American Culture In The 1950s Twentieth Century American Culture Eup:

American Culture in the 1950s Martin Halliwell, 2007 This book provides a stimulating account of the dominant cultural forms of 1950s America fiction and poetry theatre and performance film and television music and radio and the visual arts Through detailed commentary and focused case studies of influential texts and events from *Invisible Man* to *West Side Story* from Disneyland to the Seattle World's Fair from *Rear Window* to *The Americans* the book examines the way in which modernism and the cold war offer two frames of reference for understanding the trajectory of postwar culture The two core aims of this volume are to chart the changing complexion of American culture in the years following World War II and to provide readers with a critical investigation of the 1950s The book provides an intellectual context for approaching 1950s American culture and considers the historical impact of the decade on recent social and cultural developments Key Features Focused case studies featuring key texts genres writers artists and cultural trends Chronology of 1950s American Culture Bibliographies for each chapter over twenty illustrations

Twentieth-Century America Douglas Tallack, 2014-07-22 The multi volume Longman literature in English series aims to provide students of literature with a critical introduction to the major genres in their historical and cultural context This book looks at cinema painting and architecture in 20th century America as well as the culture of politics

The Cambridge Companion to the Twentieth-Century American Novel and Politics Bryan M. Santin, 2023-10-12 This volume analyzes how political movements ideas and events shaped the American novel

A Companion to American Cultural History Karen Halttunen, 2008-04-15 A Companion to American Cultural History offers a historiographic overview of the scholarship with special attention to the major studies and debates that have shaped the field and an assessment of where it is currently headed 30 essays explore the history of American culture at all analytic levels Written by scholarly experts well versed in the questions and controversies that have activated interest in this burgeoning field Part of the authoritative Blackwell Companions to American History series Provides both a chronological and thematic approach topics range from British America in the Eighteenth Century to the modern day globalization of American Culture thematic approaches include gender and sexuality and popular culture

American Avant-Garde Theatre Arnold Aronson, 2014-01-02 This stunning contribution to the field of theatre history is the first in depth look at avant garde theatre in the United States from the early 1950s to the 1990s American Avant Garde Theatre offers a definition of the avant garde and looks at its origins and theoretical foundations by examining Gertrude Stein John Cage The Beat writers Avant garde cinema Abstract Expressionism Minimalism There are fascinating discussions and illustrations of the productions of the Living Theatre the Wooster Group Open Theatre Ontological Hysteric Theatre and Performance Group among many others Aronson also examines why avant garde theatre declined and virtually disappeared at the end of the twentieth century

The Cambridge Companion to Modern American Culture Christopher Bigsby, 2006-10-12 The Cambridge Companion to Modern American Culture offers a comprehensive authoritative and accessible overview of the cultural themes

and intellectual issues that drive the dominant culture of the twentieth century This companion explores the social political and economic forces that have made America what it is today It shows how these contexts impact upon twentieth century American literature cinema and art An international team of contributors examines the special contribution of African Americans and of immigrant communities to the variety and vibrancy of modern America The essays range from art to politics popular culture to sport immigration and race to religion and war Varied extensive and challenging this Companion is essential reading for students and teachers of American studies around the world It is the most accessible and useful introduction available to an exciting range of topics in modern American culture **Twentieth-Century American Poetry**

Christopher MacGowan, 2008-04-15 Written by a leading authority on William Carlos Williams this book provides a wide ranging and stimulating guide to twentieth century American poetry A wide ranging and stimulating critical guide to twentieth century American poetry Written by a leading authority on the innovative modernist poet William Carlos Williams Explores the material historical and social contexts in which twentieth century American poetry was produced Includes a biographical dictionary of major writers with extended entries on poets ranging from Robert Frost to Adrienne Rich Contains a section on key texts considering major works such as The Waste Land North South Howl and Ariel The final section draws out key themes such as American poetry politics and war and the process of anthologizing at the end of the century

Encyclopedia of Contemporary American Culture Robert Gregg, Gary W. McDonogh, Cindy H. Wong, 2005-11-10 As a meeting point for world cultures the USA is characterized by its breadth and diversity Acknowledging that diversity is the fundamental feature of American culture this volume is organized around a keen awareness of race gender class and space and with over 1 200 alphabetically arranged entries spanning the American century from the end of World War II to the present day the Encyclopedia provides a one stop source for insightful and stimulating coverage of all aspects of that culture Entries range from short definitions to longer overview essays and with full cross referencing extensive indexing and a thematic contents list this volume provides an essential cultural context for both teachers and students of American studies as well as providing fascinating insights into American culture for the general reader The suggestions for further reading which follows most entries are also invaluable guides to more specialized sources American Cultural Studies Neil Campbell, Alasdair Kean, Andrew Dix, Peter Templeton, 2025-09-30 Now in its fifth edition American Cultural Studies continues to offer a critical introduction to key concepts topics and methods in the study of United States culture exploring subjects that include the city ethnicity and immigration religion youth and gender and sexuality The fifth edition has been comprehensively revised to take account of developments in American culture during the past decade Arguments are supported by close readings of cultural materials that range from novels to paintings films to political speeches and TV shows to regional cuisines Updated case studies introduce each chapter with examples including Moonlight The Great Gatsby and the songs and videos of Lady Gaga This book also offers a new chapter on class extended discussion of gender and sexuality

