April Once William Alexander Percy:

William Alexander Percy Benjamin E. Wise, 2012-03-12 In this evocative biography Benjamin E Wise presents the singular life of William Alexander Percy 1885 1942 a queer plantation owner poet and memoirist from Mississippi Though Percy is best known as a conservative apologist of the southern racial order in this telling Wise creates a complex and surprising portrait of a cultural relativist sexual liberationist and white supremacist We follow Percy as he travels from Mississippi around the globe and always back again to the Delta Wise's exploration brings depth and new meaning to Percy's already compelling life story his prominent family's troubled history his elite education and subsequent soldiering in World War I his civic leadership during the Mississippi River flood of 1927 his mentoring of writers Walker Percy and Shelby Foote and the writing and publication of his classic autobiography *Lanterns on the Levee* This biography sets Percy's life and search for meaning in the context of his history in the Deep South and his experiences in the gay male world of the early twentieth century In Wise's hands these seemingly disparate worlds become one **William Alexander Percy** Phinizy Spalding, 1957 *Mississippi Writers* Dorothy Abbott, 1988-05 Poetry recounting the experience of growing up in the Deep South *Carryin' On in the Lesbian and Gay South* John Howard, 1997 To date lesbian and gay history has focused largely on the East and West coasts and on urban settings such as New York and San Francisco The American South on the other hand identified with religion traditional gender roles and cultural conservatism has escaped attention Southerners celebrate their past lesbians and gays celebrate their new found visibility historians celebrate the South yet rarely have the three crossed paths John Howard's groundbreaking anthology casts its net widely examining lesbian and gay experiences in Mississippi South Carolina Georgia Florida Louisiana and Tennessee James Schnur by virtue of a Freedom of Information Act query sheds light on the sinister machinations of the John's Committee whose clandestine duty it was to ferret out suspected homosexuals during the McCarthy years In his essay on the great Southern writer William Alexander Percy William Armstrong Percy provides tangible evidence that Southern citizens historians and archivists have long sought to repress or obscure certain individuals within what C Vann Woodward described as the perverse section Moving chronologically through America's past from the antebellum and postbellum periods through the Jim Crow era and the Cold War to the present this volume introduces an important new framework to the field of lesbian and gay history that of regional history **The House of Percy** Bertram Wyatt-Brown, 1996-10-31 Although the novels of Walker Percy represent some of the most prominent work in 20th century Southern fiction the Percy family itself has a history that is arguably as compelling as anything he could have created Behind Percy's prose lurks a legacy of wealth literary accomplishment political leadership depression and suicide that spans two centuries In this compelling biography Wyatt Brown skilfully combines intensive research and telling insights to produce the unforgettable story of this gifted family 48 halftones *A Literary History of Mississippi* Lorie Watkins, 2017-05-31 With contributions by Ted Atkinson Robert Bray Patsy J Daniels David A Davis Taylor Hagood Lisa

Hinrichsen Suzanne Marrs Greg O'Brien Ted Ownby Ed Piacentino Claude Pruitt Thomas J. Richardson Donald M. Shaffer Theresa M. Towner Terrence T. Tucker Daniel Cross Turner Lorie Watkins and Ellen Weinauer Mississippi is a study in contradictions One of the richest states when the Civil War began it emerged as possibly the poorest and remains so today Geographically diverse the state encompasses ten distinct landform regions As people traverse these they discover varying accents and divergent outlooks They find pockets of inexhaustible wealth within widespread grinding poverty Yet the most illiterate disadvantaged state has produced arguably the nation's richest literary legacy Why Mississippi What does it mean to write in a state of such extremes To write of racial and economic relations so contradictory and fraught as to defy any logic Willie Morris often quoted William Faulkner as saying To understand the world you must first understand a place like Mississippi What Faulkner or more likely Morris posits is that Mississippi is not separate from the world The country's fascination with Mississippi persists because the place embodies the very conflicts that plague the nation This volume examines indigenous literature Southwest humor slave narratives and the literature of the Civil War Essays on modern and contemporary writers and the state's changing role in southern studies look at more recent literary trends while essays on key individual authors offer more information on luminaries including Faulkner Eudora Welty Richard Wright Tennessee Williams and Margaret Walker Finally essays on autobiography poetry drama and history span the creative breadth of Mississippi's literature Written by literary scholars closely connected to the state the volume offers a history suitable for all readers interested in learning more about Mississippi's great literary tradition

