The society has become more open and acceptive to the topic people started to reflect on the traditional thinking on human relationship voices and discussions regarding homosexuality are getting common The word homosexuality which merely means same sex relationship in the past has evolved to LGBTQ which covers Lesbians Gays Bisexuals Transgenders and Queers nowadays Although there are more discussions do we truly understand LGBTQ How should we discern the right and wrong From Christian perspective how should see it and live with its community Does the Bible provide us the answer In the past when religions are confronted by issues of homosexuality and LGBTQ they would quickly jump into a conclusion such as sin against the nature promiscuity unclean etc On one hand religious communities subconsciously hold different attitudes and mindsets toward LGBTQ community on the other hand media coverage and celebrity influence exalt the revolution and advocacy of LGBTQ so that people or religious bodies who hold different point of views may be labeled as conservative old fashioned traditional conventional etc Over time a gap has formed between LGBTQ and religious communities Nevertheless before we decide between the right and wrong or give people a label of unrighteousness could we jump out of the endless guarrel opposition or criticism Could we adjust our perspective to understand to observe and to contemplate the matter so that we can better
