Najavits,2019-05-10 Addiction and trauma are two of the most common and difficult issues that people face In this motivating book leading expert Lisa Najavits explains the link between addiction and trauma and presents science based self help strategies that you can use no matter where you are in your recovery Every chapter features inspiring words from people who have been there plus carefully designed reflection questions exercises and other practical tools Learn how you can Build coping skills so that the future is better than the past Keep yourself safe and find support Set your own goals and make a plan to achieve them at your own pace Choose compassion over self blame and shame Move toward your best self the person you want to be If you are a family member or friend seeking to support a loved one or a helping professional this book is also for you Now in a convenient large size format the revised edition features added materials for professional and peer counselors Mental health professionals see also the author s related treatment manuals for trauma and or addiction Seeking Safety present focused and Creating Change past focused *Out of the Doghouse* Robert Weiss,2017-01-03 DATING RELATIONSHIPS LIVING TOGETHER MARRIAGE Typically men are good at creating rifts in relationships but terrible at mending them especially after they ve repeatedly betrayed their partner through sexual infidelity For the most part cheating men are both intimacy challenged and empathy challenged and as such they lack the skills needed to overcome the damage wrought by their infidelity Robert Weiss has spent over twenty years in the treatment of sex and intimacy issues helping both cheating men and their betrayed spouses In *Out of the Doghouse* he shares his expertise illuminating the ways in which men can move beyond their usual feeble efforts to smooth things over Sure saying I m sorry and trying to buy forgiveness with flowers and jewelry may temporarily calm the stormy seas but these actions do nothing to re establish trust which is what a distraught woman needs if she hopes to feel better about her relationship over the long term Global Youth Marc V. Felizzi,Karen M.

Rice,2015-09-04 Youth violence is not a unique phenomenon and in fact youth have been plagued with challenges throughout the centuries that have placed them at risk of violent tendencies These challenges include poverty inadequate healthcare limited educational opportunities exploitation gender inequality substance abuse mental health concerns homelessness gang involvement and family dysfunction Further these challenges are not unique to youth within the United States however these experiences may differ in terms of chronicity intensity and impact In all youth these challenges create stress and trauma that compromise well being This book explores the challenges that youth experience and provides context to better understand the factors related and contributing to those issues The chapters describing realistic and practical violence prevention and remediation programs which are both innovative and effective are particularly unique Additionally there are a number of chapters that discuss the latest technological advances in helping young people as well as evidence based assessments and evaluations to help those who work with young people understand the needs of at risk youth *Clinical Management of Sex*

Addiction Patrick J. Carnes,Kenneth M. Adams,2019-11-28 *Clinical Management of Sex Addiction* s newest edition updates many of the original chapters from 28 leaders in the field with new findings and treatment methods in the field of sex addiction With a growing awareness of sex addiction as a problem plus the advent of cybersex compulsion professional clinicians are being confronted with sexual compulsion with little clinical or academic preparation This is the first book distilling the experience of the leaders in this emerging field It additionally provides new chapters on emerging areas of interest including partner counseling trauma and sexual addiction and adolescent sex addiction With a focus on special populations the book creates a current and coherent reference for the therapist who faces quickly escalating new constellations of addictive sexual behavior Readable concise and filled with useful interventions it is a key text for professionals new to the field and a classic reference for all clinicians who treat sex addiction **Sex Addiction 101** Robert

Weiss,2015-10-27 The number of affordable easy links to pleasurable sexual online content is on the rise Activity increases with the accessibility of technology So too has sex addiction People struggling with sex porn and love addiction typically have little understanding of this incredibly complicated disease *Sex Addiction 101* covers everything from what sexual addiction is and how it can best be treated to how it affects various subgroups of the population such as women gays and teenagers The book also provides sex addicts with strategies to protect themselves from the online sexual onslaught *Sex Addiction 101* is intended to enlighten the clinical population as well as actual sex addicts and their loved ones Along with his mentor Patrick Carnes Weiss has become the face of and driving force behind understanding and treating sex addiction this book should be a core title in every addiction collection **Routledge International Handbook of Sexual Addiction** Thaddeus

