**R Bogdan**

## **American Eagle Easton:**

**Fries's Rebellion** Paul Douglas Newman, 2004 Fries's Rebellion was the third in three popular uprisings immediately following the Revolution after Shays's Rebellion and the Whiskey Rebellion that directly challenged the still fledgling federal government This is the first book on the watershed event in early America      **Backcountry Crucibles** Jean R. Soderlund, Catherine S. Parzynski, 2008 American historians have emphasized major cities as cultural and economic centers This volume explores the vitality of cultural economic and political life beyond those cities The Lehigh Valley is a place where integral events occurred but is also an example of regional growth outside large cities Its unique location close enough to New York and Philadelphia to market grain iron coal and steel yet distant enough to develop its own cultural life offers a regional model persisting for more than two centuries heretofore unexplored in American historical scholarship This persistence of cultural and economic patterns including the capacity to change makes Lehigh Valley history particularly intriguing      **Many Identities, One Nation** Liam Riordan, 2010-11-24 The richly diverse population of the mid Atlantic region distinguished it from the homogeneity of Puritan New England and the stark differences of the plantation South that still dominate our understanding of early America In *Many Identities One Nation* Liam Riordan explores how the American Revolution politicized religious racial and ethnic identities among the diverse inhabitants of Pennsylvania Delaware and New Jersey Attending to individual experiences through a close comparative analysis Riordan explains the transformation from British subjects to U S citizens in a region that included Quakers African Americans and Pennsylvania Germans In the face of a gradually emerging sense of nationalism varied forms of personal and group identities took on heightened public significance in the Revolutionary Delaware Valley While Quakers in Burlington New Jersey remained suspect after the war because of their pacifism newly freed slaves in New Castle Delaware demanded full inclusion and bilingual Pennsylvania Germans in Easton Pennsylvania successfully struggled to create a central place for themselves in the new nation By placing the public contest over the proper expression of group distinctiveness in the context of local life Riordan offers a new understanding of how cultural identity structured the early Jacksonian society of the 1820s as a culmination of the American Revolution in this region This compelling story brings to life the popular culture of the Revolutionary Delaware Valley through analysis of wide ranging evidence from architecture folk art clothing and music to personal papers newspapers and local church tax and census records The study's multilayered local perspective allows us to see how the Revolutionary upheaval of the colonial status quo penetrated everyday life and stimulated new understandings of the importance of cultural diversity in the Revolutionary nation      **The Tyranny of Printers** Jeffrey L. Pasley, 2002-11-29 Although frequently attacked for their partisanship and undue political influence the American media of today are objective and relatively ineffectual compared to their counterparts of two hundred years ago From the late eighteenth to the late nineteenth century newspapers were the republic's central political institutions working components of the party system rather than

commentators on it *The Tyranny of Printers* narrates the rise of this newspaper based politics in which editors became the chief party spokesmen and newspaper offices often served as local party headquarters Beginning when Thomas Jefferson enlisted a Philadelphia editor to carry out his battle with Alexander Hamilton for the soul of the new republic and got caught trying to cover it up the centrality of newspapers in political life gained momentum after Jefferson s victory in 1800 which was widely credited to a superior network of papers Jeffrey L Pasley tells the rich story of this political culture and its culmination in Jacksonian democracy enlivening his narrative with accounts of the colorful but often tragic careers of individual editors

**Harvard Historical Studies** Frederick William Dallinger,1897 *The Federal Reporter* ,1886 Includes cases argued and determined in the District Courts of the United States and Mar May 1880 Oct Nov 1912 the Circuit Courts of the United States Sept Dec 1891 Sept Nov 1924 the Circuit Courts of Appeals of the United States Aug Oct 1911 Jan Feb 1914 the Commerce Court of the United States Sept Oct 1919 Sept Nov 1924 the Court of Appeals of the District of Columbia *Pennsylvania; a Guide to the Keystone State*, Best Books on,1940 compiled by workers of the Writers Program of the Work Projects Administration in the state of Pennsylvania Co sponsored by the Pennsylvania Historical Commission and the University of Pennsylvania *The American Stationer* ,1887 *Rural Politics and the Collapse of Pennsylvania Federalism* Kenneth W. Keller,1982 *Pennsylvania Newspaper Project* ,1992 **Old Colony Railroad Rehabilitation Project, Boston to Lakeville, Plymouth and Scituate** ,1992 *History of the Lehigh Valley* Mathew Schropp Henry,1860 *Special List No.22: List of American-flag Merchant Vessels that Received Certificates of Enrollment Or Registry at the Port of New York 1789-1867* United States. National Archives and Records Service,1968 **Nominations for Elective Office in the United States** Frederick William Dallinger,1897 **The American Almanac and Repository of Useful Knowledge for the Year ..** ,1840 *Field & Stream* ,1990 **American Investments Classified ...** ,1899 *The Pennsylvania Magazine of History and Biography* ,1899 **Newspapers on Microfilm** Library of Congress. Union Catalog Division,1966 *The American Almanac and Repository of Useful Knowledge, for ...* ,1839
