**Wake Up Your Bible Study** Richard W. Coffen,2007 Which version of the Bible should I use How much time should I spend in Bible study Is reading the Bible the same as studying it How do I read with understanding The Bible is the best selling book of all time yet many people struggle to make sense of it or even to pick it up at all Boggled down by genealogies and thees and thous many well meaning Christians can t quite make it beyond a quick glance at familiar verses But with the right approach to Bible study you ll discover that the very Book that once seemed intimidating and irrelevant is actually full

of life changing wisdom and powerful stories In *Wake Up Your Bible Study* Richard Coffen explores aspects of Bible study that will transform your reading of Scripture Sharing insights into the world of the Bible writers Coffen reveals the ancient cultures and languages that help explain the meaning and significance of God's Word With fascinating examples and findings this book will revolutionize your understanding and application of the Holy Bible Book jacket

**Biblical Studies on the Internet** Roland H. Worth, Jr., 2008-09-18 The new edition includes more than 4 800 resources available at more than 10 000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages audio translations of the Bible in English and other languages commentaries dictionaries and other resource materials including ones in Greek Hebrew and other ancient languages The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself In cases when ten or more resources are listed on a single web page the author has assigned the web page a three digit code The code is used to identify this web page as a major resource within the main text while any needed instructions for use of the site are cross referenced separately in the final chapter In adopting this concise method the author was able to add hundreds of additional or updated web resources a surprising number of which can be downloaded onto a hard drive for immediate and continued use
