A Woman Speaks The Lectures Seminars And Interviews Of Anais Nin

Helen Tookey

A Woman Speaks The Lectures Seminars And Interviews Of Anaïs Nin:

A Woman Speaks Anaïs Nin, 1982 A Woman Speaks Anaïs Nin, 1975 In this book Anaïs Nin speaks with warmth and urgency on those themes which have always been closest to her relationships creativity the struggle for wholeness the unveiling of woman the artist as magician women reconstructing the world moving from the dream outward and experiencing our lives to the fullest possible extent A woman speaks Evelyn J. Hinz, 1992 Verzamelend lezingen interviews en bijdragen aan workshops van Anaïs Nin “A” *Woman Speaks* Anaïs Nin, 1978 **Women, Writing, and Fetishism, 1890-1950**

Clare L. Taylor, 2003 Clare L. Taylor investigates the problematic question of female fetishism within modernist women's writing 1890-1950 Drawing on gender and psychoanalytic theory she re-examines the works of Sarah Grand Radclyffe Hall H. D. Djuna Barnes and Anaïs Nin in the context of clinical discourses of sexology and psychoanalysis to present an alternative theory of female fetishism challenging the perspective that denies the existence of the perversion in women *The Making of a Counter-culture Icon* Maria R. Bloshteyn, 2007-01-01 At first glance the works of Fedor Dostoevsky 1821-1881 do not appear to have much in common with those of the controversial American writer Henry Miller 1891-1980 However the influencer of Dostoevsky on Miller was in fact enormous and shaped the latter's view of the world of literature and of his own writing *The Making of a Counter Culture Icon* examines the obsession that Miller and his contemporaries the so-called Villa Seurat circle had with Dostoevsky and the impact that this obsession had on their own work Renowned for his psychological treatment of characters Dostoevsky became a model for Miller Lawrence Durrell and Anaïs Nin interested as they were in developing a new kind of writing that would move beyond staid literary conventions Maria Bloshteyn argues that as Dostoevsky was concerned with representing the individual's perception of the self and the world he became an archetype for Miller and the other members of the Villa Seurat circle writers who were interested in precise psychological characterizations as well as intriguing narratives Tracing the cross-cultural appropriation and misinterpretation of Dostoevsky's methods and philosophies by Miller Durrell and Nin *The Making of a Counter Culture Icon* gives invaluable insight into the early careers of the Villa Seurat writers and testifies to Dostoevsky's influence on twentieth-century literature

A Re-mapping of Womanhood and Creativity Clara Oropeza, PhD, 2025-04-24 *A Re-mapping of Womanhood and Creativity* investigates the diverse ways in which women set out to find a matrilineal line as a wellspring for creative transformation and through a lens of analytical psychology how we read women's literary history and narratives about womanhood While following the feminine influences that forged her own search and nature as a writer this book re-maps the life and work of Clara Oropeza's literary mother Anaïs Nin focusing on Nin's formative affinity with her mother alongside her own personal mother In this mother map Oropeza looks closely at the relationship between mothers and daughters the formation of the maternal wound and ways to move towards healing Oropeza examines the pivotal role that a reconnection to a maternal line has in shaping a woman's creative life This book argues that synthesizing our intellectual spiritual and ancestral ways of

