portal

Plan:

Demographic and cultural characteristics of a place are endogenous factors and are influenced by exogenous factors- a place's relationship with another place. Detroit is a city that has experienced deindustrialization in the last century, whilst Southend-on-sea is a newly appointed city that has experienced a decline in tourism over the last few decades.

In the case of Detroit, it can clearly be argued that the demographic character of Detroit has been influenced by shifting flows of people- particularly through the great migration. The great migration refers to the phenomenon of 6 million African American people migrating from the Jim Crow south to the industrial north between 1910s -1970s. This has inevitably changed the demographic of Detroit- as evidenced by the fact that in 2018 70% of the population were African American. However it can be argued that the main reason for that demographic makeup is due to years of Oppressive legislations towards black people that have given them a very low social mobility in America and lowered their chances of escaping the deindustrialising and crumbling city. This is best demonstrated when looking at the suburbs- where a large number of white people through 'white flight' had settled. White flight refers to the outward migration of 1.25 million people white people from the inner city of Detroit to the suburbs between the years 1960s to 2022. When looking at The quality of service provision and publicly funded services such as education there is a clear disparity between the white suburbs and the black inner suburbs. Through the lack of funding and opportunities provided by oppressive legislations the inner city of Detroit and its residence of whom are mainly black they have not been able to relocate due to not having the means to whether it is economic or educational and it stems from oppressive racist legislation and disparities in funding. This means that the majority of Detroit is black and continues to be so. Additionally it is clear to see that changing flows of money through TNC action has had a