The Percys of Mississippi Lewis Baker, 1999-03-01 Set in the twilight years of southern aristocracy The Percys of Mississippi is a biography of a family in whose bloodline ran both a strong commitment to public service and an equally strong but more private dedication to literature Following four generations of Percy family history Lewis Baker chronicles the lives and public careers of Colonel William Alexander Percy a planter and lawyer his son LeRoy a lawyer and United States Senator LeRoy's son Will a poet and lawyer and Will's nephew and adopted son the novelist Walker Percy Known as the gray eagle of the delta for his piercing eyes and silver hair Colonel Percy served as a Confederate officer in both the eastern and western campaigns of the Civil War He returned home to practice law and manage the family's property but he was soon drawn into the arena of state politics where he fought vigorously to strengthen the Mississippi River levee system and to protect his district from the perils of Reconstruction With Colonel Percy's death in 1888 LeRoy Percy inherited his father's law practice and his mantle of leadership in the community LeRoy used his power as a United States Senator to continue his father's long quest for an adequate levee system struggled to loosen the Ku Klux Klan's grip of fear on the delta and campaigned tirelessly to discredit the divisive creed of the state's rising demagogue politicians In the election of 1911 LeRoy Percy was defeated in his bid to be returned to the Senate losing to the flamboyant demagogue James Kimble Vardaman the White Chief It was a defeat echoed across the South throughout the dawning years of the twentieth century as poorer whites rejected the moderate

counsel of the planter class their traditional leaders and embraced the demagogues fiery gospel of resentment It was this troubling altered South that LeRoy Percy bequeathed to his son William Alexander Will Percy fought in World War I taught for a time and stood at his father s side throughout many of the battles to safeguard the delta from extremism But Will s true calling was as a poet and his lasting contribution to the delta would be in the form of a memorial to its past his memoir *Lanterns on the Levee* During my day he wrote Will Percy not long before his death I have witnessed the disintegration of that moral cohesion of the South which had given it its strength and its sons their singleness of purpose and simplicity It would be left to Walker Percy to fully confront this modern disintegrated South to seek in such works as *The Moviegoer* *The Last Gentleman* and *The Second Coming* the place of the Percy family s values in a world that has little use for aristocrats

Same-Sex Desire and Love in Greco-Roman Antiquity and in the Classical Tradition of the West Beerte C.

Verstraete, Vernon L. Provencal, 2014-05-01 New and surprising insights into homoeroticism of times past In ancient times the Greek god Eros personified both heterosexual and homosexual attractions *Same Sex Desire and Love in Greco Roman Antiquity and in Classical Tradition of the West* explores the homosexual side of the vanished civilizations of Greece and Rome and the resulting influence on the Classical tradition of the West Respected scholars clearly present evidence that shows the extensive nature of homoeroticism and homosexuality in the Classical world Iconography such as vase decoration and carved gemstones is presented in photographs and the text includes an examination of a wide selection of literature of the times with an eye to opening new vistas for future study *Same Sex Desire and Love in Greco Roman Antiquity and in Classical Tradition of the West* lays to rest the myths generally accepted as truth about Greco Roman views on homosexuality and brings fresh insights to philological and historical scholarship This book provides nuanced humanistic discussions on the common phenomena of same sex desire Topics include Greek pederasty and its origins the Greek female homoeroticism of Sappho homosexuality in Greek and Roman art and literature and the emergence of the gay liberation movement with the influence of discussions of Greek and Roman homosexuality in the twentieth century The text is extensively referenced and includes helpful notation *Same Sex Desire and Love in Greco Roman Antiquity and in Classical Tradition of the West* provides a comprehensive table of abbreviations subject index and index of names and terms It discusses in detail the integral role athletic nudity played in athlete trainer pederasty the central role of pederasty in Greek history politics art literature and learning tracing the history of the Ganymede myth how the athletic culture of Sparta contributed to the spread of pederasty in Greece homosexuality in Boeotia in contrast to the rest of Greece the homoeroticism of Sappho dispelling generally accepted myths prevalent about Roman sexuality Roman visual representations of homosexuality as evidence of prevailing attitudes homoerotic connotations in literature and philosophy of the Italian Renaissance the effect of German classical philology on gay scholarship English Romantic poets and the importance of male love in their lives the Uranians use of allusions and themes from ancient Greece the building of intellectual community through gay print culture through the use of

Greece and Rome as models and more Same Sex Desire and Love in Greco Roman Antiquity and in Classical Tradition of the West is essential reading for Classicists specialists in gender sexuality studies humanists interested in the classical tradition in Western culture psychologists and other social scientists in human sexuality