knowing away from the harmful narratives that shape our lives is essential today With scholarly and personal insight Oropeza sheds new light on how women come to shores of understanding themselves beyond unresolved familial and historical tensions Combining literature myth and psychology this book will be an illuminating read for students scholars and professionals in the areas of literature psychoanalysis and mythology This book will be crucial reading for women in particular women of color interested in the process of individuation creativity and womanhood Who's Who of Canadian Women, 1999-2000 Gillian Holmes, 1999-06-01 Who's Who of Canadian Women is a guide to the most powerful and innovative women in Canada Celebrating the talents and achievement of over 3 700 women Who's Who of Canadian Women includes women from all over Canada in all fields including agriculture academia law business politics journalism religion sports and entertainment Each biography includes such information as personal data education career history current employment affiliations interests and honours A special comment section reveals personal thoughts goals and achievements of the profiled individual Entries are indexed by employment of affiliation for easy reference Published every two years Who's Who of Canadian Women selects its biographees on merit alone This collection is an essential resource for all those interested in the achievements of Canadian women The Diary of Elizabeth Lee Colin Pooley, Siân Pooley, Richard Lawton, 2019-02-15 Personal diaries provide rare glimpses into those aspects of the past that are usually hidden from view Elizabeth Lee grew up on Merseyside in the late nineteenth century She began her diary at the age of 16 in 1884 and it provides an unbroken record of her life up to the age of 25 in 1892 Elizabeth's father was a draper and outfitter with shops in Birkenhead and throughout the period of the diary Elizabeth lived at home with her family in Prenton However she travelled widely on both sides of the Mersey and her diary provides an unusually revealing picture of middle class life that begins to challenge conventional views of the position of young women in Victorian society The book includes a detailed introduction to and analysis of the diary together with a glossary relating to key people in the diary and maps of the localities in which Elizabeth lived her everyday life There have been a number of diaries published relating to ordinary people but most accounts were written retrospectively as life histories by people who eventually gained some degree of fame or prominence in society This very rare first hand account provides a unique insight into adolescent life in Victorian Britain *Women of the Left Bank* Shari Benstock, 2010-06-28 A valuable and intriguing study of the lives and works of literary women who shaped expatriate Paris NPR Focusing on some two dozen American English and French women whose talent shaped the Paris expatriate experience in the early twentieth century from Anais Nin to Alice B Toklas and beyond this book shines new light on how gender was experienced and expressed during an important moment in modern literary history Shari Benstock weaves together with great skill the histories of an extraordinary group of talented women publishers like Sylvia Beach Caresse Crosby Margaret Anderson and Jane Heap novelists Jean Rhys Gertrude Stein and Edith Wharton She examines in some depth the writing produced by poets journalists and novelists thus combining literary criticism and social history in a

seamless running narrative NPR Through their writings including unpublished and newly available documentary sources of the period Djuna Barnes Nancy Cunard Jean Rhys Gertrude Stein Edith Wharton and others are revealed as significant in the development of modernism imagism and other avant garde movements in which they were overshadowed or ignored by their male counterparts Benstock tracks the sexually liberated lifestyles and the creative originality of these women with a wealth of documentation Publishers Weekly An inspiration setting a standard for literary history and feminist criticism that will be difficult to surpass American Literature Thy Truth Then Be Thy Dowry Stéphanie Durrans,2014-03-26 This collection of essays provides new insights into the theme of inheritance in American women s writing ranging from Emily Dickinson s appropriation of Shakespeare s legacy to Meredith Sue Willis s exploration of the tension between material inheritance and spiritual heritage in the Appalachian context Using diverse critical and theoretical models the twelve contributors examine women s problematic relationship to inheritance in a variety of historical geographical and personal contexts bringing to the fore a number of strategies of resistance and empowerment that have helped women cope with the burden or the lack of any inheritance through the centuries Grouped into four sections these essays successively investigate women s attempts to grapple with the curse of personal or national inheritance the troubled relationship with the father figure the classic trope of the haunted Gothic house and the plight of more contemporary women writers who have been relegated to the dead zone of American literary inheritance Of crucial importance for all of these writers is the tension between the home and the land as well as a questioning of intertextuality as the starting point for a reconfiguration of the self in its relationship with the past

Using Textile Arts and Handcrafts in Therapy with Women Ann Futterman Collier,2012 Original research and examples from artists illustrate how different textile based art approaches can provide therapeutic outlets for women with a complete variety of life experiences The psychology of this therapeutic approach is explained as well as explanations of specific techniques and suggestions for practise with a wide range of clients *Encyclopedia of Feminist Literature* Mary Ellen Snodgrass,2015-04-22 Presents articles on feminist literature including significant authors themes and history

Anais Nin: The Last Days, a Memoir Barbara Kraft,2011-11-15 I have chosen to reveal the intimacies of Anais Nin s last days as I witnessed them so that the story of her death is not lost Everything comes back in the mind s eye Everything comes back in the crucible of the heart She remains in my psyche all these years later as the most refined and rarified human being I have ever encountered Thus begins Barbara Kraft s memoir Anais Nin The Last Days With her sometimes loving and sometimes raw prose Kraft has done what no biographer no scholar no film could do capture the humanity mortality and essence of one of the twentieth century s most celebrated and yet mysterious literary figures Anais Nin noted for her diaries and erotica was at the height of her fame when she took on Barbara Kraft as a writing student Quickly the two became intimate friends at the moment when both would encounter tragedy Kraft s impending cataclysmic divorce and Nin s terminal cancer The circumstances created an environment of interdependency Nin despite her failing health supported Kraft s

