Valea, 2020-02-20 We often hear that alternative medicine is superior to classical medicine for it treats us holistically both the physical body and the immaterial part of our nature Although such an approach seems desirable it is precisely this aspect that opens the door to spiritual views incompatible with Christianity Many forms of alternative medicine speak of a divine essence we allegedly possess of a vital force that we can manipulate of spiritual beings that can help us and other such views closely related to Eastern religions and New Age thought In their desire to find healing at any price Christians often resort to these methods without realizing the spiritual danger involved For Christians who want to live consistently with their faith this book is intended to raise awareness of the hidden beliefs of alternative medicine Catelin Hoover, 2009-08 Is Feng Shui merely an ancient philosophy direct from the Orient like so many claims or is it a subtle and potentially dangerous form of the occult The practitioners of Feng Shui consult on commercial and residential interior design architecture landscaping building construction real estate home staging personal concerns and a huge assortment of holistic and alternative forms of healing They also teach lecture author books as well as sell Feng Shui merchandise But are they qualified affordable and responsible Feng Shui practitioners offer a huge smorgasbord of cures for healing everything from the common cold to cancer and for maintaining optimal health and well being But how do the scientific and medical professions evaluate these health and healing methods Similarly the alternative
