

THE UNITED STATES SINCE 1945

AMERICAN DREAMS

"Brands has taken on the formidable task of writing a concise, balanced account of America since World War II. And he has succeeded admirably."

— SAN FRANCISCO CHRONICLE

H. W. BRANDS

American Dreams The United States Since 1945

Phil Tinline

American Dreams The United States Since 1945:

American Dreams H. W. Brands, 2010 A bestselling historian delivers an incisive chronicle of the events and trends that have guided and sometimes misguided America from the A bomb to the iPhone

Captain America and the American Journey, 1940-2022 Richard A. Hall, 2024-02-16 Captain America made his debut in 1940 just two years behind the first comic book superheroes and five years before the United States emergence as the world's primary superpower at the end of World War II His journey has been intertwined with America's progress throughout the decades Known as the Sentinel of Liberty he has frequently provided socio political commentary on current events as well as inspiration and warnings concerning the future This work explores the interconnected histories of the United States and Captain America decade by decade from the character's origins to Chris Evans portrayal of him in the Marvel Cinematic Universe It examines how Captain America's story provides a guide through America's tenure as a global superpower holds a mirror up to American society and acts as a constant reminder of what America can and should be

The Statesman's Yearbook 2012 B. Turner, 2017-01-12 Now in its 148th edition The Statesman's Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world Covering political economic social and cultural aspects the Yearbook is also available online for subscribing institutions www.statesmansyearbook.com

American Dreams H. W. Brands, 2011-05-31 From bestselling historian H W Brands an incisive chronicle of the events and trends that guided and sometimes misguided our nation from the A bomb to the iPhone For a brief bright moment in 1945 America stood at its apex looking back on victory not only against the Axis powers but against the Great Depression and looking ahead to seemingly limitless power and promise What we've done with that power and promise over the past six decades is a vitally important and fascinating topic that has rarely been tackled in one volume and never by a historian of H W Brands's stature As *American Dreams* opens Brands shows us a country dramatically different from our own more unequal in social terms but more equal economically more religious and rural but also more liberal and more wholeheartedly engaged with the rest of the world As he traces the changes we have gone through as a nation he reveals the great themes and dreams that have driven America the rising focus on individual rights and pleasures the growing distance between our global goals and those of the rest of the world and the inexorable dissolution of a shared sense of what it means to be American In Brands's adroit hands these trends unfold through a character driven narrative that sheds brilliant light on the obvious highs and lows from Watergate to the Berlin Wall from Apollo 11 to 9 11 from My Lai to shock and awe But he also chronicles the surprising impact of less celebrated events and trends Through his eyes we realize the sweeping significance of the immigration reforms of the 1960s which gradually transformed American society We come to grasp the vast impact of abandoning the gold standard in 1971 which enabled both globalization and the current financial crisis We ponder the unnerving results of CNN's debut in 1979 which sped up the news cycle and permanently changed our foreign policy by putting its effects live on

our TV screens Blending political and cultural history with his keen sense of the spirit of the times Brands captures the national experience through the last six decades and reveals the still unfolding legacy of dreams born out of a global cataclysm

The 1970s and the Making of the Modern US-Mexico Border Aaron Brown,2024-07-08 During the late twentieth century many Americans expressed concern about the security surrounding the U S Mexico border due to the lack of progress in achieving meaningful and effective immigration regulation and an inability to control growing drug trafficking Despite publicly and privately striving for cooperation on these issues Mexican and American policymakers struggled to arrive at viable and sustainable solutions In The 1970s and the Making of the Modern US Mexico Border Fortifying a Frontier Aaron Brown analyzes US drug and immigration policies from the 1960s to 1980s how they applied to Mexico and the border and how this shaped modern U S perceptions of border security Brown utilizes archival research newspapers and other sources to investigate how US policymakers border residents and activists shaped policies aimed at eliminating rising crime economic stagnation and global insecurity At a time when the US Mexico border is again the subject of heated political debate this book can help readers understand the origins of the current crisis

