Magnus-Johnston**

And English Studies Beyond Center Literature:

English Studies Beyond the 'Center' Myles Chilton, 2015-11-06 This book addresses the shape of English studies beyond the center by analyzing how the discipline has developed and by considering how lessons from this analysis relate to the discipline as a whole The book aims to open a cross disciplinary conversation about the nature of the English major in both non Anglophone and Anglophone countries by addressing the tensions between language and literature pedagogy the relevance of a focus on hyper canonical Anglophone literature in a world of global Englishes world literature and multilingual students and by reflecting on the necessary contingency and cross purposes of blended literature and language classrooms Many of the book's points of discussion arise from the author's experience as an English professor in Japan where the particularities of English language and literature pedagogy raise significant challenges to Anglo centric critical and pedagogical assumptions English Studies Beyond the Center Teaching Literature and the Future of Global English therefore argues that English literature must make a case for itself by understanding its place in a newly configured discipline Issues discussed in the book include English language and literature pedagogy in Japan The modes through which EFL and English literary studies converge and diverge Globalized English beyond the Anglo American perspective English classroom practices particularly in Japan

British Romanticism in Asia Alex Watson, Laurence Williams, 2019-02-15 This book examines the reception of British Romanticism in India and East Asia including China Japan Korea and Taiwan Building on recent scholarship on Global Romanticism it develops a reciprocal cross cultural model of scholarship in which Asian Romanticism is recognized as itself an important part of the Romantic literary tradition It explores the connections between canonical British Romantic authors including Austen Blake Byron Shelley and Wordsworth and prominent Asian writers including Natsume S seki Rabindranath Tagore and Xu Zhimo The essays also challenge Eurocentric assumptions about reception and periodization exploring how since the early nineteenth century British Romanticism has been creatively adapted and transformed by Asian writers

Lives and Deaths of Werther Johannes Kaminski, 2023-12-21 An investigation of how interpretations translations and literary adaptations of Goethe's novel The Sorrows of Young Werther have left their mark on the original text Kaminski situates the text's legacy among Italian French Chinese and Japanese writers and explores the dynamics of world literature

On the Bullet Train with Emily Brontë Judith Pascoe, 2019-01-23 While teaching in Japan Judith Pascoe was fascinated to discover the popularity that Emily Brontë's novel Wuthering Heights has enjoyed there Nearly 100 years after its first formal introduction to the country the novel continues to engage the imaginations of Japanese novelists filmmakers manga artists and others resulting in numerous translations adaptations and dramatizations On the Bullet Train with Emily Brontë is Pascoe's lively account of her quest to discover the reasons for the continuous Japanese embrace of Wuthering Heights including quite varied and surprising adaptations of the novel At the same time the book chronicles Pascoe's experience as an adult student of Japanese She contemplates the multiple Japanese translations of Brontë

