How to Become a Successful Christian Leader Robert H. Pierson, 1978-01-01 **Developing Christian Leadership**

Trevor R. Summerlin, 2023-02-14 This book draws on Trevor's experience in both Christian and secular organisations to look at different patterns for leadership and he explains the necessity for every leader to model a clear strategy for their work. He outlines 8 different philosophical approaches, he identifies 14 potentially destructive attitudes that should be avoided, he highlights 10 major qualities by which every leader should seek to measure themselves and he includes a massive resource in his bibliography. The book is essential reading for every person in any leadership role, whether in business, industry, education or commerce, for every church leader, for every leader in a charity or voluntary organisation, for every person contemplating a position of leadership and for every person who is following someone else's leading. Trevor explains that every organisation would benefit from appointing leaders who accept and understand how to apply these key principles of Christian Leadership.

Christian Ministries And Basic Leadership Dipo Toby Alakija, 2015-10-17 As it is common to say that the hood does not make a monk, the dignified positions and bogus titles of many Christian leaders in modern days do not really make them Gospel Ministers. This course book, a compilation of five resource materials on Missions And Outreach Ministries, Christian Communication Arts, Christian Leadership, Christian Education Methodology and Ministries Of Improvisations, aims at making every matured Christian an effective minister and leader at their respective homes, communities and nations. It teaches various ways Christians can communicate the word of God, meeting up to their responsibilities as ministers and leaders that reconcile people to God, edifying the Body Of Christ and reaching out to souls at the same time. All of the resource materials are in use in Bible Schools like College Of Christian Education And Missions in Churches and other ministries to raise Christian workers, Evangelists, Missionaries and other Ministers that serve at various levels and leadership capacities.

Successful Christianity And Basic Ministries

Dipo Toby Alakija,2016-04-12 The first question is how Christianity is practiced even in a hostile environment Next to that is the question about the potentials of Christians in spite of their apparent limitations The other issues are connected to the successes deliverance callings basic ministries of all Christians and evangelism Various schools of thoughts have attempted these questions but many answers only portray Christianity as a form of religion instead of a way of life as specified by God Some answers give room for compromise hypocrisies dogmas and denominational doctrines The misconceptions about these areas of Christianity have brought about worldliness instead of righteousness and false achievements instead of fulfillment This book which contains six different subjects had been used to hold seminars at various levels train ministers and Christian workers in Bible Schools and to equip the Church It explains in simple terms the seemingly complex issues on practice of Christianity Potentials Deliverance God s Kind Of Success Evangelism and Basic Ministries of a Christian with Biblical principles life transforming stories and illustrations

The Way the Church Ought to Be Robert Allan,2002-05

The

Secret Success of Marriage BRANFORD B YEBOAH,2015-05-18 Prayer has always been a vital part of Christian life By studying the prayers of men of God in the Scriptures you will begin to understand the concept of prayer The men whose prayers moved God to act were ordinary men like us Nevertheless they knew the power of prayer and its benefits The prayer these men prayed was not ordinary prayer but intense prayer People who pray with God have a relationship with Him If you carefully study Scripture you will notice that the way the prophets prayed reveals how married couples should pray to move God to intervene in their failing marriages Their prayer demonstrates the principles that can be gleaned and clearly identified and which if applied to marital life can work wonders When studied the prayers of these great men who walked with God provide a wealth of insight The New Testament offers us prayer to which we even better relate The Gospels centre on key events in the life of Christ including examples of prayer These examples do not only give us insight into the heart of Christ but also give us key instructions on how to pray

The Weight Of Death Dipo Toby Alakija , PLAY ONE HORROR IN THE FAMILY Talimi probably did not envisage his death when he was trying to compel his son Damola to succeed him in the occult Brotherhood Other members of the secret cult were aware of the battle between them So when Talimi died his family especially Damola who was a diehard Christian began to fall prey to the cult Using all their powers and the spirit that posed as Talimi s ghost the cult waged war against the family tormenting and making them to beat loggerheads PLAY TWO BLOODSHED IN CAMPUS Richard s mother warned him tearfully against joining the bad wagon on campus He soon encountered a member of The Black Skulls a deadly secret cult Before he knew what he was up against he had been arranged to be initiated While resisting the initiation he got the Christian Fellowship involved The Christians dragged the Students Union Government S U G into the conflict With the involvement of the S U G another cult felt obliged to team up against The Black Skulls and BLOODSHED became the order of the day PLAY THREE RITUAL KIDS KIDNAPPERS Victor and the rest of the members of the School Bible Club were taught that there are a lot of evil people in this world but he did not understand why God allowed him to be among the children that were taken away from their parents He soon understood that he was to be used by God to rescue other children who did not know that everyone that truly believes in Jesus has the power to overcome evil PLAY FOUR THE WEIGHT OF DEATH Awoseun would not have known the real source of problems of mankind if his father had not given him the power to see demons tormenting the people in different ways What he was yet to know however was the power of light over darkness
