

A large, grey industrial HVAC unit with its double doors open. The interior reveals a complex arrangement of electrical components, including circuit breakers, control panels, and three large, dark-colored compressors. The unit is situated outdoors under a clear blue sky. To the right, a portion of a building with a white facade and a flat roof is visible. The unit's doors are hinged on the left and right sides, and the interior is divided into two main sections by a central vertical support.