A Companion to Lyndon B. Johnson Mitchell B. Lerner,2012-02-13 This companion offers an overview of Lyndon B Johnson s life presidency and legacy as well as a detailed look at the central arguments and scholarly debates from his term in office Explores the legacy of Johnson and the historical significance of his years as president Covers the full range of topics from the social and civil rights reforms of the Great Society to the increased American involvement in Vietnam Incorporates the dramatic new evidence that has come to light through the release of around 8 000 phone conversations and meetings that Johnson secretly recorded as President

War's Logic Antulio J. Echevarria II,2021-02-18 Surveys how American strategic theorists have understood the nature and character of war in the twentieth century

Alien-Invasion Films Mark E. Wildermuth,2022-11-16 This book studies American science fiction films depicting invasions of the USA and Earth by extra terrestrials within the context of imperialism from 1950 2020 It shows how such films imagine America and its allies as objects of colonial control This trope enables filmmakers to explore the ethics of American interventionism abroad either by defending the status quo or by questioning interventionism The study shows how these films comment on American domestic hegemonic practices regarding racial or gender hierarchies as well as hegemonic practices abroad Beginning with the Cold War consensus in the 1950s the study shows how hegemony at home and abroad promotes division in the culture

Handbook of Research on ICTs for Human-Centered Healthcare and Social Care Services Cruz-Cunha, Maria Manuela,2013-04-30 In addition to creating the opportunity for collaboration transformation and innovation in the healthcare industry technology plays an essential role in the development of human well being and psychological growth Handbook of Research on ICTs for Human Centered Healthcare and Social Services is a comprehensive collection of relevant research on technology and its developments of ICTs in healthcare and social services This book focuses on the emerging trends in the social and healthcare sectors such as

social networks security of ICTs and advisory services beneficial to researchers scholars students and practitioners to further their interest in technological advancements **Jimmy and Rosalynn Carter** E. Stanly Godbold, Jr.,2022 This dual biography of Jimmy and Rosalynn Carter the thirty ninth President and the First Lady chronicles their personal and professional relationships and their business and political successes The second volume of their dramatic story is filled with the emotional and political ups and downs of their lives as they managed a large family attempted to use their presidency to bring peace human rights and justice to all peoples of the world and dedicated the remainder of their long lives to making a safer more caring world Rise of the Mavericks Philip Clayton Shackelford,2023-04-15 Rise of the Mavericks traces the beginnings and subsequent development of the U S Air Force Security Service Established in 1948 as part of the emerging U S national security apparatus this communications intelligence organization was meant to place the fledgling U S Air Force on a competitive footing with its Army and Navy counterparts As World War II ended and the Cold War began Air Force leaders understood that an effective cryptologic capability would be crucial for maintaining and enhancing the Air Force as a strategic and decisive component of America s national defense Successfully deploying air atomic strategy in the event of a future war would require reliable information on the capabilities intentions and potential targets of an opposing force in particular the Soviet Union Communications intelligence would be a critical source of this information and Air Force leaders were adamant that their service not remain dependent on other service structures for this capability The Air Force Security Service rose to the occasion quickly establishing itself as one of the preeminent communications intelligence agencies in the United States Rise of the Mavericks fills the gap in the military and intelligence history literature and further complicates the literature surrounding the history of the NSA which too often ignores or hastily addresses the contributions and role of the service COMINT agencies during the early Cold War period The book explains how Air Force Security Service personnel were viewed as mavericks by other U S military and government organizations The airmen lived up to this characterization by creating and developing an independent communications intelligence capability while persistently resisting the controlling efforts of the Armed Forces Security Agency and the National Security Agency *Evangelical News* Anja-Maria Bassimir,2022-05-24 This work is an innovative treatise on the evangelical magazine market during the 1970s and 1980s and how it sustained religious community and ideology Bassimir argues that community can be produced in discourse especially when shared rhetoric concepts and perspectives signal belonging The 1970s and 1980s were a tumultuous period in United States history In suit with a dramatic political shift to the right evangelicalism also entered the public discourse as a distinct religious movement and was immediately besieged by cultural appropriations and internal fragmentations This was also a time when Americans in general and evangelicals in particular grappled with issues and ideas such as feminism and legal abortion restructuring traditional roles for women and the family The Watergate Crisis and the newly emerging Christian Right also threw politics into turmoil During this time there was a surge of readership for evangelical magazines such as

