathoms in hopes of unraveling the mysteries lurking at those crushing depths *Gleanings in Bee Culture*, 1898

Outlaw Tales of the Old West: Fifty True Stories of Desperados, Crooks, Criminals, and Bandits Erin H. Turner, 2016-06-03 This collection of fifty outlaw tales includes well knowns such as Butch Cassidy and the Sundance Kid Frank and Jesse James Belle Starr and her dad and Pancho Villa along with a fair smattering of women organized crime bosses smugglers and of course the usual suspects highwaymen bank and train robbers cattle rustlers snake oil salesmen and horse thieves Men like Henry Brown and Burt Alvord worked on both sides of the law either at different times of their lives or simultaneously Clever shyster Soapy Smith and murderer Martin Couk survived by their wits while the outlaw careers of the dimwitted DeAutremont brothers and bigmouthed Diamondfield Jack were severely limited by their intellect or lack thereof Nearly everyone in these pages was motivated by greed revenge or a lethal mixture of the two The most bloodthirsty of the bunch such as the heartless and some might argue soulless Annie Cook and trigger happy Augustine Chac n surely had evil written into their very DNA *Poems by the Red Neck Poet* Brion L.

Morse, 2014-10-29 As stated in Brions introduction these poems were written and intended as a testimonial of one mans life for his children and grandchildren The poems grew into something bigger seeing the importance for as Gods words states in II Timothy 3 16 17 all scripture is given by inspiration of God and is profitable for doctrine for re proof for correction for instruction in righteousness that the man of God may be perfect thoroughly furnished unto all good works Brion thanks his God for the inspiration he has given him on several of these poems He thanks his daughters as workers and inspiration also It has never been his intention to hurt anyone with his writings If so get over it and change your life as well The last poem of this book is Brions letter to any addict struggling to overcome a hard addictive behavior Get and seek the help you need Believe in the true God and please dont victimize your family Brion hopes these readings have been enjoyable and inspirational but most of all this is and was his testimonial throughout time for his children and grandchildren of who their father and grandfather was *Imposing Order without Law* Michael J. Makley, 2022-12-06 In the 1850s early Euro American settlers established two remote outposts on the slopes of the eastern Sierra Nevada both important way stations on the central emigrant trail The Carson Valley settlement was located on the western edge of the Utah Territory while the Honey

Lake Valley hamlet 120 miles north fell within California's boundaries but was separated from the rest of the state by the formidable mountain range. Although these were some of the first white communities established in the region, both areas had long been inhabited by Indigenous Americans. Carson Valley had been part of Washoe Indian territory and Honey Lake Valley was a section of Northern Paiute land. Michael Makley explores the complexities of this turbulent era when the pioneers' actions set the stage for both valleys to become part of national incorporation. With deft writing and meticulously researched portrayals of the individuals involved, including the Washoe and Northern Paiute peoples, *Imposing Order Without Law* focuses on the haphazard evolution of frontier justice in these remote outposts. White settlers often brought with them their own ideas of civil order. Makley's work contextualizes the extralegal acts undertaken by the settlers to enforce edicts in their attempt to establish American communities. Makley's book reveals the use and impact of group violence both within the settlements and within the Indigenous peoples' world where it transformed their lives.

Coast Calendar Robert Coffin, 2003-01-01 *Coast Calendar* says its Pulitzer Prize-winning author is the story of the work and play, the human nature and the weather, the fauna and flora, the ups and downs in a sample all-around Maine family that mixes farming of the sea with farming of the land. It is Robert P. Tristram Coffin's delightful chronicle of a year on the Maine coast. It is the world of coastal Maine, but it is a wider world too. Perhaps the deep frost and special swing of the stars and the sweep of the sea belong to Maine, but the fine day-to-day detail of living in tune with the seasons and nature will stir memories for many of a way of life that is rapidly passing. Robert P. Tristram Coffin was a descendant of the original English settlers of Maine and an acclaimed historian of his time. He was also a poet and essayist and was awarded the Pulitzer Prize for poetry in 1935. He attended Bowdoin College in Maine and later taught there while writing many of his thirty-seven books.

Their courtship results in Helen's pregnancy. Michael is subjected to crude teasing which he perceives as disrespect from the community. Convinced of his own intellectual superiority, he blames Helen and the baby Kaydee for this.

loss of respect As the novelty of his material acquisition wears off and his discontent grows he subjects both Helen and Kaydee to unrelenting verbal and emotional abuse He exploits Helen s submissive nature and harnesses her to a life of hard labour resulting in two miscarriages This costs him further scorn from his neighbours until his ego can take the ridicule no more His irrational fury triggers a tragic accident and as he recuperates in a distant hospital he plots revenge on a family that he feels caused his distress and then betrayed him This poignant story relates perspectives from three generations about abuse at the hands of this cruel man
