of the Church of Ireland Presbyterian Worship in America Julius Melton, 2001-02-13 Presbyterian Worship in America is the first fully documented historical survey of its theme in the United States Its value is to be found in a combination of broad painting of the major trends with delightfully detailed vignettes of city and country congregations at worship Horton Davies Melton exposes the tension between freedom and order which has always existed among American Presbyterians This concise well researched and well written book will be valuable for students of American religious history as well as for pastors and laymen responsible for guiding the worship of their congregations James H Smylie Dr Melton surveys discussions of worship in the church press and in books arranged loosely according to New School evangelism and Old School formalism Particularly valuable are the sketches of such colorful individuals as Charles Baird Charles Shields Levi Ward Benjamin Comegys and Henry van Dyke James H Nichols *The Divine Drama in History and Liturgy* John E. Booty, Dikran Hadidian, 1984-01-01 Pittsburgh Theological Monograph New Series General Editor Dikran Y Hadidian The Confessional Mosaic Milton J. Coalter, John M. Mulder, Louis Weeks, 1990-01-01 Focusing on the expression of faith among American Presbyterians this book surveys important developments in Presbyterian theology and worship It provides an understanding of the changes in mainstream Protestantism and American Christianity and analyzes preaching worship hymnody devotional materials and social justice pronouncements The authors include both the achievements and the ambiguous legacy of this developmental stage in American Presbyterian history Through its examination of American Presbyterianism the Presbyterian Presence series illuminates patterns of change in mainstream Protestantism and American religious and cultural life in the twentieth century *The Oxford Handbook of Presbyterianism* Gary Scott Smith, Paul Charles Kemeny, 2019 The Oxford Handbook of Presbyterianism provides a state of the art reference tool written by leading scholars in the fields of religious studies and history Gift and Promise Peter Schmiechen, 2016-12-09 What would happen if the liturgy for the Lord's Supper started with the images in the New Testament rather than the divisions of our past It would be like going through an open door into a new world There we would find a new Passover celebration a new covenant and remembrance and proclamation of Jesus death and resurrection all in the context of the kingdom of God It would be an evangelical Lord's Supper This is a high risk operation given the reliance by many on transactional sacrifice and the tendency to reduce the Supper to a sacrament of penance for individuals Ideas rejected by Luther and Calvin now reappear even among Protestants The goal cannot be reached by subtracting a few things and adding references to eschatology and joy The good news is that many churches have already taken steps to reform their liturgies To support that process here is a clear and consistent evangelical perspective based on the theology and biblical considerations that have formed our faith and practice Christian Worship in Reformed Churches Past and Present Lukas Vischer, 2003 Worship renewal is now on the agenda of many Reformed churches as the need for adaptation and new approaches is acutely felt all over How can the church faithfully worship God in the midst of rapidly changing situations How can it constructively relate to widely differing

cultural contexts What is its place in the wider ecumenical scene In preparing a sweeping survey of Reformed worship across time and place this volume provides some help to those engaged with vital questions like these Written by theologians and liturgical scholars from a wide range of churches and countries these chapters explore the history of Reformed worship on every continent from the sixteenth century to the present Surveying the most significant developments in the growth of Reformed worship the book identifies the major ingredients that make the Reformed worship tradition distinctive and highlights those aspects of Reformed worship that are particularly relevant to present efforts at renewal Indeed an important component of this book is the inclusion of A Common Reflection on Christian Worship in Reformed Churches Today the result of a major consultation in January 2001 at the International Reformed Center John Knox Revealing the rich variety of forms and diversity of perspectives that have made and do make up Reformed worship worldwide this volume will be a valuable resource for church and worship leaders both in and outside the Reformed family Contributors Hor ace T Allen Jr Emily R Brink Livingstone Buama Coenraad Burger Bruno B rki Gerson Correia de Lacerda Alan D Falconer Kasonga wa Kasonga Baranite T Kirata Elsie Anne McKee Seong Won Park Ester Pudjo Widiasih Alan P F Sell Joseph D Small Bryan D Spinks Leonora Tubbs Tisdale Lukas Vischer Isaiah Wahome Muita Geraldine Wheeler Marsha M Wilfong John D Witvliet
