

# GOVT 2305 - Outline of All the Slides for Exam Two

*This outline does NOT include anything that the professor verbally said during the lectures. It only contains the bullet-points on the slides. Therefore, it is CRITICAL that you also listen to the lectures so that you can get all the testable content.*

*If you like, you can use this document to help you take extra notes while you listen to my lectures. I recommend typing the extra notes in a different color font so you can easily tell the difference between what was verbally said and what was in the bullet-points on the slides.*
