The 2025 Canterbury Preacher's Companion Catherine Williams, 2024-05-31. This longstanding annual favourite brings a wide variety of preaching voices together to offer a resource for preaching at the principal and the second service for which preaching resources are scarce every Sunday of the coming year, plus on principal feast days and seasonal services. Ideal for preachers wherever the 3-year lectionary is used, it also includes sermons for holy days, major saints' days, and special occasions such as Mothering Sunday, harvest rogation, and Christmas services. Hymn suggestions are provided throughout. It also includes an introductory essay to help build preachers' skills and confidence this year by Mark Oakley. If preparation time is short, the sermons are complete and can be used as they are, but they will also act as a springboard or framework for creating your own sermon texts. A boon for hard-pressed clergy, readers, and local preachers everywhere.
