Philipp Winterberg,2015-07-31 Bilingual Edition English Chinese Traditional What happens if the world unexpectedly stands still for a moment If just like that you are given a bit of time by sheer luck This is exactly what happens in one of the biggest and busiest cities of the world as a small snail crosses the street and makes traffic stop for half a day A book about things that you always wanted to do but never had the time for Reviews charming Kirkus Reviews A proposal to improve the world Westf lische Nachrichten interesting not just in its story or its message but also in how it delivers that message The colors and backgrounds have a rich sense of texture unlike the majority of children s books ForeWord Clarion Reviews beautiful Geizkragen Website A creative bedtime story which is also suitable for stressed adults In the bustle of the city the animals seize the moment and become aware of how beautiful life can be without stress and hustle Designers in Action sets out to demonstrate what can happen when we re true to ourselves when we seize our day when we live in the present when we actually feel and enjoy the weather when we are spontaneous when we break from routine when we defy expectation and how these rather small acts of joy can inspire others Amazon Customer Review from the U S fabulous Ehrensenspiegel Online The story of a little snail who triggers big changes M nstersche Zeitung Please note This book is a bilingual picture book with a 1 1 translation created by human translators see translator s credits for details *Am I small?* 我多小? Philipp Winterberg,2020 **Resources in Education** ,1999 **The Bilingual Advantage** Rebecca M. Callahan,Patricia C. Gándara,2014-09-01 Using novel methodological approaches and new data The Bilingual Advantage draws together researchers from education economics sociology anthropology and linguistics to examine the economic and employment benefits of bilingualism in the US labor market countering past research that shows no such benefits exist Language, Learning, and Culture in Early Childhood Ann Anderson,Jim Anderson,Jan Hare,Marianne McTavish,2015-12-07 Complex factors affect young children and their families in today s increasingly diverse world characterized by globalization the transnational movement of people and neo liberal government policies in western and industrialized countries This book focuses on three of these factors culture language and learning and how they affect children s development and learning in the context of their communities families and schools Taking an ecological perspective it challenges normative and hegemonic views of young children s language literacy and numeracy development and offers examples of demonstrated educational practices that acknowledge and build on the knowledge that children develop and learn in culturally specific ways in their homes and communities The authors highlight issues and perspectives that are particular to Indigenous people who have been subjected to centuries of assimilationist and colonialist policies and

practices and the importance of first or home language maintenance and its cognitive cultural economic psychological and social benefits Links are provided to a package of audio video resources <http://blogs.ubc.ca/intersectionworkshop> including key note speeches and interviews with leading international scholars and a collection of vignettes from the workshop from which this volume was produced [Diverse Early Childhood Education Policies and Practices](#) Amita Gupta,2014-04-29 [Diverse Early Childhood Education Policies and Practices](#) explores issues in early childhood education and teacher preparation in five Asian countries India Singapore China Sri Lanka and the Maldives Some observed classrooms in these countries reflect influences that are simultaneously indigenous and colonial local and global By highlighting the diverse and often hybrid classroom pedagogies at work in these 21st century Asian classrooms the discussions in this book take into consideration the influence of globalization on local policies and practices and the challenge educators face when they are expected to reconcile different and sometimes conflicting cultural and pedagogical world views Through a research driven analysis of key issues such as recent revisions to national early childhood education policies perceptions on play based and child centered pedagogy curriculum and learning materials and an emphasis on the teaching of values this book illuminates the diversity of the observed classrooms as well as current trends in early childhood education in parts of Asia The cross national perspective serves to expand and diversify the global discourse of early childhood education and teacher education