A Catalog of Books Represented by Library of Congress Printed Cards Issued to July 31, 1942, 1942 Touring Literary Mississippi Patti Carr Black, Marion Garrard Barnwell, 2014-07-18 By taking the literary traveler on seven preplanned tours through the Delta along Highway 61 to the heart of Faulkner's Yoknapatawpha country to sites near Interstate 55 and the Natchez Trace to the piney woods of East and South Mississippi and along the sun struck Gulf Coast this book captures the phenomenal abundance and diversity of Mississippi literature More than a guidebook this book includes capsule biographies and well over a hundred photographs of writers their residences and their literary environments It also provides maps and gives explicit directions to writers homes and other literary sites The sheer number of writers discovered recovered and claimed by Mississippi will astonish travelers both from within and from without the state Included are not only such major figures in the pantheon of American literature as William Faulkner Eudora Welty Tennessee Williams and Richard Wright but also the less well known Every nook and cranny of the state claims a piece of Mississippi's literary heritage Literature pervades Yazoo City Jackson Greenville Oxford Natchez the Gulf Coast and the Delta Blues country Willie Morris Richard Ford and Beverly Lowry have declared that a famous writer's presence in their hometowns convinced them that they too could be writers As the locations bring to life the connection of ordinary rituals with the stuff of fiction poetry and memoir these hands on tours make evident the special cross pollination of writer and community in Mississippi

The Oxford Book of the American South Edward L. Ayers, Bradley C. Mittendorf, 1997-04-17 Resonating with the testimony of slaves and slaveholders the powerful and the powerless women and men black people and white The Oxford Book of the American South combines the most telling fiction and nonfiction produced in the South from the late eighteenth century to the present The first anthology to put short stories novels autobiographies diaries memoirs and journalism together this collection is a rich and varied record of life below the Mason Dixon line We see the antebellum period both from the perspective of those who experienced it first hand such as Thomas Jefferson and Harriet Jacobs as well as from authors who imagined the era later including William Styron and Sherley Anne Williams Likewise we see the Civil War through eyewitness accounts such as Sarah Morgan's later writers analyses such as W E B Du Bois's and war inspired fiction such as Margaret Mitchell's Classic authors of the 1920s and 30s Southern Renaissance are followed by figures including Martin Luther King Jr George Garrett and Peter Taylor whose works capture the dramatic years of the Civil Rights movement The struggles defeats and triumphs chronicled in The Oxford Book of the American South speak not just to the South but to all of the American experience

Shelby Foote Robert L. Phillips, 2009-09-28 Called the greatest Civil War historian Shelby Foote began his career as a novelist whose powerful works of fiction rose out of his closeness to life and culture in his native region the Mississippi Delta country Later in his career he

transformed modern historical prose by his keen sense of the novel. His artistic distance from the elements of regionalism that lie at the heart both of his novels and of his history writing gives his prose great narrative force. This perceptive study fills the genuine need for a sound critical appreciation of Foote the novelist. After he appeared as a sage commentator in the PBS series *The Civil War*, the popular acclaim that catapulted Shelby Foote the historian to even greater eminence as an American oracle renewed much deserved interest in his novels and in critically rich assessments such as this one.

The Life of Langston Hughes Arnold Rampersad, 2002-01-10 February 1 2002 marks the 100th birthday of Langston Hughes. To commemorate the centennial of his birth, Arnold Rampersad has contributed new Afterwords to both volumes of his highly praised biography of this most extraordinary and prolific American writer. In young adulthood, Hughes possessed a nomadic but dedicated spirit that led him from Mexico to Africa and the Soviet Union to Japan and countless other stops around the globe. Associating with political activists, patrons, and fellow artists and drawing inspiration from both Walt Whitman and the vibrant Afro-American culture, Hughes soon became the most original and revered of black poets. In the first volume's Afterword, Rampersad looks back at the significant early works Hughes produced, the genres he explored, and offers a new perspective on Hughes's lasting literary influence. Exhaustively researched in archival collections throughout the country, especially in the Langston Hughes papers at Yale University's Beinecke Library, and featuring fifty illustrations per volume, this anniversary edition will offer a new generation of readers entrance to the life and mind of one of the twentieth century's greatest artists.

The Journal of Mississippi History William David McCain, 1944 Includes section Book reviews

Southern Masculinity Craig Thompson Friend, 2010-01-25 The follow-up to the critically acclaimed collection *Southern Manhood: Perspectives on Masculinity in the Old South* (Georgia, 2004), *Southern Masculinity* explores the contours of southern male identity from Reconstruction to the present. Twelve case studies document the changing definitions of southern masculine identity as understood in conjunction with identities based on race, gender, age, sexuality, and geography. After the Civil War, southern men crafted notions of manhood in opposition to northern ideals of masculinity and as counterpoint to southern womanhood. At the same time, manliness in the South, as understood by individuals and within communities, retained and transformed antebellum conceptions of honor and mastery. This collection examines masculinity with respect to Reconstruction, the New South, racism, southern womanhood, the Sunbelt, gay rights, and the rise of the Christian Right. Familiar figures such as Arthur Ashe are investigated from fresh angles, while other essays plumb new areas such as the womanless wedding and Cherokee masculinity.