including masculinities and trans culture and increased coverage of sports in American culture including baseball wrestling and American football To further engage contemporary readers this edition provides up to date further reading suggestions for each chapter and considers the place of American cultural studies in the current moment Of particular interest to undergraduate readers this book is panoramic in its coverage of the field and is a core text for studying American culture Instructor and student resources for this book include an interactive timeline of cultural and historical events additional discussion questions and activities for each topic and suggestions for further reading and online resources for each chapter

The End of Meaning William A. Sikes, 2024-04-04 Towards the end of the twentieth century books proclaiming the closing of America's mind the collapse of her communities and the end of her art literature education and more began appearing with regularity The underlying theme in all such works is the loss of those experiences that give our lives meaning In *The End of Meaning Cultural Change in America Since 1945* readers learn to recognize these experiences realize how prominent they were in the postwar period c 1945-65 understand the forces that have brought about their extraordinary decline in our families and communities universities and religious institutions films and popular music fine arts labor and more and realize the implications of this loss for our society and our humanity In doing so the book provides a way of thinking about a vital subject one which despite its enormous importance has never been examined in a broad and systematic way capable of generating real understanding discussion and debate *A Companion to the Modern American Novel, 1900 - 1950* John T. Matthews, 2013-06-10 This cutting edge Companion is a comprehensive resource for the study of the modern American novel Published at a time when literary modernism is being thoroughly reassessed it reflects current investigations into the origins and character of the movement as a whole Brings together 28 original essays from leading scholars Allows readers to orient individual works and authors in their principal cultural and social contexts Contributes to efforts to recover minority voices such as those of African American novelists and popular subgenres such as detective fiction Directs students to major relevant scholarship for further inquiry Suggests the many ways that modern American and fiction carry new meanings in the twenty first century *From Meetinghouse to Megachurch* Anne C. Loveland, Otis B. Wheeler, 2003 Table of contents *Reader's Guide to Literature in English* Mark Hawkins-Dady, 2012-12-06 Reader's Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study **Twentieth-century American Cultural Theorists** Paul Hansom, 2001 This award winning series systematically presents career biographies of writers from all eras and all genres through volumes dedicated to specific types of literature and time periods *American Cultural Studies* Neil C. Campbell, Alasdair Kean, 2005-08-12 Drawing on literature art film theatre music and much more American Cultural Studies is an interdisciplinary introduction to American culture for those taking American Studies This textbook introduces

the full range and variety of American culture including issues of race gender and youth provides a truly interdisciplinary methodology suggests and discusses a variety of approaches to study highlights American distinctiveness draws on literature art film theatre architecture music and more challenges orthodox paradigms of American Studies This is a fast expanding subject area and Campbell and Kean's book will certainly be a staple part of any cultural studies student's reading diet

Americanism and Americanization Mel van Elteren, 2006-09-28 With the current state of foreign affairs the terms Americanism and Americanization sometimes take on an unexpected and an unflattering connotation Americanism essentially involves values beliefs ideals goods and practices in local settings outside the United States that are in some way related or attributed to American influence While the validity of this influence may be under scrutiny it requires a detailed historical and sometimes cultural analysis to understand all the dynamics and implications of Americanization A variety of factors contributes to this influence including the preoccupation and reception of the relevant culture itself For instance many European countries have at times demonstrated a preoccupation with all things American which was not necessarily swayed by any action of America itself The overall actualization of Americanization however encompasses a number of societal dimensions including power differentials in the exchange processes concerned Informed by a history of relevant developments since the early nineteenth century this volume presents an in depth critical analysis of the Americanization process Beginning with a survey of early European preoccupations with things American the book goes on to discuss European concerns regarding American influence after World War II The work then looks at Americanism and its influence within the United States itself especially regarding developments during the New Deal and beyond The primary goal of the analysis is the construction of an interpretative framework allowing for a more balanced approach to the study of Americanism abroad Written from a critical social emancipatory perspective the author's approach blends economic military social political cultural and psychological dimensions as well as an examination of the ways in which these areas interact Finally Americanism is examined as part of a U S style corporate globalization at the current juncture Instructors considering this book for use in a course may request an examination copy here

