### **Marathon Training & Distance Running Tips**

JimsHealthAndMuscle.com, 2018-02-01 Long distance running is much like any other fitness training If you want to improve you need a good plan that has a progressive nature If you are new to this game you need a solid foundation to build on Having a running program is not the only thing that you need Sound advice and running tips should be taken from someone who has walked the walk Or in this case ran the run Hi my name is James Atkinson from Jimshealthandmuscle.com I'm a qualified fitness coach personal trainer and I have a fair bit of running advice that I would like to share with you When I was around 18 years old I was a terrible runner In fact I failed the basic fitness test for army entrance on running alone and I failed big time Several years later I was clearing 1.5 mile running circuits in 8 minutes and 22 seconds and could easily run a marathon any day of the week I would like to share my knowledge and training experiences with you If you are a beginner when it comes to running this information will no doubt give you advice that will probably not have even crossed your mind before If you are already a runner and are looking to make more progression you are also in the right place I know that it is

easy to get stuck on a training plateau so I have also added some information and training methods to this book that will help you leave the plateau behind Some of the chapters include Why should you take my advice My story Accountability Commit To Your Goal Where to start Running style Breathing When to eat what to eat Your bread and butter training Steady state Training on a track Running for time Running for distance Running with weight Dealing with blisters and chaffing Staying injury free Putting it all together and your training plan All of the information that I provide is written from my own experience as a long distance runner I believe that by learning from my mistakes and my advice you will hit your goals a lot quicker than making these mistakes yourself Believe me some of these mistakes can be very painful As you will soon find out from some of the anecdotes that I am about to share with you So grab your running shoes and let s get started