as contrasted to the single or non-existent English translations of major Japanese writers. Carrying out a close reading of a distant country's *Wuthering Heights*, Pascoe begins to see American literary culture as a small island on which readers are isolated from foreign literature. In this and in her previous book *The Sarah Siddons Audio Files*, Pascoe's engaging narrative innovates a new scholarly form involving immersive research practice to attempt a cross-cultural version of reader response criticism. *On the Bullet Train* with Emily Brontë will appeal to scholars in the fields of 19th-century British literature, adaptation studies, and Japanese literary history. Johnson in Japan Kimiyo Ogawa, Mika Suzuki, 2020-10-16 The study and reception of Samuel Johnson's work has long been embedded in Japanese literary culture. The essays in this collection reflect that history and influence, underscoring the richness of Johnson scholarship in Japan while exploring broader conditions in Japanese academia today. In examining Johnson's works such as *The Rambler* 1750-52, *Rasselas* 1759, *Lives of the Most Eminent English Poets* 1779-81, and *Journey to the Western Islands of Scotland* 1775, the contributors—all members of the half-century-old Johnson Society of Japan—also engage with the work of other important English writers, namely Shakespeare, Mary Shelley, Jane Austen, and Matthew Arnold, and later Japanese writers including Natsume Soseki 1867-1916. If the state of Johnson studies in Japan is unfamiliar to Western academics, this volume offers a unique opportunity to appreciate Johnson's centrality to Japanese education and intellectual life and to reassess how he may be perceived in a different cultural context. Published by Bucknell University Press; distributed worldwide by Rutgers University Press. *Fairy-Tale Films Beyond Disney* Jack Zipes, Pauline Greenhill, Kendra Magnus-Johnston, 2015-09-16 The fairy tale has become one of the dominant cultural forms and genres internationally, thanks in large part to its many manifestations on screen. Yet the history and relevance of the fairy tale film have largely been neglected. In this follow-up to Jack Zipes's award-winning book *The Enchanted Screen* 2011, *Fairy Tale Films Beyond Disney* offers the first book-length multinational, multidisciplinary exploration of fairy tale cinema. Bringing together twenty-three of the world's top fairy tale scholars to analyze the enormous scope of these films, Zipes and colleagues Pauline Greenhill and Kendra Magnus-Johnston present perspectives on film from every part of the globe, from Hayao Miyazaki's *Spirited Away* to Jan van Kester's *Alice* to the transnational adaptations of *1001 Nights* and Hans Christian Andersen. Contributors explore filmic traditions in each area, not only from their different cultural backgrounds but from a range of academic fields, including criminal justice studies, education, film studies, folkloristics, gender studies, and literary studies. *Fairy Tale Films Beyond Disney* offers readers an opportunity to explore the intersections, disparities, historical and national contexts of its subject and to further appreciate what has become an undeniably global phenomenon. Beyond the Culture Tours Gladys Cruz, Sarah Jordan, Jos Meléndez, Steven Ostrowski, 2013-10-11 In calling this book *Beyond the Culture Tours*, the authors bring the reader's attention to a set of issues in the teaching of literature and culture. The Culture Tour is an old concept in the West, dating back to the seventeenth century. The educated young man, it was an exclusively male project at first, was expected to round off his education with the

Grand Tour This meant a visit to the major sites on the European continent particularly Greece and Rome and occasionally to the Holy Land The object was to have a first hand view of these monuments and looking at them alone brought people the name of being cultured or well traveled As the idea spread in the early part of the twentieth century it allowed for the vicarious tour rather than the actual one Students were asked to look at collections of art or reproductions of art work listen to concerts or later recordings and to read certain classical works drawn from what has come to be known as the canon The point of this form of education was that exposure to these works in itself formed a version of the Grand Tour The basic idea behind the tour approach is that exposure to a culture in books is like travel to an ethnic theme park This volume looks beyond the tour approach and reports on the results of a four year project undertaken by a research team from the National Center for Research in the Learning and Teaching of Literature Their intent was to study the teaching and impact of multicultural literature The team examined how students approached texts that either came from their culture or from another and how teachers perceived the students the literature and their role This volume details various aspects of their findings

Rainbows of Malay Literature and Beyond: Festschrift in Honour of Professor Md. Salleh Yaapar (Penerbit USM) Lalita Sinha, 2014-11-25 This Festschrift engages in the richness and variety of literatures and cultures of the Malay world and goes beyond its shores to encounters between different cultures and traditions and to the relationship between literary and other disciplines Rainbows of Malay Literature and Beyond communicates the absorbing richness of inter disciplinary study and knowledge

Research Beyond Borders Lise-Hélène Smith, Anjana Narayan, 2011-12-28 This collection draws insights from an interdisciplinary group of scholars who specialize in diverse methods ranging from ethnography archival research and oral histories to quantitative data analysis and experiments used in the social sciences and humanities to reflect on the empirical methodological and practical implications of conducting research beyond one s national borders The goal of this book is to help researchers contemplate existing orientations that dominate current research processes and consider the need for transnational multidisciplinary practices that remain aware of the inequalities which continually inform research practices With this focus this collection is also a resourceful initiative that seeks to share experiences as well as extract key ideas and approaches likely to overlap or resonate in different disciplines