American Culture in the 1950s Martin Halliwell, 2007-03-13 This book provides a stimulating account of the dominant cultural forms of 1950s America fiction and poetry theatre and performance film and television music and radio and the visual arts Through detailed commentary and focused case studies of influential texts and events from *Invisible Man* to *West Side Story* from Disneyland to the Seattle World's Fair from *Rear Window* to *The Americans* the book examines the way in which modernism and the cold war offer two frames of reference for understanding the trajectory of postwar culture The two core aims of this volume are to chart the changing complexion of American culture in the years following World War II and to provide readers with a critical investigation of the 1950s The book provides an intellectual context for approaching 1950s American culture and considers the historical impact of the decade on recent social and cultural developments

Mystery, Violence, and Popular Culture

John G. Cawelti, 2004 For two years Philip Gambone traveled the length and breadth of the United States talking candidly with LGBTQ people about their lives In addition to interviews from David Sedaris George Takei Barney Frank and Tammy Baldwin *Travels in a Gay Nation* brings us lesser known voices a retired Naval officer a transgender scholar and drag king a Princeton philosopher two opera sopranos who happen to be lovers an indie rock musician the founder of a gay frat house and a pair of Vermont garden designers In this age when contemporary gay America is still coming under attack Gambone captures the humanity of each individual For some their identity as a sexual minority is crucial to their life s work for others it has been less so perhaps even irrelevant But whether splashy or quiet center stage or behind the scenes Gambone s subjects have managed despite facing ignorance fear hatred intolerance injustice violence ridicule or just plain indifference to construct passionate inspiring lives Finalist Foreword Magazine s Anthology of the Year Outstanding Book in the High School Category selected by the American Association of School Libraries Best Book in Special Interest Category selected by the Public Library Association

Bringing Zion Home Emily Alice Katz, 2015-01-08 Demonstrates how American Jews used culture art dance music fashion literature to win the hearts and minds of postwar Americans to the cause of Israel *Bringing Zion Home* examines the role of culture in the establishment of the special relationship between the United States and Israel in the immediate postwar decades Many American Jews first encountered Israel through their roles as tastemakers consumers and cultural impresarios that is by writing and reading about Israel dancing Israeli folk dances promoting and purchasing Israeli goods and presenting Israeli art and music It was precisely by means of these cultural practices argues Emily Alice Katz that American Jews insisted on Israel s natural place in American culture a phenomenon that continues to shape America s relationship with Israel today Katz shows that American Jews promotion and consumption of Israel in the cultural realm was bound up with multiple agendas including the quest for Jewish authenticity in a postimmigrant milieu and the desire of upwardly mobile Jews to polish their status in American society And crucially as influential cultural and political elites positioned culture as both an engine of American dominance and as a purveyor of peace in the Cold War many of Israel s American Jewish impresarios proclaimed publicly that cultural patronage of and exchange with Israel advanced America s interests in the Middle East and helped spread the American way in the postwar world *Bringing Zion Home* is the first book to shine a light squarely upon the role and importance of Israel in the arts popular culture and material culture of postwar America

Growing Up with America Emily A. Murphy, 2020-09-15 When D H Lawrence wrote his classic study of American literature he claimed that youth was the true myth of America Beginning from this assertion Emily A Murphy traces the ways that youth began to embody national hopes and fears at a time when the United States was transitioning to a new position of world power In the aftermath of World War II persistent calls for the nation to grow up and move beyond innocence became common and the child that had long served as a symbol of the nation was suddenly discarded in favor of a rebellious adolescent This era marked the beginning of a crisis of identity where literary critics and writers both sought to

redefine U S national identity in light of the nation s new global position The figure of the adolescent is central to an understanding of U S national identity both past and present and of the cultural forms e g literature that participate in the ongoing process of representing the diverse experiences of Americans In tracing the evolution of this youthful figure Murphy revisits classics of American literature including J D Salinger s *The Catcher in the Rye* and Vladimir Nabokov s *Lolita* alongside contemporary bestsellers The influence of the adolescent on some of America s greatest writers demonstrates the endurance of the myth that Lawrence first identified in 1923 and signals a powerful link between youth and one of the most persistent questions for the nation What does it mean to be an American

Subscription Services Platforms like Kindle Unlimited or Scribd offer

subscription-based access to a wide range of American Culture In The 1950s Twentieth Century American Culture Eup eBooks, including some popular titles.

FAQs About American Culture In The 1950s Twentieth Century American Culture Eup Books

What is a American Culture In The 1950s Twentieth Century American Culture Eup PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a American Culture In The 1950s Twentieth Century American Culture Eup PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a American Culture In The 1950s Twentieth Century American Culture Eup PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a American Culture In The 1950s Twentieth Century American Culture Eup PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a American Culture In The 1950s Twentieth Century American Culture Eup PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
