## **American Heroes On The Homefront The Hearts Of Heroes:**

American Heroes Oliver North, 2013-11-05 From the New York Times bestselling author of *Heroes* Proved a moving and inspirational chronicle of our national heroes sacrifices and triumphs in Iraq and Afghanistan after their return to the homefront Combat decorated Marine Oliver North delivers a riveting firsthand account of the extraordinary young American volunteers the best and bravest of their generation who stepped forward to defend us from radical Islamic terror For more than a dozen years North and his award winning documentary team from FOX News Channel's *War Stories* have traveled to the frontlines of the War on Terror to profile the dedicated men and women who serve our nation in harm's way and chronicle what it truly means to be a hero This time he follows them from the battlefield to the homefront and finds extraordinary inspiration in their triumph over life altering adversity In this new volume of his New York Times bestselling *American Heroes* series North describes in vivid detail the breathtaking courage steadfast commitment and resilient strength of those who serve and those who love them The term selfless devotion may be a cliché to many in our modern culture but not to the men and women on the pages of this book Their stories resound with bravery a warrior ethos and spiritual strength that ought to encourage us all Heroes are people who knowingly place themselves at risk for the benefit of others They give of themselves literally and physically Since the terror attack of 9/11/01 more than 2 million young Americans have volunteered to serve in difficult and dangerous places No military force in history has been asked to do more than those who have served and sacrificed in this long fight They are American heroes So too are their loved ones here at home These are their stories

**The Rifleman** Oliver North, 2019-12-10 This is a war story It's about real people and events before and during the American Revolution The central characters in this work Daniel Morgan George Washington Patrick Henry Charles Mynn Thruston and Generals Arnold Knox Greene Lee Gates and a host of others actually did the deeds at the places and times described herein So too did their accurately identified foreign and native adversaries Though this is a work of fiction readers may be surprised to discover the American Revolution was also one of the most uncivil of Civil Wars If Daniel Morgan were alive today he would be my near neighbor in Virginia's beautiful Shenandoah Valley While visiting a nearby gristmill Daniel Morgan and Nathaniel Burwell a fellow Revolutionary War veteran built in the late 1700s now restored and operated by the Clarke County Historical Association I became fascinated by this unsung American hero My good friend Oliver North has spent his life in the company of heroes In this great read he tells the stories of some of my personal heroes the Riflemen you will meet in this book LTG William G Jerry Boykin former commander U.S. Army Special Forces and author of six books including his autobiography *Never Surrender*

**Home Front Heroes** Elizabeth Abele, 2013-12-03 This book traces the effects of the feminist and civil rights movements in the construction of Hollywood action heroes Starting in the late 1980s action blockbusters regularly have featured masculine figures who choose love and community over the path of the stoic loner committed solely to duty The American heroic quest of the past 25 years increasingly has involved a

reclamation of home creating a place for the Hero at the hearth part of a more intimate community with less restrictive gender and racial boundaries The author presents pieces of contemporary popular culture that create the complex mosaic of the present day American heroic ideal Hollywood popular films are examined that best represent the often painful shift from traditional heroic masculinity to a masculinity that is less exceptional and more vulnerable There are also chapters on how issues of race and gender intersect with the new masculinity and on subgenres of 1990s films that also developed this postfeminist masculinity Talking Book Topics, 2014 Home Front in the American Heartland Patty Sotirin, Steven A. Walton, Sue Collins, 2020-05-28 This collection offers a multifaceted exploration of World War One and its aftermath in the northern American Heartland a region often overlooked in wartime histories The chapters feature archival and newspaper documentation and visual imagery from this era The first section Heartland Histories explores experiences of conscription and home front mobilization in the small communities of the heartland highlighting tensions associated with patriotism class ethnicities and locale In one chapter the previously unpublished cartoon art of a USAF POW displays his Midwestern sensibilities Section Two Homefront Propaganda examines the cultural networks disseminating national war messages notably the critical work of local theaters Four Minute Men the Allied War Exhibitions and the local commemorative displays of military relics Section Three Gender in and War highlights aspects often overshadowed by male experiences of the war itself including the patriotic mother androgynous representations in wartime propaganda and masculine violence following the war Together this volume provides rich portraits of the complexities of heartland home front experiences and legacies

**America's Home Front Heroes** Stacy Enyeart, 2009-10-22 A new compendium of firsthand reminiscences of life on the American home front during World War II America's Home Front Heroes An Oral History of World War II brings together in one rich resource the voices of those whom history often leaves out the ordinary men women and children caught up in an extraordinary time America's Home Front Heroes is divided into four sections A Time for Heightened Passion A Time for Caution and Prejudice A Time for Flag Waving and A Time for War Plant Women The 34 brief oral histories within these sections capture the full diversity of the United States during the war with contributions coming from men women and children of all backgrounds including Japanese Americans conscientious objectors African Americans housewives and journalists A treasure trove for researchers and World War II enthusiasts this remarkable volume offers members of the greatest generation an opportunity to relive their defining era For those with no direct experience of the period it's a chance to learn firsthand what it was like living in the United States at a pivotal moment in history Heroes at Home Ellie Kay, 2012-02-15 Inspiration for Active Duty Military and Their Hometown Heroes This encouraging book is more than just a helpful guide for families on active duty Ellie offers today's generation of families the encouragement they need as they encounter the challenges military families face whether they're Reserves National Guard or full time active duty As the wife of an Air Force pilot and the mom of five kids Ellie has an inside perspective on how to cope with frequent moves be ready for

imminent deployment and stay in touch over long distances Her sage advice and witty humor give families some sense of comfort when military life seems chaotic Ellie is bent on ensuring our military members and families are thanked loved and know they are serving with support Command Chief Master Sergeant Vance M Clarke USAF

