Keningham,Lerzan Aksoy,2013-04-03 Get the competitive edge by effectively managing customer lifetime value The customer lifetime value CLV concept is extensively changing the way today s business is managed A student or practitioner needs to understand CLV to best gain the competitive edge in business Customer Lifetime Value Reshaping the Way We Manage to Maximize Profits is a text that shows in detail how managers and

researchers can best use CLV to a business's advantage. This valuable resource explores various practical approaches to the measurement and management of customer value that focus on maximizing profitability and growth. Leading thinkers discuss how to leverage CLV in all aspects of business including customer management, employee management, and firm valuation. Everyone needing to prepare a business for success in the future should read this book. Most books on the subject only cover separate components of CLV and are typically limited to targeting for direct response marketing. Customer Lifetime Value presents all components cohesively, putting them together into an understandable, functioning whole. This source prepares forward-looking managers and researchers for the inevitable change and provides strategies to gain and sustain the competitive advantage. Topics in Customer Lifetime Value include leveraging the customer database to maximize CLV using CLV in customer segmentation, customer divestment using CLV in firm valuation, setting up an organization designed to maximize CLV, much more. Customer Lifetime Value: Reshaping the Way We Manage to Maximize Profits is essential reading for practitioners in the areas of customer satisfaction, loyalty, CRM, and direct response, as well as academics in the service marketing area. **The Oxford Handbook of Twentieth-Century American Literature** Leslie Bow, Russ

Castronovo, 2022-08-11. An essential and field-defining resource, this volume brings fresh approaches to major US novels, poetry, and performance literature of the twentieth century. With sections on structures, movements, attachments, and imaginaries, this handbook brings a new set of tools and perspectives to the rich and diverse traditions of American literary production. The editors have turned to leading as well as up-and-coming scholars in the field to foreground methodological concerns that assess the challenges of transnational perspectives, critical race and indigenous studies, disability and care studies, environmental criticism, affect studies, gender analysis, media and sound studies, and other cutting-edge approaches. The 20 original chapters include the discussion of working-class literature, border narratives, children's literature, novels of late capitalism, nuclear poetry, fantasies of whiteness, and Native American, African American, Asian American, and Latinx creative texts. The Athenaeum, 1855. The Sporting Review, ed. by 'Craven'. John William Carleton, 1857.

International Organization and Conference Series I-IV. United States: Department of State, 1949. **Johnson's New Universal Cyclopaedia**, 1878.