The Oxford Critical and Cultural History of Modernist Magazines Peter Brooker, Andrew Thacker, 2009 This volume contains 44 original essays on the role of periodicals in the United States and Canada. Over 120 magazines are discussed by expert contributors, completely reshaping our understanding of the construction and emergence of modernism.

The Flood Year 1927 Susan Scott Parrish, 2018-12-04 A richly nuanced cultural history of the Great Mississippi flood. The Great Mississippi Flood of 1927 was the most destructive river flood in U.S.

history drowning crops and displacing more than half a million people across seven states It was also the first environmental disaster to be experienced virtually on a mass scale The Flood Year 1927 draws from newspapers radio broadcasts political cartoons vaudeville blues songs poetry and fiction to show how this event provoked an intense and lasting cultural response Americans at first seemed united in what Herbert Hoover called a great relief machine but deep rifts soon arose Southerners pointing to faulty federal levee design decried the attack of Yankee water The condition of African American evacuees prompted comparisons to slavery from pundits like W E B Du Bois and Ida B Wells And environmentalists like Gifford Pinchot called the flood the most colossal blunder in civilized history Susan Scott Parrish examines how these and other key figures from entertainers Will Rogers Miller Lyles and Bessie Smith to authors Sterling Brown William Faulkner and Richard Wright shaped public awareness and collective memory of the event The crises of this period that usually dominate historical accounts are war and financial collapse but The Flood Year 1927 allows us to assess how mediated environmental disasters became central to modern consciousness

Faulkner Joseph Blotner, 2010-12-01 William Faulkner 1897 1962 remains the pre eminent literary chronicler of the American South and a giant of American arts and letters Creatively obsessed with problems of race identity power politics and family dynamics he wrote novels stories and lectures that continue to shape our understanding of the region s promises and problems His experiments and inventions in form and style have influenced generations of writers Originally published in 1974 as a two volume edition and extensively updated and condensed in a 1991 reissue Joseph Blotner s Faulkner A Biography remains the quintessential resource on the Nobel laureate s life and work The Chicago Tribune said This is an overwhelming book indispensable for anyone interested in the life and works of our greatest contemporary novelist That invaluable 1991 edition is now back in print Blotner a friend and one time colleague of Faulkner s brings a vivid personalized tone to the biography as well as a sense of masterful comprehensive scholarship Using letters interviews reminiscences critical work and other primary sources Blotner creates a detailed and nuanced portrait of Faulkner from his birth to his death The revision of the original 1974 biography incorporates commentary on the plethora of Faulkner criticism family memoirs and posthumously published works that appeared in the wake of the first version It also examines collections of letters and other materials that only came to light after the original publication Featuring a detailed chronology of Faulkner s life and a genealogical chart of his family Faulkner is authoritative and essential both for literary scholars and for anyone wanting to know about the life of one of the nation s foremost authors Blotner s masterpiece is the template for all biographical work on the acclaimed writer

One Writer's Beginnings Eudora Welty, 2020-11-03 Featuring a new introduction this updated edition of the New York Times bestselling classic by Pulitzer Prize and National Book Award winning author and one of the most revered figures in American letters is profound and priceless as guidance for anyone who aspires to write Los Angeles Times Born in 1909 in Jackson Mississippi Eudora Welty shares details of her upbringing that show us how her family and her surroundings contributed to the shaping not only of her personality but of her writing as well

Everyday sights sounds and objects resonate with the emotions of recollection the striking clocks the Victrola her orphaned father s coverless little book saved since boyhood the tall mountains of the West Virginia back country that became a metaphor for her mother s sturdy independence Eudora s earliest box camera that suspended a moment forever and taught her that every feeling awaits a gesture In her vivid descriptions of growing up in the South of the interplay between black and white between town and countryside between dedicated schoolteachers and the children they taught she recreates the vanished world of her youth with the same subtlety and insight that mark her fiction capturing the mysterious transfiguring gift by which dream memory and experience become art Los Angeles Times Book Review Part memoir part exploration of the seeds of creativity this unique distillation of a writer s beginnings offers a rare glimpse into the Mississippi childhood that made Eudora Welty the acclaimed and important writer she would become *Correspondence Courses, 1923-1924* Addison Hibbard, Cornelia Spencer Love, Dudley Dewitt Carroll, George MacFarland McKie, Harold Diedrich Meyer, Louise Howell Snell, Mary Thomas Hobbs, North Carolina Council of English Teachers, Robert Digges Wimberly Connor, University of North Carolina (1793-1962). University Extension Division, William Chambers Coker, Enid Matherly, 1923