Christian Today Moody Monthly Eternity and Post Americans Sojourners While each of these magazines and many other publications contributes to and participates in the overall dissemination of evangelical ideology they all also have their own outlooks and political leanings when it comes to hot button issues Evangelical Visions through a thoroughly researched lens makes important correctives to common understandings of evangelical discourse particularly regarding the key political initiatives of the religious right Bassimir demonstrates that within the pages of these periodicals evangelicals hashed out a number of competing views on feminism abortion reproductive technologies and political involvement itself To accomplish this Evangelical Visions traces the emergence of evangelical social and political awareness in the 1970s to the height of its power as a political program The chapters in this monograph also delve into such topics as how evangelicals re envisioned gender norms and relations in light of the feminist movement and the use of childhood as a symbol of unspoiled innocence and the pure potential of humanity Presently most accounts of evangelicalism cite evangelical magazines only very selectively and virtually no studies make substantive use of those magazines as objects of investigation Bassimir s Evangelical Visions makes a much needed contribution to our understanding of evangelicalism in the late twentieth century by providing a nuanced picture of a religious subculture that is too often reduced to caricature This study is located at the intersection of history religious studies and media studies and will appeal to scholars and students of all of these fields The Valley of the Shadow of Death Kermit Alexander,Alex Gerould,Jeff Snipes,2015-09-22 Former NFL star Kermit Alexander tells the true story of the massacre of his family and his subsequent years of despair followed by a spiritual renewal that showed him a way to rebuild his family and reclaim his life Amazon com 1989 Mary Elise Sarotte,2014-10-19 How the political events of 1989 shaped Europe after the Cold War 1989 explores the momentous events following the fall of the Berlin Wall and the effects they have had on our world ever since Based on documents interviews and television broadcasts from Washington London Paris Bonn Berlin Warsaw Moscow and a dozen other locations 1989 describes how Germany unified NATO expansion began and Russia got left on the periphery of the new Europe This updated edition contains a new afterword with the most recent evidence on the 1990 origins of NATO s post Cold War expansion Soft Power Hendrik W. Ohnesorge,2019-11-22 This book explores the phenomenon of soft power in international relations In the context of current discourses on power and global power shift s it puts forward a comprehensive taxonomy of soft power and outlines a methodological roadmap for its empirical study To that end the book classifies soft power into distinct components resources instruments reception and outcomes and identifies relevant indicators for each of these categories Moreover the book integrates previously neglected aspects into the concept of soft power including the significance of political personalities A broad range of historical examples is drawn upon to illustrate the effects of soft power in international relations in an innovative and analytically differentiated way A central methodological contribution of this book consists in highlighting the value of comparative historical analysis CHA as a promising approach for empirical analyses of the soft power of different

actors on the international stage By introducing a comprehensive taxonomy of soft power the book offers an innovative and substantiated perspective on a pivotal phenomenon in today's international relations As the forces of attraction in world politics continue to gain in importance it provides a valuable asset for a broad readership This book was the winner of the 2021 ifa German Institute for Foreign Cultural Relations Research Award on Foreign Cultural Policy In this important and thoughtful book Hendrik Ohnesorge explains and advances our knowledge of the ways that soft power public diplomacy and charismatic personal diplomacy are shaping the international relations of our global information age Joseph S Nye Jr Harvard University and author of *The Future of Power*