Birchard,Joanna Benfield,2017-09-11 The concept of sexual addiction has gained increasing recognition in the academic and healthcare communities since the 1990s It has also captured the attention of the media where there has been much debate over whether it can truly be described as an addiction What is certain is that many people struggle with out of control sexual

behaviour which takes over their lives and has harmful consequences for their relationships careers and finances The Routledge International Handbook of Sexual Addiction brings together a comprehensive range of perspectives on sexual addiction from a worldwide selection of scholars and therapists It sets out to define sexual addiction and to study its causes from a range of different psychological perspectives A series of presentations of sexual addiction are outlined including internet sexual addiction and the relationship between paraphilias and sex addiction The handbook considers both individual and group treatment strategies drawing on a wide range of approaches including cognitive behavioural therapy mindfulness and 12 step programmes The book studies sex addiction in specific populations including women adolescents and men who have sex with men Finally it considers some of the alternative discourses surrounding the concept of sexual addiction This is the first comprehensive reference book to bring together global viewpoints on advances in research theory and practice in one volume This handbook provides an essential guide for academics and students of psychotherapy counselling nursing addiction sexualities social work and health and social care as well as professionals in practice and in training working with sexual addiction and related issues

Prodependence Robert Weiss, 2022-08-30 Prodependence revolutionized addiction healthcare by improving the ways we treat loved ones of addicts and other troubled people by offering them more dignity for their suffering rather than blame for the problem This revised edition builds on the model revealing many more ways to put the method into practice and strategies for setting healthy boundaries Do you love an addict Do you sometimes feel like their addiction is your fault Are people calling you codependent If our treatment toward loved ones of addicts alienates them it is time we change our approach With Prodependence Dr Robert Weiss offers us the first fully new paradigm in nearly 40 years for helping those who love and care for addicts An attachment focused model prodependence recognizes that no one can ever love too much nor should anyone be pathologized for whomever they choose to love as is often the case Prodependence informs caregivers how to love more effectively but without having to bear a negative label for the valuable support they give When treating loved ones of addicts and other troubled people using prodependence we need not find something wrong with them Instead we acknowledge the trauma and inherent dysfunction that occurs when living in relationship with someone whose life is failing and keep moving forward Validating a caregiver's painful journey for what it is opens the door to support them in useful non shaming ways Helping people take incremental positive steps toward intimate healing is what Prodependence is all about

Contemporary American Fiction in the Embrace of the Digital Age Beatrice Pire, Arnaud Regnauld, Pierre-Louis Patoine, 2021-12-31 This collection aims to examine the relationship between American fiction and innovations that marked the first decades of the 21st century the Internet social media smart

objects and environments artificial intelligence nanotechnologies genetic engineering and other biotechnologies transhumanism These technological innovations redefine the way we live in and imagine our world interact with each other and understand the human being in his or her ever closer relationship to the machine a human being no longer as in the past cared for or repaired but now enhanced or replaced What about our artistic and cultural practices Are these recent advances changing language and literature How is fiction transformed by technological progress and what representations of progress can it oppose Can fiction offer a critique of the new media and the upheavals they precipitate How does the temporality of literature respond to a technical time subjected to the imperative of efficiency where the present is a slave to the future Do virtual worlds challenge the primacy of literary fiction as a privileged mode of escape from daily life In a context where software can generate literary works can the force of poetical advent still oppose algorithmic logics What becomes of the body in a world in which its technical extensions increase the externalization of its cognitive functions in media artifacts and digital networks In order to explore these questions scholars here investigate the American fiction of Russell Banks Don DeLillo David Foster Wallace Jonathan Lethem Tao Lin Richard Powers Kenneth Goldsmith Jennifer Egan or Jonathan Franzen as well as the Cyberpunk genre and the Neuronovel

Parenting in a Digital World Catherine Page

Jeffery, 2025-03-17 This book focuses on the challenges of parenting in the digital age providing a counter narrative to and critique of risk and cyber safety narratives as well as some suggestions for a way forward Drawing on qualitative research with Australian families this book explores the knowledges practices anxieties and lived experiences of families themselves It demonstrates that the realities of family life in the digital age are more complex than the headlines and cyber safety advice would have us believe as parents grapple with balancing their own anxieties and social expectations about what it means to be a good parent with the practices desires and rights of their child It addresses key questions including How much attention should we pay to media headlines about the dangers of contemporary media What is actually worrying Australian parents and how do they address these concerns Why do young people love media so much How capable are young people of actually managing online risk What is the right way to parent in the digital age to ensure young people's safety and wellbeing while minimising family conflict Aimed at media studies scholars and students as well as parents and policy makers seeking a more comprehensive understanding of the broader academic research surrounding young people media and parenting this book argues that parent and child knowledges practices and experiences must be better accounted for within the online safety ecosystem as well as in policy development and that families need encouragement and guidance to help them adopt more democratic approaches to parenting in the digital age

Always Turned On Sex Addiction In The Digital Age: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have enthralled audiences this year. Always Turned On Sex Addiction In The Digital Age : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Always Turned On Sex Addiction In The Digital Age : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
