The Higher Comedic State Traveling in the Mud Vol 1 Immanuel Jones, Akita Melianya Scott, 2012-12-05 The Higher Comedic State traveling in the Mud Volume 1 means if you cannot read and do not have patience under cultural circumstances you may fail in understanding its certificates because its effect may run you crazy which compels us teaching education reform in a cipher system of stand up comedy theory through repetition by helping you get in where you fit in like a hobo catching a freight train We say repetition is the corner stone of mastery and you may have to go through Volumes 2 3 4 5 6 before this Volume 1 has any significance to your studies then you will keep turning back Students may jump from Volume to Volume and may become jumbled and may not ever get it if they do not buy the other books this one is especially effective on mobile devices Complains about grammar those people will never get it because I up grade grammar every three months It warrants how words placed wrong may miss the point understandable I Ching and Astrology upgraded every three months also People writings are gossip an old friend told me on the bus the other day Correction Motif creates Modalities then there is the divine People do not worry about grammar but discover something different all the time in stand up comedy a subjective science on memories as Attentions connect into your subconscious mind Discover how it works and with this life becomes wonderful as time is your friend when you really settle down and study since you are a thief anyway looking for how Stand up comedy works it is a cipher that is a secret messaging system In this Volume we leave the Line rules and other theories behind they have run their course Again this repetition on Material is understandable for we are using it as a teaching method In addition we are using Yoga as a working tool for Comics as a work tool because a line does not delivered
