

## Business Case for My Fashion Neckties

**Problem** The fashion industry has experienced a serious shortage of new designs and styles, especially in the necktie market. This is due to the fact that the industry has been dominated by a few large companies that have been reluctant to invest in research and development. This has led to a lack of innovation and a decline in the quality of neckties. The industry needs to find a way to create new designs and styles that will attract customers and increase sales.

### Investigation

in 20

The first step in the investigation was to identify the current market for neckties. This was done by researching the industry and its competitors.