Beyond the Book Bridget Carrington, 2014-01-06 November 2012 saw the joint annual conference of the British branch of the International Board on Books for Young People IBBY UK and the MA course at the National Centre for Research in Children s Literature NCRCL at Roehampton University The theme of the conference was the investigation of aspects of literature for children that were Beyond the Book From woodcuts to e books children s literature has always lent itself to reinterpretation and expansion In its early days this was achieved through different forms of retelling through illustration and interactive illustration pop ups and flaps and then through music film television and stage adaptation The contributors to the 2012 conference explored the variety of means by which we transform literature intended for children and celebrated the vibrant

world of creativity that has sought and continues to seek different ways in which to engage young readers Bridget Carrington and Jennifer Harding have previously collaborated as the editors of earlier IBBY UK NCRCL MA conference proceedings *Going Graphic Comics and Graphic Novels for Young People Conflicts and Controversies Challenging Children's Literature and It Doesn't Have to Rhyme Children and Poetry* Pied Piper Publishing 2010 2011 2012 *Beyond Scotland*, 2021-09-20 Scottish creative writing in the twentieth century was notable for its willingness to explore and absorb the literatures of other times and other nations From the engagement with Russian literature of Hugh MacDiarmid and Edwin Morgan through to the interplay with continental literary theory Scottish writers have proved active participants in a diverse international literary practice Scottish criticism has arguably often been slow in appreciating the full extent of this exchange Preoccupied with marking out its territory with identifying an independent and distinctive tradition Scottish criticism has occasionally blinded itself to the diversity and range of its writers In stressing the importance of cultural independence it has tended to overlook the many virtues of interdependence The essays in this book aim to offer a corrective view They celebrate the achievement of Scottish writing in the twentieth century by offering a wider basis for appreciation than a narrow idea of Scottishness Each essay explores an aspect of Scottish writing in an individual foreign perspective together they provide an enriching account of a national literary practice that has deep and often surprisingly complex roots in international culture

Twentieth-Century Chaucer Criticism Kathy Cawsey, 2016-02-17 Shifting ideas about Geoffrey Chaucer's audience have produced radically different readings of Chaucer's work over the course of the past century Kathy Cawsey in her book on the changing relationship among Chaucer critics and theories of audience draws on Michel Foucault's concept of the author function to propose the idea of an audience function which shows the ways critics' concepts of audience affect and condition their criticism Focusing on six trend-setting Chaucerian scholars Cawsey identifies the assumptions about Chaucer's audience underpinning each critic's work arguing these ideas best explain the diversity of interpretation in Chaucer criticism Further Cawsey suggests few studies of Chaucer's own understanding of audience have been done in part because Chaucer criticism has been conditioned by scholars' latent suppositions about Chaucer's own audience In making sense of the confusing and conflicting mass of modern Chaucer criticism Cawsey also provides insights into the development of twentieth-century literary criticism and theory *English and American Studies* Martin Middeke, 2016-08-17 Das ganze Studium der Anglistik und Amerikanistik in einem Band Ob englische und amerikanische Literatur Sprachwissenschaft Literatur und Kulturtheorie Fachdidaktik oder die Analyse von Filmen und kulturellen Phänomenen führende Fachvertreter geben in englischer Sprache einen ausführlichen Überblick über alle relevanten Teildisziplinen BA und MA Studierende finden hier die wichtigsten Grundlagen und Wissensgebiete auf einen Blick Durch die übersichtliche Darstellung und das Sachregister optimal für das systematische Lernen und zum Nachschlagen geeignet **Teaching Shakespeare Beyond the Centre** K. Flaherty, P. Gay, L. Semler, 2013-03-05 Showcasing a wide array of recent innovative and original research into Shakespeare

and learning in Australasia and beyond this volume argues the value of the local and provides transferable and adaptable models of educational theory and practice

