**Manual of Bible Doctrines** Daniel Kauffman, 2017      Manual of Bible Doctrines (Classic Reprint) Daniel Kauffman, 2015-07-07 Excerpt from Manual of Bible Doctrines In sending forth this little volume for the instruction and edification of whoever may choose to read it it is hoped that it will be received in the same spirit in which it is given When I started out in the Christian service I tried to secure a book of this kind and found after diligent research that it was not to be had Since then I have not ceased to recognize the need of a work setting forth the doctrines taught in the Book of all books with which Christians are most vitally concerned It is with the hope of partially supplying this want that this little volume appears Many readers will look for Bible subjects in which they may be very much interested and fail to find them To such I would say that we have presented those Bible doctrines only which were considered of greatest importance dwelling more particularly upon the doctrines peculiar to non resistant Christians I should never have undertaken this work had I not felt that the doctrines herein presented are founded upon the imperishable Rock and should have the widest possible circulation What is good for ourselves is good for others About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **Manual of Bible Doctrines, Designed**

Newman, 2010-04-30 The purpose of these foundation to Christian doctrines is to introduce new believers to the evangelical Christian Faith The studies are interdenominational in nature and brief in content The theology is conservative and evangelical reflecting those core teachings held dear by the Bible believing church through the centuries Denominational distinctives have been avoided **John Howard Yoder** Mark Nation, 2006-01-05 John Howard Yoder 1927 1997 was a leading Christian witness against violence articulating a theology from his own tradition so powerful that it compelled people from many other traditions to take notice The war on terror the temptations of nationalism and the painful divisions between those who call themselves followers of Jesus signal our need to hear Yoder's voice again at the beginning of the twenty first century In his book Mark Thiessen Nation provides an insider's introduction to Yoder demonstrating how a committed Mennonite could also be profoundly evangelical in his witness and broadly catholic in his Christian sensibilities Taking us into Yoder's life and writings Nation explores Yoder's context his keen interest in the Anabaptist tradition his sustained

engagement with other Christians and other faiths and his claim that pacifism is inherent to Jesus message     The Wisdom of the Cross Stanley Hauerwas,Chris K. Huebner,Harry J. Huebner,Mark Thiessen Nation,2005-05-26 Few recent Christian thinkers have been as widely influential as John Howard Yoder 1927 1997 Encompassing a teaching career of more than thirty years and such landmark publications as *The Politics of Jesus* Yoder s life and thought have profoundly impacted students and colleagues from a broad range of disciplines In the words of Stanley Hauerwas Yoder is probably the major theologian ethicists of this half century in America and certainly the leading Mennonite theologian of the twentieth century *The Wisdom of the Cross* is the only book to provide valuable secondary essays engaging Yoder s central theological concerns together with a biographical reflection on his life and legacy Written by scholars both from within and outside of Yoder s Mennonite community these essays develop the most significant aspects of Yoder s thought from his powerful defense of Christian pacifism to his seminal analysis of the politics of Jesus to his challenging contributions to Christian social ethics ecclesiology and theological method The book also includes a previously unpublished essay on moral absolutes by Yoder himself A fitting tribute to Yoder s distinguished career this volume will be useful to readers new to Yoder s work and to those wishing to probe more deeply into the implications of his thought     A History of Christian Doctrines Karl Rudolf Hagenbach,1881     The Christian's Instructor Josiah Hopkins,1853     No Strings Attached Rachel Nafziger Hartzler,2013-04-30 *No Strings Attached* is the story of a Mennonite congregation in Indiana that existed for eighty six years The congregation began during the social and religious turmoil of the 1920s when some Mennonites in North America held to rigid doctrines and ethics implemented by central authority and others operated with a congregational polity and became more assimilated into secular culture The struggle between these two different understandings of faithfulness was most passionately played out in northern Indiana Placing the narrative of this congregation within the context of 500 years of Mennonite history illustrates the grace and the tension that has both beset and empowered a unique group of people who began as radical reformers Although *no strings attached* refers to the women s headwear during the 1920s which had no strings it could also be the story of the pastor eating lunch on the peak of the steep roof of the church building Reflecting on stories of these Mennonite people is an invitation to move into the future with courageous hope Believing and behaving differently has not prevented Middlebury Mennonites from treating each other respectfully living in a community of love joy and peace and offering God s healing and hope to each other and to the world     The Activist Impulse Jared S. Burkholder,David Cramer,2012-04-04 Anabaptists have often felt suspicious of American evangelicalism and in turn evangelicals have found various reasons to dismiss the Anabaptist witness Yet at various points in the past as well as the present evangelicals and Anabaptists have found ample reason for conversation and much to appreciate about each other *The Activist Impulse* represents the first book length examination of the complex relationship between evangelicalism and Anabaptism in the past thirty years It brings established experts and new voices together in an effort to explore the historical

and theological intersection of these two rich traditions Each of the essays provides fresh insight on at least one characteristic that both evangelicals and Anabaptists share an impulse to engage society through the pursuit of active Christian witness     **Bible Doctrines in Three Divisions** John Ezra Coffman, 1936
