April Hopes William Dean Howells:

April Hopes William Dean Howells, 1888 **April Hopes** William Dean Howells, 2020 Mr Howells shows a light and exquisite touch in *April Hopes* a novel it is safe to say in which all his finer qualities are seen at their best The sweetness of it is perhaps a trifle cloying now and then to robust palates but the story is for all the world like a spring day where showers and sunshine grace fully intermingle Story we say while in reality there is no story at all in accordance with Mr Howells views of the lack of stories in real life Only an account of how two young things fell in love with one another and quarreled and made up and quarreled again and made up again and broke off the engagement once more and finally made up for good and got married But how charmingly the affair is put before us all the foolish silly entrancing details are there and never does the author exceed the limits of probability or the canons of good taste It is like a pretty play for the narrative in the book is a poor pennyworth of bread to an infinite deal of sack in shape of bright and sparkling dialogue We sit and watch Dan and Alice at their love meetings and their love quarrels hear them exchange their bits of romantic nonsense see them go through their little deceits and flights of tragedy and playings at broken hearts and listen while they utter protestations of undying affection and vows of unwavering faith It is all very pretty very dainty very touching and everyone who assists at the performance must feel that here at any rate is a bit of reality softened indeed and modified somewhat by the essentially idealistic temperament of the author who finds it hard not to give a Watteau like grace to all his fond imaginings yet sufficiently real to chime in with the actual or fancied experiences common to the majority of commonplace humanity The doctrine of elective affinities has no place in the world of *April Hopes* Girlhood in the author's view is often a turmoil of wild impulses ignorant exaltations mistaken ideals which really represent no intelligent purpose and come from disordered nerves ill advised reading and the erroneous perspective of inexperience When two creatures thus constituted indulge in the frantic effort of trying to reconcile their ideals the comedy and tragedy of courtship begin for as Mr Howells says once more the difficulty in life is to bring experience to the level of expectation to match our real emotions in view of any great occasion with the ideal emotions which we have taught ourselves that we ought to feel April Hopes 1887 William Dean Howells, 2018-03-15 *April Hopes* from William Dean Howells American realist author and literary critic 1837 1920 *April Hopes* William Dean Howells, Kermit Vanderbilt, 1974 *April Hopes* is Howells challenge to sentimentalism in American fiction in the late 1880 s romantic illusion leads to potential tragedy As an example of Howells realism and deft irony *April Hopes* is unsurpassed April Hopes William Dean Howells, 1888 *April Hopes* William Howells, 2017-11-30 *April Hopes* is the 1888 novel by the American realist novelist literary critic and playwright William Dean Howells Though a novel the story acts more like a critique of the romantic era novels published in the late nineteenth century *Odin's Library Classics* is dedicated to bringing the world the best of humankind's literature from throughout the ages Carefully selected each work is unabridged from classic works of fiction nonfiction poetry or drama April Hopes 1888 William Dean Howells, 2017-06-29

From his place on the floor of the Hemenway Gymnasium Mr Elbridge G Maverling looked on at the Class Day gaiety with the advantage which his stature gave him over most people there Hundreds of these were pretty girls in a great variety of charming costumes such as the eclecticism of modern fashion permits and all sorts of ingenious compromises between walking dress and ball dress It struck him that the young men on whose arms they hung in promenading around the long oval within the crowd of stationary spectators were very much younger than students used to be whether they wore the dress coats of the Seniors or the cut away of the Juniors and Sophomores and the young girls themselves did not look so old as he remembered them in his day There was a band playing somewhere and the galleries were well filled with spectators seated at their ease and intent on the party coloured turmoil of the floor where from time to time the younger promenaders broke away from the ranks into a waltz and after some turns drifted back smiling and controlling their quick breath and resumed their promenade The place was intensely light in the candour of a summer day which had no reserves and the brilliancy was not broken by the simple decorations Ropes of wild laurel twisted up the pine posts of the aisles and swung in festoons overhead masses of tropical plants in pots were set along between the posts on one side of the room and on the other were the lunch tables where a great many people were standing about eating chicken and salmon salads or strawberries and ice cream and drinking claret cup William Dean Howells March 1 1837 May 11 1920 was an American realist novelist literary critic and playwright nicknamed The Dean of American Letters He was particularly known for his tenure as editor of The Atlantic Monthly as well as for his own prolific writings including the Christmas story Christmas Every Day and the novels The Rise of Silas Lapham and A Traveler from Altruria Early life and family William Dean Howells was born on March 1 1837 in Martinsville Ohio now known as Martins Ferry Ohio to William Cooper Howells and Mary Dean Howells the second of eight children His father was a newspaper editor and printer who moved frequently around Ohio In 1840 the family settled in Hamilton Ohio where his father oversaw a Whig newspaper and followed Swedenborgianism Their nine years there were the longest period that they stayed in one place The family had to live frugally although the young Howells was encouraged by his parents in his literary interests He began at an early age to help his father with typesetting and printing work a job known at the time as a printer's devil In 1852 his father arranged to have one of his poems published in the Ohio State Journal without telling him April Hopes, a Novel, by William D.
