Kagehiro,William S. Laufer,2013-06-29 Shari Seidman Diamond Scholars interested in psychology and law are fond of claiming origins for psycholegal research that date back four score and three years ago to Hugo von Munsterberg's On the Witness Stand published in 1908 These early roots can mislead the casual observer about the history of psychology and law Vigorous and sustained research in the field is a recent phenomenon It is only 15 years since the first review of psychology and law appeared in the Annual Review of Psychology Tapp 1976 The following year saw the first issue of Law and Human Behavior the official publication of the American Psychology Law Society and now the journal of the American Psychological Association's Division of Psychology and Law Few psychology departments offered even a single course in psychology and law before 1973 while by 1982 14 of psychology graduate programs had at least one course and a number had begun to offer forensic minors and or joint J D Ph D programs Freeman Roesch see Chapter 28 Yet this short period of less than 20 years has seen a dramatic level of activity Its strengths and weaknesses excitements and disappointments are all captured in the collection of chapters published in this first Handbook of Psychology and Law In describing what we have learned about psychology and law the works included here also reveal the questions we have yet to answer and thus offer a blueprint for activities in the next 20 years
