Approaching Hoofbeats Billy Graham, 1983 In John's vision of the Apocalypse we find the warning the hope and the direction we all need **Billy Graham** Andrew S. Finstuen, Anne Blue Wills, Grant Wacker, 2017 Billy Graham American Pilgrim offers groundbreaking accounts of Billy Graham's shaping of religion politics and culture throughout the second half of the twentieth century His singular career provides a many paned window for viewing the history and character of our times **The End** Mark Hitchcock, 2012-07-06 A Comprehensive Guide to Bible Prophecy and the End of Days The end times have seen a great amount of interest within the last two decades but there hasn't been a comprehensive overview of biblical prophecy and eschatology for more than five decades Mark Hitchcock's book is a thorough resource for the twenty first century The End will do for eschatology what Randy Alcorn's Heaven did for people's understanding of heaven It will provide a solid biblical foundation for Christians to explore the essential truths around this topic the end of the world In a clear and understandable way The End lays out How to interpret Bible prophecy The key prophecy passages in Scripture What you need to know about the Tribulation the Antichrist and signs of the last days The strengths and weaknesses of the different views on the Rapture the Millennium and the chronology of the end times events The book of Revelation doesn't need to feel daunting The End will give you confidence in and hope for the future as it points you toward the second coming of Christ Encouragement from the Psalms Dr. B, 2023-03-03 As James Brandon read and studied the Psalms over the years he came to realize that the Lord was talking to our souls through these ancient songs He was also struck by a book written in the 1800s by a man named Hawker who after reading one of the Psalms would exclaim Oh my soul what is this that thou hast found in the Holy Writ He would talk to his soul after reading the text The author began to read the Psalms and reflect on what each one said to his soul He has done that for fifty years In this book he focuses on Psalms forty two to seventy two the Exodus Book of the Psalms which encompasses restoration and redemption from bondage They are songs that teach salvation the doctrines of the faith and how to take care of your soul The Psalms are a wonderland of devotion They have enlightened the author's mind and encouraged his spirit They can do the same for you all while providing principles for living this life as you help others walk with the Lord *Jewish Fundamentalism in Comparative Perspective* Laurence J. Silberstein, 1993-02 In recent decades religious fundamentalism has played an increasingly significant role in Western and Middle Eastern politics and culture In this volume an international group of scholars from fields such as religious studies sociology political science history and anthropology explore diverse dimensions of religious fundamentalism and relate it to a range of cultural and political issues Although the focus is on fundamentalism in its Jewish guise the methodological and comparative emphases make it valuable to specialists in a variety of fields Among the issues examined are the characteristics that link fundamentalist movements within various religious traditions the study of fundamentalist motifs as they appear specifically in Judaism Christianity and Islam and whether or not this is a useful approach the

relationship between religion and modernity the impact of fundamentalism on the Arab Israeli conflict and the interaction of modern Jewish fundamentalist movements with traditional Judaism The book also provides important insights into the emergence of religious fundamentalism as a powerful social and political force in Jewish life particularly in Israel Contributing to the volume are Gerald Cromer Bar Ilan Univ Menachem Friedman Bar Ilan Univ Susan Harding Univ of California Santa Cruz James Davison Hunter Univ of Virginia Aaron Kirschenbaum Tel Aviv University Hava Larazus Yafeh Hebrew Univ of Jerusalem Ian Lustick Univ of Pennsylvania Alan Mittleman Muhlenberg College James Piscatori Univ College of Wales Elie Rekhess Tel Aviv Univ Laurence J Silberstein Lehigh Univ and Ehud Sprinzak Hebrew Univ of Jerusalem