**Hidden Heroes** Rajeev Ramchand, Terri Tanielian, Michael P. Fisher, Christine Anne Vaughan, Caroline Epley, Thomas Trail, Phoenix Voorhies, Michael William Robbins, Eric Robinson, Bonnie Ghosh-Dastidar, 2014-04 While much has been written about the role of caregiving for the elderly and chronically ill and for children with special needs little is known about military caregivers the population of those who care for wounded ill and injured military personnel and veterans These caregivers play an essential role in caring for injured or wounded service members and veterans This enables those for whom they are caring to live better quality lives and can result in faster and improved rehabilitation and recovery Yet playing this role can impose a substantial physical emotional and financial toll on caregivers This report summarizes the results of a study designed to describe the magnitude of military caregiving in the United States today as well as to identify gaps in the array of programs policies and initiatives designed to support military caregivers Improving military caregivers well being and ensuring their continued ability to provide care will require multifaceted approaches to reducing the current burdens caregiving may impose and bolstering their ability to serve as caregivers more effectively Given the systematic differences among military caregiver groups it is also important that tailored approaches meet the unique needs and characteristics of post 9 11 caregivers Abstract

**The One Year Yellow Ribbon Devotional** Brenda Pace, Carol McGlothlin, 2016-01-15 The One Year Yellow Ribbon Devotional will encourage those of us staying behind to pray for those who are taking a stand for our freedoms During a time of war and election of a new president The One Year Yellow Ribbon Devotional meets a large need in our society So many people are affected by the absence of those who leave home and serve in distant lands Those who are left behind often struggle to find contentment and hope This devotional will not only meet the needs of those individuals but will also encourage all Americans to take a stand by praying for our country and the men and women serving overseas

**The Public Papers of Governor Keen Johnson, 1939-1943** Keen Johnson, 2014-10-17 Keen Johnson was governor of Kentucky from 1939 to 1943 years that spanned the end of the Depression and the initial involvement of this country in the Second World War The account of Johnson s administration is chronicled here through a collection of his public papers The material organized by subject and arranged chronologically within each area presents a rather clear picture of Governor Johnson s plans and concerns for Kentucky and of the actions he took as chief executive on behalf of the state In contrast to contemporary procedures concerning the preservation of governors papers in university and state archives many of the Johnson papers were difficult to locate and apart from a few complete speech manuscripts were reconstructed in large part from cards containing outlines and notes for speeches along with many state and local newspaper accounts of speeches he made and of events in which he participated Many speeches have been extensively footnoted by the editor to provide the reader with supplementary

information Also included in this volume is a perceptive evaluation of the Johnson administration by H Clyde Reeves who served in it as a commissioner of revenue The appendix offers as complete a listing as was possible to reconstruct of the speeches delivered by Governor Johnson during his term of office The Great War in the Heart of Dixie Martin T. Olliff, 2008-10-12 There has been much scholarship on how the U S as a nation reacted to World War I but few have explored how Alabama responded Did the state follow the federal government s lead in organizing its resources or did Alabamians devise their own solutions to unique problems they faced How did the state s cultural institutions and government react What changes occurred in its economy and way of life What if any were the long term consequences in Alabama The contributors to this volume address these questions and establish a base for further investigation of the state during this era Contributors David Alsobrook Wilson Fallin Jr Robert J Jakeman Dowe Littleton Martin T Olliff Victoria E Ott Wesley P Newton Michael V R Thomason Ruth Smith Truss and Robert Saunders Jr **Congressional Record** United States. Congress, 1942 **The Rotarian**, 1943-11 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine

**The Union War** Gary W. Gallagher, 2012-09-03 Even one hundred and fifty years later we are haunted by the Civil War by its division its bloodshed and perhaps above all by its origins Today many believe that the war was fought over slavery This answer satisfies our contemporary sense of justice but as Gary Gallagher shows in this brilliant revisionist history it is an anachronistic judgment In a searing analysis of the Civil War North as revealed in contemporary letters diaries and documents Gallagher demonstrates that what motivated the North to go to war and persist in an increasingly bloody effort was primarily preservation of the Union Devotion to the Union bonded nineteenth century Americans in the North and West against a slaveholding aristocracy in the South and a Europe that seemed destined for oligarchy Northerners believed they were fighting to save the republic and with it the world's best hope for democracy Once we understand the centrality of union we can in turn appreciate the force that made northern victory possible the citizen soldier Gallagher reveals how the massive volunteer army of the North fought to confirm American exceptionalism by salvaging the Union Contemporary concerns have distorted the reality of nineteenth century Americans who embraced emancipation primarily to punish secessionists and remove slavery as a future threat to union goals that emerged in the process of war As Gallagher recovers why and how the Civil War was fought we gain a more honest understanding of why

and how it was won      Made in California Stephanie Barron, Sheri Bernstein, Ilene Susan Fort, 2000 Made in California is divided into five twenty year sections each including a narrative essay discussing the history of that era and highlighting topics relevant to its visual culture BOOK JACKET
