stories that have made our country great He said to remember The reason you got here is because of all those who came before We are not cut from one cloth he said He s not talking about retelling the day to day murder mayhem and politics journalists must cover but looking under rocks and beside creeks to find stories about folks who work hard play hard and pray hard These are people who fly under the celebrity radar but who are the sturdy foundation of our country A lot of folks like that can be found in Indiana I ll never be able to take you on the remarkable journeys that Bob does with his words but I can share what it is about Indiana people places and things that I ve come to hold dear in my world Much of it revolves around my family which is probably a lot like yours What I wrote was the mood and passion of my heart at that time in that place It is true that precious people and things reveal themselves in passing from us I d like to share some of my precious memories from the past Maybe it will stir your memories and help encourage us all to appreciate the here and now