Catching a Christmas Cowboy Leah Vale,2024-11-04 Reluctantly retiring from Special Forces following an injury Noah Halliday returns to Texas seeking solitude through the holidays at his brother s unoccupied ranch Arriving late he intends to crash in the first bedroom he finds only to be chased out by a beautiful blonde brandishing a boot New Plan The ranch has been leased to a group of women determined to challenge the traditions and beliefs of the male dominated rodeo rough stock contractor world There s nowhere to hide Never one to be idle Noah pitches in and his Christmas spirit is rekindled by the feisty cowgirl Emma Barrett had been a timid child until she d been lifted onto the back of a bronc and she finally discovered her skill and power She excelled at the sport and is determined to solidify her place at Grit and Grace by training the new bronc she and her partners have heavily invested in The last thing she needs is a horse whispering sexy ex soldier offering to work by her side this Christmas as she and her partners launch their enterprise **Selected Works of Gertrude Franklin Horn Atherton** Gertrude Franklin Horn Atherton,2020-09-28 Countess Gisela Niebuhr sat in the long dusk of Munich staring over at the beautiful park that in happier days had been famous in the world as the Englischer Garten and deliberately recalled on what might be the last night of her life the successive causes that had led to her profound dissatisfaction with her country as a woman She was so thoroughly disgusted with it as a German that personal grievances were far from necessary to fortify her for the momentous role she was to play with the dawn but in this rare hour of leisure it amused her naturally introspective mind to rehearse certain episodes whose sum had made her what she was When she was fourteen and her sisters Lili and Elsa sixteen and eighteen they had met in the attic of their home in Berlin one afternoon when their father was automatically at his club and their mother taking her prescribed hour of rest and solemnly pledged one another never to marry The causes of this vital conclave were both cumulative and immediate Their father the Herr Graf a

fine looking junker of sixty odd with a roving eye and a martial air despite a corpulence which annoyed him excessively had transferred his lost authority over his regiment to his household The boys were in their own regiments and rid of parental discipline but the countess and the girls received the full benefit of his military and Prussian relish for despotism In his essence a kind man and fond of his women he balked their every individual wish and allowed them practically no liberty They never left the house unattended like the American girls and those fortunate beings of the student class Lili had a charming voice and was consumed with ambition to be an operatic star She had summoned her courage upon one memorable occasion and broached the subject to her father All the terrified family had expected his instant dissolution from apoplexy and in spite of his petty tyrannies they loved him The best instructor in Berlin continued to give her lessons as nothing gave the Graf more pleasure of an evening than her warblings The household quite apart from the Frau Gräfin's admirable management ran with military precision and no one dared to be the fraction of a minute late for meals or social engagements They attended the theater the opera court functions dinners balls on stated nights and unless the Kaiser took a whim and altered a date there was no deviation from this routine year in and out They walked at the same hour drove in the Tiergarten with the rest of fashionable Berlin started for their castle in the Saxon Alps not only upon the same day but on the same train every summer and the electric lights went out at precisely the same moment every night the count's faithful steward manipulated a central stop They were encouraged to read and study but not oh by no means to have individual opinions The men of Germany were there to do the thinking and they did it Perhaps the rebellion of the Niebuhr girls would never have crystallized for after all their everyday experience was much like that of other girls of their class merely intensified by their father's persistence of executive ardors had it not been for two subtle influences quite unsuspected by the haughty Kammerherr they had an American friend Kate Terriss who was finishing her voice in Berlin and their married sister Mariette had recently spent a fortnight in the paternal nest The count despised the entire American race as all good Prussians did but he was as wax to feminine blandishments outside of his family and Miss Terriss was pretty diplomatic alluring and far cleverer than he would have admitted any woman could be She wound the old martinet round her finger subdued her rampant Americanism in his society and amused herself sowing the seeds of rebellion in the minds of those poor Niebuhr girls As the countess also liked her she had been in and out of the house for nearly a year The young Prussians had alternately gasped and wept at the amazing stories of the liberty the petting the procession of good times enjoyed by American girls of their own class to say nothing of the invariable prerogative of these fortunate girls to choose their own husbands who according to the unprincipled Miss Terriss invariably spoiled their wives and permitted them to go and come to spend their large personal allowances as they listed Gisela closed her beloved volume of Grimm's fairy tales and never opened it again
