A Year On The Farm Casey And Friends:

A Year on the Farm Holly Dufek, 2020-10 *A Year on the Farm* introduces children to the world of modern farming showing the tractors combines and other equipment needed to plant and harvest crops The book is filled with photographs of equipment at work and a cast of illustrated characters including Case the farmer and Tillus the worm and a whole team of equipment characters Casey and her farm equipment friends teach readers about the different jobs a farmer does each session Children will learn that modern farming involves planning for the farm year reacting to the weather and working hard as a team Recommended for ages 4-8

In Search of the Donnellys Ray Fazakas, 2012-02 The massacre of the Donnellys by their fellow church members has fascinated the public in the English speaking world for well over a hundred years Contained in this book are intriguing new photographs never before published and significant new information which will pique the interest even of those who have been familiar for years with this bit of North American folk history with Irish roots

The Farm, Time Travel, 2000 years Robert E. Adams Co-Authored by Debra L. Adams, 2023-02-28 Robert E Adams Jr has always had an interest in history Determined to catch the eye of his audience he will take you time traveling back into a period of time that will not only teach you some methods on how to survive but also how to communicate with some of the natives of that time period What caused us to time travel What are the similarities we have from the present time and traveling back in time approximately two thousand years Let's read the story and see Robert is a person who dedicated his life to the building trades the outdoors hunting and fishing He knew how to protect and support his family If anything in our present time ever happened he would have known what needed to be done

Bet the Farm Beth Hoffman, 2021-10-05 Eloquent and detailed precise and well thought out Read her book and listen Jane Smiley *The Washington Post* In her late 40s Beth Hoffman decided to upend her comfortable life as a professor and journalist to move to her husband's family ranch in Iowa all for the dream of becoming a farmer There was just one problem money Half of America's two million farms made less than 300 in 2019 and many struggle just to stay afloat *Bet the Farm* chronicles this struggle through Beth's eyes She must contend with her father in law who is reluctant to hand over control of the land Growing oats is good for the environment but ends up being very bad for the wallet And finding somewhere in the midst of COVID 19 to slaughter grass finished beef is a nightmare If Beth can't make it how can farmers who confront racism lack access to land or don't have other jobs to fall back on hack it *Bet the Farm* is a first hand account of the perils of farming today and a personal exploration of more just and sustainable ways of producing food

Memories of the Way It Was K.L. Smith, 2025-10-04 *Memories of the Way It Was* is a random collection of my thoughts and memories of my life As an elderly adult I have time to sit for hours and reminisce and remember moments from my past I have time to analyze the past moments of my life and how these past moments have helped shape me into the person that I am In the pages of this book I have written stories about friends and relatives from my past and present I have written a partial accounting of my family's history according to how it was told to

me and from my personal observations and experiences I was there in the flesh to live these moments and I am left with precious memories All my life I have had vivid dreams that seemed real Strange and unusual things happen in my dreams Strange and unusual things happen in my life I was raised by an extremely superstitious mother who had prophetic dreams My head and heart are filled with memories of so many things in life that my parents told me I have so many memories of my siblings and the things I learned from them The days that I lived are gone forever The way things were will never be that way again These days will only be remembered by those who lived them or from the pages of the books written about those moments from the past Those days are gone forever Soon these memories will die with those who lived them That is why I have written twelve books full of the way life was in the 1940s up until the present day My mother used to tell me and my siblings stories of her past I wanted my children and grandchildren to know her stories as well as my own stories The next generation will have stories of their own to tell but life as my parents lived it and as I lived it will never be again When I explore my memories of the way things were I believe we were once better people than we are today As I get older I find that a lot of things no longer matter It does not matter to me who my relatives were or where they came from All that matters is that I was born and had the privilege of living the four seasons of my life in God's beautiful world Ultimately we are all God's children and brothers and sisters in Christ We are all connected through God My book is written in no particular order Each chapter is a stand alone story that can be read randomly just as it is written Each chapter is a piece of my life and heart I pray that my stories and ramblings will stoke memories and bring pleasure to anyone who reads them I am thankful for the people places and the events that make up the days of my life I am incredibly grateful for the life that God has allowed me to live

Gardenia Lane K.L. Smith, 2019-08-27 *Gardenia Lane* is a fictional novel that tells of the Lister family's day to day life when they move back to a small military town in eastern North Carolina It is the fourth book in a series about the Lister family *Gardenia Lane* continues the story where *Gemmy's Dreams* ends The Lister family must make a life in a new neighborhood among unconventional neighbors Most of them are poor What they lack in money they make up for with rich personalities They do not wrap themselves in layers of pretense and deceit The Lister girls work hard and seek lives different than the one they were born into They develop good friendships with their neighbors They learn that their neighbors mostly have good hearts and like themselves want to get through life the best way possible The story unfolds in 1956 and follows the family's life through 1967 To make ends meet Leo has to take on a second job to supplement his wages at the local furniture mill With two full time jobs Leo is seldom home Conflicts often occur when the family members are faced with the challenges that arise when dealing with the mental illness of the oldest Lister offspring This story is about how the Lister family interacts with each other their friends and the neighbors as they navigate their way through life trying to find the place where they fit best The Lister girls have different goals and dreams for their lives than their parents have for them Leo does not realize that he is raising strong independent daughters that have been exposed to new age thinking for women

Dissensions are common when the daughters principles clash with those of their parents The fifties and sixties were turbulent times in our country The Lister family see dreams and lives shattered They see dreams restored and lives mended They maintain a close relationship with God to give them strength and guidance through whatever life has in store for them They maintain hope for peace and faith for better lives **The Rotarian** ,1949-09 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine Official Reports of the Debates of the House of Commons of the Dominion of Canada Canada.
