Leonard,Carmen R. Lugo-Lugo,2015-03-17 Latinos are the fastest growing population in America today This two volume encyclopedia traces the history of Latinos in the United States from colonial times to the present focusing on their impact on the nation in its historical development and current culture Latino History and Culture covers the myriad ethnic groups that make up the Latino population It explores issues such as labor legal and illegal immigration traditional and immigrant culture health education political activism art literature and family as well as historical events and developments A Z entries cover eras individuals organizations and institutions critical events in U S history and the impact of the Latino population communities and ethnic groups and key cities and regions Each entry includes cross references and bibliographic citations and a comprehensive index and illustrations augment the text Houghton Mifflin Soar to Success ,2001 Traces the life of a popular Hispanic American singer from her childhood in Cuba through her performances with the Miami Sound Machine to her current acclaim The Embodiment of Disobedience Andrea Elizabeth Shaw,2006-07-27 Despite the West s privileging of slenderness as an aesthetic ideal the African Diaspora has historically displayed a resistance to the Western European and North American indulgence in fat anxiety The Embodiment of Disobedience explores the ways in which the African Diaspora has rejected the West s efforts to impose imperatives of slenderness and mass market fat anxiety Author Andrea Shaw explores the origins and contradictions of this phenomenon especially the cultural deviations in beauty criteria and the related social and cultural practices Unique in its examination of how both fatness and blackness interact on literary cultural planes this book also offers a diasporic scope that develops previously unexamined connections among female representations throughout the African Diaspora **Crossover Picturebooks** Sandra L. Beckett,2013-06-17 This book situates the picturebook genre within the widespread international phenomenon of crossover literature examining an international corpus of picturebooks including artists books wordless picturebooks and celebrity picturebooks that appeal to readers of all ages Focusing on contemporary picturebooks Sandra Beckett shows that the picturebook has traditionally been seen as a children s genre but in the eyes of many authors illustrators and publishers it is a narrative form that can address any and all age groups Innovative graphics and formats as well as the creative often complex dialogue between text and image provide multiple levels of meaning and invite readers of all ages to consider texts that are primarily marketed as children s books The interplay of text and image that distinguishes the picturebook from other forms of fiction and makes it a unique art form also makes it the ultimate crossover genre Crossover picturebooks are often very complex texts that are

challenging for adults as well as children Many are characterized by difficult adult themes genre blending metafictional discourse intertextuality sophisticated graphics and complex text image interplay Exciting experiments with new formats and techniques as well as novel interactions with new media and technologies have made the picturebook one of the most vibrant and innovative contemporary literary genres one that seems to know no boundaries Crossover Picturebooks is a valuable addition to the study of a genre that is gaining increasing recognition and appreciation and contributes significantly to the field of children's literature as a whole Grassroots Fawcett,Susan Fawcett,Alvin Sandberg,2001-07-13 For full description see catalog entry for Fawcett Sandberg Grassroots with Readings *Grassroots, with Readings* Susan Fawcett,Alvin Sandberg,1998 The book combines in one book the sixth edition of the authors basic writing text Grassroots and 19 high interest reading selections The book is designed for students who have not yet mastered the basic writing skills so necessary for success in college and in many careers Each selection is accompanied by a headnote vocabulary glosses comprehension questions and writing assignments The range of materials and flexible format of the book makes this worktext adaptable to almost any teaching learning situation classroom laboratory and self teaching Pref The Guinness Encyclopedia of Popular Music: Tillotson, Johnny to Z.Z.
