Women and Wars Carol Cohn,2013-09-04 Where are the women In traditional historical and scholarly accounts of the making and fighting of wars women are often nowhere to be seen With few exceptions war stories are told as if men were the only ones who plan fight are injured by and negotiate ends to wars As the pages of this book tell though those accounts are far from complete Women can be found at every turn in the gendered phenomena of war Women have participated in the making fighting and concluding of wars throughout history and their participation is only increasing at the turn of the 21st century Women experience war in multiple ways as soldiers as fighters as civilians as caregivers as sex workers as sexual slaves refugees and internally displaced persons as anti war activists as community peace builders and more This book at once provides a glimpse into where women are in war and gives readers the tools to understand women s told and untold war experiences in the greater context of the gendered nature of global social and political life

Scarcity Adam Vance,2016-06-17 For seventy five years the people of Earth have been migrating to new colonies among the stars Earth is dying killed by greed and waste And each year that passes those who remain get a little more desperate The scarcity of the world s remaining resources drives every decision on Earth and in space Humanity mustn t make the same mistakes on its new worlds This time growth must be gradual and sustainable the native populations must be accommodated not conquered This time there are no more worlds to waste no abundance to squander This time we have to get it right

Colonization is managed by Earth Union's Department 6C and the Fallschirmjäger aka the FJ is the Department's military arm. They are the Earth Union's elite Special Forces whose task is to analyze new worlds, build strong ties with the natives and regulate the growth of the colonies by persuasion and reason if possible but by force if necessary. Captain Dieter Chen is the leader of FJ One, the first the best unit in Department 6C. And in all his years of contact with other worlds and other civilizations, Humanity is still the most technologically advanced species out there. Until now, The Visitors come bearing gifts, the ability to clean our soiled world, restore our air and water and food supplies, cure disease and bring new hope. But his boss, the formidable Mrs. Director Huizhong McAllister, is suspicious. Are the Visitors really that magical, hoped for post-scarcity culture that's come to solve all our problems? Or have Earth's problems just become much, much worse.

Until We Meet Again Stephan Swart, 2023-03-03. This is an African story of a young black caretaker and the white twin boys in his care and the circumstances and courage that took them to hell and back. Unlike many other books covering the South African Angolan Bush War, the novel *Until We Meet Again* is the story of April and the twin boys Mark and Andy. The novel will take them on an adventure of survival and courage that will test their love and camaraderie for one another during a time when the divide between black and white in South Africa was controlled by dark forces. The novel is about the everyday lives of the two South African families during the 1960s and 70s when the

country was under attack from the Pan African Congress s Pogo army April would soon find him in a struggle between his own prospects for a better life for himself and his family but cannot relinquish his responsibilities to care for the two siblings which left him with difficult decisions to make which would test his courage to its limits April became a seasoned freedom fighter and one of the most wanted terrorists in South Africa while the twins innocently landed themselves in an adventure that had turned into a life threatening situation that they never dreamed of before The story will take the reader from the tranquil mountains and rivers of the Eastern Cape to the war torn Angolan desert where one of the most controversial cold war armed conflicts fuelled by the Americans and Russians would play off and end in a stalemate
