# America The Beautiful The United States In Bible Prophecy:

America the Beautiful? David R. Reagan, 2009 The Basics of Bible Prophecy David Reagan, Darryl Nunnelley, 2020-07-22 Bible prophecy can be a playground for fanatics or it can be green pastures for disciples In this book the authors show how prophecy can motivate people to holiness inspire them to evangelism and provide them with hope In the process they supply answers to many intriguing questions about prophecy like the following How should Bible prophecy be interpreted symbolically or literally Why are there so many end time viewpoints and what are they Have all Old Testament prophecies been fulfilled How does Bible prophecy confirm the Bible as the Word of God and Jesus as God in the flesh What happens after death Will Heaven be an ethereal spiritual existence or will it be a tangible one in new perfected bodies on a new earth What are the signs of the times and do they indicate that we are living in the season of the Lord's return Is the Rapture of the Church a biblical concept and if so when is it most likely to happen Is Jesus going to return to this earth to reign for a thousand years or is His reign going on now from Heaven Why does end time prophecy focus on the Jewish people and the nation of Israel What is the most likely sequence of end time events The 24 lessons in this book are presented in a down to earth easy to understand language and every point is substantiated with Scripture references The book is designed for both individual and group study 9 Wars of the End Times David Reagan, 2023-05-10 Most people are aware of an end time war prophesied in the Bible called The Battle of Armageddon But do you know Bible prophecy also reveals eight other wars Arm yourself with the truth of what God's prophetic Word says about the end times and make sure you re ready for Jesus return Some topics addressed in this timely book are Is Psalm 83 a prophecy about an end time war What is likely to be the timing of the War of Gog Magog What end time war could be characterized as World War III Is there any evidence that nuclear weapons will be used in any of the end time wars Which war of the end times will be supernatural in nature What wars of the end times will focus on the Jewish people Why is The Battle of Armageddon a misnomer Why will the Millennial reign of Jesus end with a war Is there any hope of a world of eternal peace America's Suicide David Reagan, 2022-02-06 Does America have any hope or is its fate sealed America is in a free fall without a parachute Dr David Reagan asserts the brutal fact that our nation has turned its back on the One who has blessed us so abundantly He contends that our fundamental problem is not Systemic Racism Rather it is Systemic Godlessness We are a nation that has forgotten God The consequences are apostate churches and a society consumed with immorality and violence America's Suicide shares from the Scriptures how God deals with a nation He has blessed that turns against Him America has crossed the point of no return and is thus on a path to self destruction The book concludes by talking about the hope that remains for both believers and unbelievers It is a sobering and challenging book that points to Jesus and not politicians as our only hope What's the Difference in a Millennium and a Millipede? David Reagan, 2022-04-22 Would you like to get a grasp on what the Bible says about the end times and where we currently fit into end time chronology Are you mystified by end time Bible prophecy Are

you confused by all the various end time viewpoints Have you decided that end time prophecy is a subject appropriate only for seminary graduates This book will clear up end time confusion Come learn the difference between a Millennium and a God's Plan for the Ages, 2nd Edition David Reagan, 2020-08-02 What is the destiny of Millipede with Dr David Reagan planet earth What is going to be the fate of mankind We don't have to guess The Bible spells out God's plan for the ages in great detail through prophecies given thousands of years ago In this book Dr David Reagan presents a panoramic survey of the fundamentals of Bible prophecy with a focus on the prophecies that relate to the end times In the process he reveals God s plan for the redemption of mankind and the restoration of the creation The book is written in a down to earth easy to understand style Although all the chapters relate to the overall theme each chapter is designed to stand alone This makes it possible for you either to read the book straight through or to skip around reading only those chapters whose topics appeal Implosion Joel C. Rosenberg, 2012-06-12 Bestselling author and international political expert Joel C Rosenberg tackles the question Is America an empire in decline or a nation poised for an historic renaissance America teeters on a precipice In the midst of financial turmoil political uncertainty declining morality the constant threat of natural disasters and myriad other daunting challenges many wonder what the future holds Will history s greatest democracy stage a miraculous comeback returning to the forefront of the world's economic and spiritual stage Can America's religious past be repeated today with a third Great Awakening Or will the rise of China Russia and other nations coupled with the US s internal struggles send her into a decline from which there can be no return Implosion helps readers understand the economic social and spiritual challenges facing the United States in the 21st century through the lens of biblical prophecy Glory, 3rd Edition David Reagan, 2021-05-14 Many Christians are very intimidated by the book of Revelation They are convinced that it contains nothing but bad news They are even further daunted by the great variety of bizarre interpretations of the book In this book Dr David Reagan explains that Revelation contains only good news for those who have received Jesus as their Lord and Savior Dr Reagan proves that any Christian can understand the book of Revelation if they are willing to accept its plain sense meaning As the Lord begins to open your understanding you will be thrilled by the promises of God that it contains for believers You will find yourself earnestly yearning for the Lord's soon return as never before This book is written for all denominations and ages It dispels the myths about Revelation showing that the messages of Revelation are desperately needed by the 21st Century Church which is apostasized from within and persecuted from without The Rapture: Fact or Fiction? David Reagan, 2019-04-08 This book answers the most frequently asked questions about the Rapture Where can the Rapture be found in the Bible What is the meaning of the Rapture When is the Rapture most likely to take place Who will be included in the Rapture Are there signs that will signal the Rapture Does the Rapture have relevance to our lives now The answers to these and other questions are provided in language that is down to earth and easy to understand The book also provides responses to all the major objections that have been made to the concept of the Rapture

