

APUSH EXAM REVIEW GUIDE

KEY YEARS AND DATES

This is not comprehensive, though it does include most major dates about which the AP Exam might ask you to frame a question. Think of these as a framework for establishing generalizations about major periods and as a way to pinpoint key shifts in the social, economic, and political history of the United States (or the colonies from which she arose). Some of these are less significant than others. I have highlighted the most important dates. Also realize that these are brief overviews and certainly lack much detail. Research that on your own.
