364 Days of Thanksgiving Andrew C Schroer,2015-01-01 What is the secret to happiness God richly blesses his people every day Those blessings from God overflow in our lives and it can be easy for us not to notice them or take them for granted instead of thanking the one who gives them to us God This unique devotional part devotion book part journal will teach you what it means to be overwhelmingly thankful to God for all the blessings he gives you In addition to the 26 uplifting devotions you ll be encouraged to write down one thing you are grateful for each day of the year In doing so you ll begin to recognize God s blessings in your life written down by you so you can flip back to them whenever you need a reminder In the words of the author Pastor Andrew Schroer Are you depressed Are you frustrated by the problems and struggles in your life The secret to happiness isn t to rid your life of problems The secret to happiness isn t getting what you want The secret to happiness is recognizing what you have in Christ This book is about seeing what God has done for you The Bible, Sexuality, and Culture Brian Neil Peterson,2021-05-26 We are living in a rapidly changing culture Since the 1960s the changes in our sexual ethics have become increasingly problematic How are people especially Evangelicals and other

conservative Christians supposed to respond Does the Bible address these seismic changes How is a believer supposed to raise a family in the cultural chaos of the twenty first century If you have asked any of these questions before then this book is for you Peterson argues forcefully that the changes in our culture are a direct result of a postmodern and post Christian cultural rejection of the mandates established by God in the opening two chapters of Genesis The reason Western culture is imploding morally is directly connected to the Enemy s undoing of each of the Genesis mandates established by God for human and cultural flourishing With Western culture s rejection or undoing of every one of God s mandates in Genesis is there any hope for the survival of once thriving Judeo Christian cultures Peterson tackles these and many other issues in a forthright and unreserved manner This book is not for the faint of heart It is a call for a return to cultural sanity rooted in the fear of God and his Word *Common Sense Faith* Patrick J. Brennan,2013 What is it about Jesus the church the sacraments and prayer that inspires motivates and encourages us Can we doubt and follow our conscience and still be faithful Catholics Why is forgiveness essential to conversion What does it mean to be holy Fr Patrick Brennan addresses these questions and helps us to see how our faith can breathe life into what matters most in our lives and the lives of those we love

Medjugorje and the Supernatural Daniel Maria Klimek,2018 In 1981 six young people in the village of Medjugorje in what was then Yugoslavia now Bosnia Herzegovina reported that the Virgin Mary had appeared to them The Medjugorje visionaries say that Mary has returned every day since then bringing them important messages from heaven to convey to the world Over the past three decades the Medjugorje visionaries have been subjected to extensive medical psychological and scientific examination even while undergoing their visionary experiences Daniel Klimek analyzes the scientific studies on the visionaries in juxtaposition with the major scholars and debates surrounding religious experience and concludes that a multidisciplinary approach grants a more holistic and deeper understanding of such extraordinary religious experiences

Fire Vision Steven Harrison,2018-07-17 Within the pages of the Holy Bible the Lord God Almighty used fire in powerful ways to deliver His message His authority became apparent when He brought or sent fire down A few excellent illustrations include Elijah and the prophets of Baal the three young men in the fiery furnace Sodom and Gomorrah and Moses at the burning bush and the tongues of fire on the day of Pentecost Consider also our largest visual source of fire and heat The solar sun eclipses and blood moons are often considered as key events or signs in God s Word Flames entered my apartment in 1992 and left behind four distinct burned images with sealed messages from the eternal consuming fire The amazing images in my bedroom later told the story of my heart attack The Holy Spirit unlocked these images by His Word through time The Cokeville miracle story also has a detailed fire image that was burned into the wall Its message had been well hidden until now Learn the interpretations for these miraculous images and understand that the same Creator who made these images will be returning someday with His fire vision to judge all things The single most important and unanswered question for many people today remains a mystery Ask yourself How will the King of kings see me