writing and life decisions and Kraft became a devoted and untiring part of Nin's support system during her last two years of life. And as Kraft observes, illness is the great leveler from which none of us is immune. It flushes out all the old buried truths and puts us in touch with the essential meaning of things. There is no time, no energy for masks, veils, labyrinths, interior cities, or multiple hearts. Death hovered over her, the one reality that Anaïs could not transcend or transmute or transform or levitate with the magic of words. It was a reality she met with a dignity that tore at the heart of all of us who knew her and were close to her. Because of the overwhelming reality of cancer, Anaïs Nin was stripped down to her bare essence, which Kraft captures expertly. She poignantly records not only Nin's stubborn grip on life but also the heroic efforts that Rupert Pole, Nin's west coast lover, made to shield her from the inevitable pain, agony, and humiliation associated with the disease. It is a monumental tribute to not only those fighting for their lives but also the forgotten ones, the caregivers. The very personal events in this book can be appreciated by anyone who has gone through terminal disease or knows someone who has. So like Nin herself, the raw reality of Anaïs Nin: The Last Days becomes symbolic, mythical, and universally inspirational. **Anaïs Nin** Benjamin Franklin, Duane Schneider, 1979 *Anaïs Nin* Maryanne Raphael, 2003-07 For readers unfamiliar with her subject, Maryanne Raphael's biography *Anaïs Nin: The Voyage Within* is a sensitive, uncomplicated introduction to the life and work of one of the 20th century's most quintessentially feminine artists. For Nin devotees, the biography is a refresher course, taking us back through the vast material of the diaries and novels that enchanted and inspired our love. Raphael accepts Nin entirely on her own terms. Thanks to a warm personal relationship with Rupert Pole, Nin's surviving husband and executor of her estate, Raphael opens up some of the mystery that has hitherto surrounded Nin's relationship with her husband, an aspect of Nin's life that was never explicitly described in the original diaries. The result is a multi-dimensional portrait in which Nin's two selves, artist and woman, are fully integrated. Nin, the woman, consciously chooses to realize female desire, give form to female imagination, always loving, as she remains completely focused on birthing a new, unabashedly feminine literature. Thank you, Maryanne Dolores Brandon, author of *IN THE SHADOW OF MADNESS: A Memoir*. **Anaïs Through the Looking Glass and Other Stories** Colette Standish, 2018-02-25 An interpretation of the life and works of the diarist and erotic writer Anaïs Nin seen through various mediums, including mirrors, glass, and light box installations. **Authors on Writing** B. Tomlinson, 2005-03-01 Drawing on some 3,000 published interviews with contemporary authors, *Authors on Writing: Metaphors and Intellectual Labor* reveals new ways of conceiving of writing as intellectual labor. Authors' metaphorical stories about composing highlight not interior worlds but socially situated cultures of composing and apparatuses of authorship. Through an original method of interpreting metaphorical stories, Tomlinson argues that writing is both an individual activity and a collective practice, a solitary activity that depends upon rich, sustained, and complex social networks, institutions, and beliefs. This new book draws upon interviews with writers including Seamus Heaney, Roald Dahl, Samuel Beckett, Bret Easton Ellis, John Fowles, Allen Ginsburg, Alice Walker, and Gore Vidal. **Anaïs Nin, Fictionality and**

Femininity Helen Tookey, 2003 Helen Tookey examines the work of Anaïs Nin 1903-77 and the different versions of Nin herself as woman writer and iconic figure through the lens of cultural and historical contexts She focuses particularly on questions of identity and femininity exploring how the self for Nin is constructed through narratives and performances of various kinds and shedding light on key issues and conflicts within feminist thinking since the 1970s particularly questions of identity femininity and psychoanalysis

Writing an Icon Anita Jarczok, 2017-02-15 Anaïs Nin the diarist novelist and provocateur occupied a singular space in twentieth century culture not only as a literary figure and voice of female sexual liberation but as a celebrity and symbol of shifting social mores in postwar America Before Madonna and her many imitators there was Nin yet until now there has been no major study of Nin as a celebrity figure In *Writing an Icon* Anita Jarczok reveals how Nin carefully crafted her literary and public personae which she rewrote and restyled to suit her needs and desires When the first volume of her diary was published in 1966 Nin became a celebrity notorious beyond the artistic and literary circles in which she previously had operated Jarczok examines the ways in which the American media appropriated and deconstructed Nin and analyzes the influence of Nin's guiding hand in their construction of her public persona The key to understanding Nin's celebrity in its shifting forms Jarczok contends is the Diary itself the principal vehicle through which her image has been mediated Combining the perspectives of narrative and cultural studies Jarczok traces the trajectory of Nin's celebrity the reception of her writings The result is an innovative investigation of the dynamic relationships of Nin's writing identity public image and consumer culture
