Amazon Prime Mad Men:

Mad Men Gary R. Edgerton, 2023-04-04 A captivating and analytical compendium to the hit show and its creation story and impact on contemporary media and popular culture This one stop primer offers a succinct analysis of one of the most skillfully produced artistically innovative and culturally resonant scripted series in modern television It opens by explaining how *Mad Men* AMC 2007 2015 functions as a representative example of much deeper and more profound structural changes happening in television since the 2000s Gary R Edgerton highlights influences driving the creation of the show including creator Matthew Weiner s personal connections to the subject matter and the development of the main character Don Draper Jon Hamm Analysis of the show s story progression is delineated by a pivotal shift from a culturally relevant Zeitgeist phenomenon to a narrative more concerned with Draper s introspective and existential journey to reconciliation and self awareness Cultural reflections are also explored with interrogations of privilege and prejudice the American Dream ethnicity race gender politics and class as witnessed through the program s complex and conflicted characters Following its debut *Mad Men* quickly became a bellwether of contemporary culture The award winning series set the creative standard in drama over the span of its initial run and is now recognized as a milestone in the history and development of scripted television Throughout its seven seasons the series struck a delicate balance of being both complex and cerebral while also entertaining and accessible a balance that Edgerton skillfully carries over to this book *The Emergence of Online Video* United States. Congress. Senate. Committee on Commerce, Science, and Transportation, 2014

The Limits of #MeToo in Hollywood Margaret Tally, 2021-07-12 In October 2017 actress Alyssa Milano sparked the MeToo movement The ensuing protests quickly encompassed far more than Harvey Weinstein and the entertainment industry They expressed women s outrage at male workplace behavior in every sector and social class and even helped elect a new generation of women leaders in 2018 But what has been the effect of MeToo in the entertainment industry itself This book traces the movement s influence on the stories being told on changing representations of women s lives and bodies and on the slow changes among the producers who shape the stories Analyzing a wide set of TV and film genres including crime legal and medical dramas comedies horror and reality programming this book covers the complex ways that media respond to social movements They sometimes give voice to brand new or previously silenced stories but just as often make facile references that can blunt the potential for change or even fuel cultural backlash

21st Century Retro: "Mad Men" and 1960s America in Film and Television Debarchana Baruah, 2021-04-16 Numerous contemporary televisual productions revisit the past but direct their energies towards history s non events and anti heroic subjectivities Debarchana Baruah offers a vocabulary to discuss these using *Mad Men* as a primary case study and supplementing the analysis with other examples from the US and around the world She takes a fundamentally interdisciplinary approach to studying film and television drawing from history memory and nostalgia discourses and layering them with theories of intertextuality paratexts and actor networks The book s compositions

style invites discussions from scholars of various fields as well as those who are simply fans of history or of Mad Men

Henri Lefebvre, Metaphilosophy, and Modernity Patrick Gamsby, 2025-08-22 Henri Lefebvre Metaphilosophy and Modernity provides a new interpretation of the work of Henri Lefebvre 1901 1991 reframing it as being above all a metaphilosophy of modernity Henri Lefebvre is increasingly being recognized as one of the great twentieth century thinkers Nevertheless the majority of scholarship on Lefebvre predominantly focuses on his theorizing of space often taking Lefebvre's The Production of Space as the point of departure and or on his theorizing of everyday life with his multi volume Critique of Everyday Life as the focal point This book argues that it is Lefebvre's concept of metaphilosophy that provides the connective tissues for these works one that is chiefly concerned with deciphering the enigma of modernity The book will appeal to a wide interdisciplinary and international audience from the fields of sociology philosophy cultural studies geography the history of ideas and literary studies This includes scholars and students interested in Henri Lefebvre's writings everyday life modernity space time leisure work continental thought critical theory Marxism and technology Script Analysis Robert Thompson, AI, 2025-02-19 Script Analysis explores the core components of cinematic storytelling offering readers a framework to dissect and appreciate the underlying structure of films and television It examines both established screenplay structures like the three act structure and the hero's journey and a range of narrative techniques such as character development plot devices and dialogue Understanding these elements is crucial for aspiring screenwriters and film enthusiasts alike The book argues that a thorough grasp of both screenplay structures and narrative techniques is essential for effective cinematic storytelling and film analysis It progresses by first introducing fundamental screenwriting concepts then analyzing common and less orthodox screenplay structures through case studies The latter portion of the book delves into narrative techniques demonstrating how these concepts can be applied in practical script analysis By integrating perspectives from film theory narrative studies psychology sociology and literary theory Script Analysis provides a nuanced and comprehensive approach to script evaluation What sets this book apart is its blend of theoretical rigor and practical application equipping readers with analytical tools to evaluate a wide range of cinematic works Rather than offering prescriptive formulas it provides a framework for understanding the principles of effective storytelling enabling readers to critically evaluate scripts and make informed decisions about their own creative or scholarly pursuits **Meta in Film and Television Series** David Roche, 2022-10-31 The first book length study of meta phenomena in film and television series

Peak TV's Unapologetic Jewish Woman Samantha Pickette,2022-12-19 Peak TV's Unapologetic Jewish Woman Exploring Jewish Female Representation in Contemporary Television Comedy analyzes the ways in which contemporary American television with its unprecedented choice diversity and authenticity is establishing a new version of the Jewish woman and a new take on American Jewish female identity that challenges the stereotypes of Jewish femininity proliferated on television since its inception Using case studies of streaming cable and network comedy series from the past decade written and created by Jewish women including Broad City Crazy Ex Girlfriend The Marvelous Mrs Maisel among others this book illustrates how this new Jewish woman has been given voice and agency by the bevy of Jewish female showrunners interested in telling stories about Jewish women for wider audiences

Television for Women Rachel Moseley,Helen Wheatley,Helen Wood,2016-11-10 Television for Women brings together emerging and established scholars to reconsider the question of television for women In the context of the 2000s when the potential meanings of both terms have expanded and changed so significantly in what ways might the concept of programming addressed explicitly to a group identified by gender still matter

The essays in this collection take the existing scholarship in this field in significant new directions They expand its reach in terms of territory looking beyond for example the paradigmatic Anglo American axis and also historical span Additionally whilst the influential methodological formation of production text and audience is still visible here the new research in Television for Women frequently reconfigures that relationship The topics included here are far reaching from television as material culture at the British exhibition in the first half of the twentieth century women s roles in television production past and present to popular 1960s television such as *The Liver Birds* and in the twenty first century highly successful programmes including *Orange Is the New Black* *Call the Midwife* *One Born Every Minute* and *Wanted Down Under* This book presents ground breaking research on historical and contemporary relationships between women and television around the world and is an ideal resource for students of television media and gender studies