Literary Theory and Criticism Patricia Waugh, 2006 This volume offers a comprehensive account of modern literary criticism presenting the field as part of an ongoing historical and intellectual tradition Featuring thirty nine specially commissioned chapters from an international team of esteemed contributors it fills a large gap in the market by combining the accessibility of single authored selections with a wide range of critical perspectives The volume is divided into four parts Part One covers the key philosophical and aesthetic origins of literary theory while Part Two discusses the foundational movements and thinkers in the first half of the twentieth century Part Three offers introductory overviews of the most important movements and thinkers in modern literary theory and Part Four looks at emergent trends and future directions

Digital Scholarly Editions Beyond Text Tessa Gengnagel, 2024-02-07 Scholarly editions contextualize our cultural heritage Traditionally methodologies from the field of scholarly editing are applied to works of literature e g in order to trace their genesis or present their varied history of transmission What do we make of the variance in other types of cultural heritage How can we describe record and reproduce it systematically From medieval to modern times from image to audiovisual media the book traces discourses across different disciplines in order to develop a conceptual model for scholarly editions on a broader scale By doing so it also delves into the theory and philosophy of the digital humanities as such

Beyond Borders Paloma Fresno-Calleja, Janet M. Wilson, 2022-09-29 This book examines the global local intersections and tensions at play in the literary production from Aotearoa New Zealand through its engagement in the global marketplace Combining postcolonial and world literature methodologies contributors chart the global relocation of national culture from the nineteenth century to the present exploring what New Zealand literature means in different creative teaching and publishing contexts They identify ongoing global entanglements with local identities and tensions between national and post national literary discourses considering Aotearoa New Zealand s history as a white settler colony and its status as a bicultural nation and a key player in the Asia Pacific region active on the global stage Topics and authors include Stefanie Herades on colonial New Zealand literature and the global marketplace Claudia Marquis on David Hare s Aotearoa series as exotic reading for adolescents Paloma Fresno Calleja on the exoticizing landscape novels of Sarah Lark James Wenley on Indian Ink Theatre company as hybrid export Janet M Wilson on the globalization of the New Zealand short story Chris Prentice on pedagogic articulations of New Zealand literature Leonie John on the challenges of teaching M ori literature in Germany Dieter Riemenschneider on New Zealand literature at the Frankfurt Book Fair Paula Morris on Commonwealth writers and the Booker Prize Selina Tusitala Marsh on contemporary Pasifika poetry and Chris Miller on the afterlife of Allen Curnow The chapters in this book were originally published as a special issue of the Journal of Postcolonial Writing

Peninsular Muse Mohammad A. Quayum, 2007 This book brings together for the first time interviews with sixteen major writers in the English language from Malaysia and Singapore Three generations of writers representing

various literary genres and ethnic groups come together to make this book fully illustrative of the literature of the two countries In their respective interviews the writers discuss significant issues pertaining to their own lives careers and works They also explain what they think of the present state of their own societies literatures and cultures and where they stand vis vis the questions of religion science technology censorship gender ethnicity multiculturalism nationalism and globalisation Moreover the writers comment on the challenges they encounter writing in an alien language as well as in an environment of growing materialism and technocracy and finally they discuss the future of their own writing and writing in English in Malaysia and Singapore more generally

The New York Public Intellectuals and Beyond Ethan Goffman, Daniel Morris, 2009 Here a variety of distinguished scholars revisit and rethink the legacy of the New York intellectuals showing how this small predominantly Jewish group moved from communist and socialist roots to become a primary voice of liberal humanism and in the case of a few to launch a new conservative movement

Ireland Beyond Boundaries Liam Harte, Yvonne Whelan, 2006-11-20 This is an authoritative up to date account of the development of Irish Studies over the past two decades The authors examine the key debates that have underpinned recent scholarship and analyse critical concerns that have shaped the subject's remarkable growth They trace the institutional fortunes of Irish Studies in Ireland the USA Canada Australia and Britain and features in depth critical accounts of specific trends and themes within Irish historiography literary criticism religion migration music cultural geography sport and media culture

And English Studies Beyond Center Literature: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. And English Studies Beyond Center Literature : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Pappen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