How to Find America and Germany in the Bible: Proof That France - Netherlands - Belgium - Switzerland -Norway - Iceland - Sweden - Finland - Denmark - State of Israel - United Kingdom and Ireland Are Modern Israelites Nations Hugh Stewart, 2021-06-15 The United States of America and Germany have a rendezvous with destiny to quote President Franklin D Roosevelt It is a rendezvous that will be devastating for America yet neither will it bode well for Germany or the rest of the world The lumbering European Project of 27 nations known as the European Union EU eventually will dwindle to ten willing nations or ten regional groups of nations federally united under the leadership of Germany At last the long cherished dream of many Europeans for a resurgent and dominant Europe on the world stage will become a reality With shades of Christendom from the Middle Ages and free of Anglo Saxon trappings and the moderating influence of the UK the new EU will be an economic and military powerhouse that will serve as a counter balance to the once mighty U S A and the growing China threat from the East The Anglo Saxon dream of a reinvigorated Anglosphere as an alternative to the EU will prove to be an illusion Europe will enjoy a few years of unprecedented prosperity before the Project comes to a crashing halt How to Find America and Germany In the Bible explains why these events will take place It also tells us that the Israelite nations of Bible fame are alive and well under their modern names and that their day of awakening is near **End Times** Dr Jason Dittmer, Dr Tristan Sturm, 2012-11-28 Over the last guarter century evangelicalism has become an important social and political force in modern America Here new voices in the field are brought together with leading scholars such as William E Connolly Michael Barkun Simon Dalby and Paul Boyer to produce a timely examination of the spatial dimensions of the movement offering useful and compelling insights on the intersection between politics and religion This comprehensive study discusses evangelicalism in its different forms from the moderates to the would be theocrats who in anticipation of the Rapture seek to impose their interpretations of the Bible upon American foreign policy The result is a unique appraisal of the movement and its geopolitical visions and the wider impact of these on America and the world at large Have a Nice Doomsday Nicholas Guyatt, 2011-10-31 Journeying to the dusty heartlands of America's Bible Belt Nicholas Guyatt goes in search of the truth behind a startling statistic 50 million Americans believe the apocalypse will take place in their own lifetimes They re convinced that any day now Jesus will snatch up his followers and spirit them to heaven For the rest of us things are going to get very nasty indeed massive earthquakes devastating wars not to mention the terrifying rise of the Antichrist But true believers aren t just sitting around waiting for the Rapture They re getting involved in debates over abortion gay rights and even foreign policy Are they devout or deranged Why do they seem so cheerful about the end of the world And given the disturbing involvement of a leading presidential candidate does their influence stretch beyond the Bible Belt perhaps even to the White House Strange funny and unsettling in equal measure Have a Nice Doomsday uncovers the apocalyptic obsession at the heart of the world's only superpower The Man of Lawlessness David Reagan, 2012-10-09 This exciting book focuses on the rise and fall of the Antichrist during the Great Tribulation A unique

