ABCs with Jesus and Me Nikki Plummer, 2024-09-10 We all learn the alphabet at a young age It is the basis of our language and how we communicate with one another Likewise when Jesus word is shared with us and we start learning it we never forget it We may waver from it but it will always be ingrained in our memory The alphabet is taught in all different languages and translates well just like the word of God I have used the alphabet to lay the foundation for God's word The ABC's are the foundation of the language we speak and Jesus word can be the foundation of our life if we open our hearts to Him There are so many emotions we feel as humans Not all of the words in this devotional are encouraging and uplifting Through this devotional we will explore what scripture says about dealing with these challenging emotions and feelings I use scripture to remind us of the true source of our joy and contentment through our journey of life The encouraging words I have chosen give us hope for what we can have if we turn our hearts toward Jesus This devotional is for all people regardless of who you are where you've been or what you have done If you don't know Jesus or you are ashamed because of your past don't worry You are welcome here We all have to start our journey with God somewhere and this is a great place to start If you have a relationship with Jesus but want to deepen your connection with him this is for you too
