Crime Fiction and National Identities in the Global Age Julie H. Kim,2020-05-05 To read a crime novel today largely simulates the exercise of reading newspapers or watching the news The speed and frequency with which today s bestselling works of crime fiction are produced allow them to mirror and dissect nearly contemporaneous socio political events and conflicts This collection examines this phenomenon and offers original critical essays on how national identity appears in international crime fiction in the age of populism and globalization These essays address topics such as the array of competing nationalisms in Europe Indian secularism versus Hindu communalism the populist rhetoric tinged with misogyny or homophobia in the United States racial religious or ethnic others who are sidelined in political appeals to dominant native voices and the increasing economic chasm between a rich and poor More broadly these essays inquire into themes such as how national identity and various conceptions of masculinity are woven together how dominant native cultures interact with migrant and colonized cultures to explore insider outsider paradigms and identity politics and how generic and cultural boundaries are repeatedly crossed in postcolonial detective fiction

Her Unexpected Admirer Elizabeth Lennox,2014-11-05 Davis hated art he thought the art world was pretentious and superficial Until that night in the gallery art was only an investment to him something that he could buy now and sell later for a profit So he was completely unprepared for the emotional punch he experienced when he looked at the paintings on the walls at this gallery Within five minutes of walking in he d bought the entire collection of the anonymous artist Kate couldn t believe she let her friend talk her into showing her paintings She d always considered her art work to be private simply an outlet for her own emotions If her father ever found out that she painted he would be disgusted with her When she meets Davis Alfieri those emotions take a dangerous terrifying turn releasing the pent up passion she d been pretending wasn t inside of her