near But we are getting ahead of ourselves Let's go back to the beginning of this story AMERICA IS IN CRISIS This was the newspaper headline America in Crisis Polls show Americans are fearful of both the present and the future There seems to be no hope Americans want demand that they be rescued that our nation s many problems be solved Rescued from what Solve what problems A respected panel published a white paper on the subject They reported It is near the end of the George W Bush administration The country is being torn apart over the wars in Iraq and Afghanistan At least at times it appears to be President Bush s private war He never asked Congress for a Declaration of War nor asked the Nation to be directly involved as it was during World War II Our military s hands tied by politics The Nation is in chaos with almost everyone demanding their rights their freedom to do whatever they wish Terrorists have attacked again in four cities more than 30 000 killed Vicious gangs and drug pushers demand their rights our police are handcuffed Purveyors of filth shout freedom of speech pornography is called art Christians and Jews are muzzled Our founding fathers knew that everything has limits and boundaries The Judeo Christian ethic provided the moral foundation to go with our rights and freedoms and moral boundaries were set But now these moral boundaries are absent and freedoms are turning to license edging closer and closer to anarchy Our people do not feel safe sending their children to school leaving their homes Fear is everywhere faith in government is near zero The People pray for a man a superman a bold knight to rescue them and the nation MICHAEL JEREMIAH and the Supreme Council OFFER HOPE During times of crisis l **The Late Great United States Mark** Hitchcock, 2009-01-06 Is it possible the United States a superpower without peer in history might not be a key player as the world makes its way down the road to the Battle of Armageddon This is the central guestion explored by prophecy expert Mark Hitchcock in The Late Great United States a fascinating behind the headlines look at numerous current events and how they relate to what the Bible says about the last days Americans are accustomed to seeing their country center stage as a world power but as Hitchcock carefully details this may not be the case in the final scene Based on extensive research of the Bible and other sources The Late Great United States provides compelling and often surprising answers to questions like these Does the Bible say anything about America in the last days How could the U S fit into God s prophetic plan Will America survive Might the anti Christ come from America Could America s addiction to oil be her undoing Will America be destroyed by a nuclear attack Could America fall from within as a result of moral corruption Is America still a blessed nation How should individual Christians respond to a world in chaos Regardless of America's final fate and the outcome of dire events at the end of the age Hitchcock urges us to find our hope in a God who will not forsake us no matter what cataclysms we experience on earth The Great German Nation Craig White, 2007-09 Who exactly are the Germans From which ancestor of Noah do they descend Might their roots be found in the ancient Middle East Does the Bible God's precious Word have anything to say with regard to the very talented German peoples and their ancient roots Or does God ignore major nations such as Germany in His Word These fascinating and highly talented people have been central to world history Notice

a chilling comment in an article on Russia by Peter Zeihan history really does run in cycles Take Europe for example European history is a chronicle of the rise and fall of its geographic center As Germany rises the powers on its periphery buckle under its strength and are forced to pool resources in order to beat back Berlin As Germany falters the power vacuum at the middle of the Continent allows the countries on Germany's borders to rise in strength and become major powers themselves Since the formation of the first Germany in 800 this cycle has set the tempo and tenor of European affairs A strong Germany means consolidation followed by a catastrophic war a weak Germany creates a multilateral concert of powers and multistate competition often involving war but not on nearly as large a scale For Europe this cycle of German rise and fall has run its course three times the Holy Roman Empire Imperial Germany Nazi Germany and is only now entering its fourth iteration with the reunified Germany **The Jonah Prophecies** Fred Paul Dello Iacono, 2011-01-07 Hear the last gospel of Jesus Christ as the actual voice of Jesus narrates the endtime biblical prophecies to the faithful witness 168 Fred Dello Iacono through the key of David 56 knowledge exactly what the end will be like so that all world can have its eyes opened This book unseals the bible perfectly beyond mathematically infinity so its dire warnings cannot be refuted by any human Whoever thought it would be Jesus who woulde be the person who unseals the bible **Israel: the 51st State** Morris Glen Bowers, 2005-06 One thing that people are slow to learn a thing that they must learn to correctly understand the Bible is that the whole Jewish religion ended at the cross of Christ and a new order became effective The total misunderstanding of Matthew chapter 24 is at the root of most of this confusion If the Messiah didn t come during the time of the Roman occupation of the land of promise then HE will never come It will never happen What the Palestinians feared would happen has clearly happened The killing and confusion in the Middle East is to be laid at the feet of the United Nations England France and the United States The false doctrine of premillennialism and those that teach this subject must take full responsibility for adding fuel to the fire of hatred among the State of Israel and Palestinians The current day denominational preachers that are guilty of teaching this evil doctrine are Billy Graham Garner Ted Armstrong Franklin Graham Jack Van Impe Pat Robertson John Hagee Jerry Falwell Benny Hinn David Cerullo Pat Robison Lou Shelton the Trinity Broadcasting Network and the thousands of less known denominational preachers in your own home towns across America The Bible contains the mind of God the state of man the way of salvation the doom of sinners and the happiness of believers Its histories are true its doctrines are holy its precepts are binding and its decisions are immutable Read it to be wise believe it to be safe and practice it to be holy The Pharmacopoeia of the United States of America ,1851