The Spark of Fear Brian N. Duchaney, 2015-05-26 The horror genre is continually being reinvented as societal fears evolve As technology has developed and become ubiquitous in modern life horror films have effectively played upon our increasing reliance on technology as a source of anxiety Focusing on advancements from the advent of electricity to the Internet this book explores how technology ostensibly humanity's means of conquering fear and the unknown has become a compelling and abundant source of dread in horror films

Making Patton Nicholas Evan Sarantakes, 2012-09-26 Forever known for its blazing cinematic image of General George S Patton portrayed by George C Scott addressing his troops in front of a mammoth American flag Patton won seven Oscars in 1971 including those for Best Picture and Best Actor In doing so it beat out a much ballyhooed M A S H irreverent darling of the critics and grossed 60 million despite an intense anti war climate But as Nicholas Evan Sarantakes reveals it was a film that almost didn't get made Sarantakes offers an engaging and richly detailed production history of what became a critically acclaimed box office hit He takes readers behind the scenes even long before any scenes were ever conceived to recount the trials and tribulations that attended the epic efforts of producer Frank McCarthy like Patton a U S Army general and Twentieth Century Fox to finally bring Patton to the screen after eighteen years of planning Sarantakes recounts how filmmakers had to overcome the reluctance of Patton's family copyright issues with biographers competing efforts for a biopic and Department of Defense red tape He chronicles the long search for a leading man including discussions with Burt Lancaster John Wayne and even Ronald Reagan before settling on Scott a brilliant actor who brought to the part both enthusiasm for the project and identification with Patton's passionate persona He also tracks the struggles to shoot the movie with a large multinational cast huge outlays for military equipment and filming in six countries over a mere six months And he provides revealing insider stories concerning for example Scott's legendary drinking bouts and the origins of and debate over his famous opening monologue Drawing on extensive research in the papers of Frank McCarthy and director Franklin Schaffner studio archives records of the Academy of Motion Picture Arts and Sciences contemporary journalism and oral histories Sarantakes ultimately shows us that Patton is more than just one of the best war films ever made Culturally it also spoke to national ideals while exposing complex truths about power in the mid twentieth century

Ghosts of Iron Mountain Phil Tinline, 2025-03-25 A compelling work of investigative journalism that explores the surprising origins and hidden

ramifications of an epic late 1960s hoax perpetrated by cultural luminaries including Victor Navasky and E L Doctorow For readers curious about the surprising connections between John F Kennedy Oliver Stone Timothy McVeigh Alex Jones and Donald Trump **Navigating the C-124 Globemaster** Billy D. Higgins,2019-08-09 The C 124 Globemaster a U S military heavy lift transport in service 1950 through 1974 barreling down a runway was an awesome sight The aircraft s four 3800 hp piston engines the largest ever mass produced mounted on its 174 foot wingspan could carry a 69 000 pound payload of tanks artillery or other cargo or 200 fully equipped troops at more than 300 mph The flight crew perched three stories above the landing gears in an unpressurized cockpit relied like Magellan on celestial fixes to navigate over oceans With a world wide mission delivering troops and materials to such destinations as the Congo Vietnam Thule Greenland and Antarctica the Globemaster lived up to its name and was foundational to what Time magazine publisher Henry Luce termed the American Century Drawing on archives Air Force bases libraries and accident sites and his own recollections as a navigator the author details Cold War confrontations and consequent strategies that emerged after Douglas Aircraft Company delivered the first C 124A to the Military Air Transport Service in 1949 *Foreign Multinationals in the United States* Lina Gálvez-Muñoz,Geoffrey G Jones,2005-07-26 In this volume leading scholars in international business and business history in the United States Europe and Japan examine the experiences of a range of firms in the United States They survey British Canadian French German Spanish and Japanese firms and span a range of sectors including automobiles banking electricals petroleum and steel Together their contributions present a unique evolutionary and comparative perspective on the management and performance of foreign companies in the United States since 1945 This book is essential reading for all those with a professional or academic interest in international business management business history or business in the United States
