

Now! At a real budget price the new
Frigidaire Thrifty-30 brings you a

30-Inch Cooking Center

Puts the luxury of big-range capacity,
convenience, and automatic features,
into your compact kitchen

We saw you cook and bake in crowded quarters . . .
then designed this new Thrifty-30 Electric Range

You needed faster surface units . . . a bigger oven . . . more working space . . . more storage space. So Frigidaire has made you a range that takes less than a yard of space, yet gives everything you've seen in big ranges—cooking up to \$100 more.

A giant full-width oven holds even more than ovens in the biggest ranges. Bakes and roasts a holiday dinner—all at one time. Extra-thick insulation seals heat in, to give you cooler small-kitchen cooking.

More working inches, more storage. An extra half-foot of working space over many small

ranges. Yet you have four full-size Radiant-tube Units with five cooking speeds. Faster heat, too! And a deep, Full-Width Storage Drawer.

More big-range conveniences. Automatic controls turn the oven on and off, while you're away. And cleaning is so easy! Surface units lift up. Oven shelves and baking unit slide out for quick washing at the sink.

Only \$2.55 per week, after a minimum down payment. See your Frigidaire Dealer for exact terms. Choice of Stratford Yellow, Sherwood Green or Snowy White exteriors.
