Managerial Accounting 2nd Edition Hilton:

Handbook of cost and management accounting Zahirul Hoque, 2010-05-28 In order to survive in the changing business environment organisations should rethink their strategic philosophy and the role of management accounting. The primary focus of this book is on techniques and concepts of cost and management accounting for strategic business decisions. It focuses on both conventional and contemporary issues. The book will serve as a reference source for practicing accountants, senior executives and managers working in human resources, operations and accounting divisions. As the principal focus of this book is on conceptual foundations, it would also be ideal for courses in graduate programs such as master's degree MBA or Executive MBA.

COST ACCOUNTING, Fourteenth Edition BANERJEE, BHABATOSH, 2021-07-01 This well established and widely adopted textbook, now in its 14th edition, continues to provide an in-depth and insightful analysis of the modern theories and practices of Cost Accounting. That the book has gone into its 14th edition and several reprints is a testimony of its wide acceptance by the students, academics and professionals. Primarily intended for postgraduate and undergraduate students of Commerce and Management, the book will be of immense benefit to the students pursuing professional courses offered by the Institute of Chartered Accountants of India (ICAI), Institute of Cost Accountants of India (ICAI), Institute of Company Secretaries of India (ICSI) and those pursuing the Chartered Financial Analyst (CFA) course. Now in its 14th edition, the book has been suitably revised, meeting the latest syllabi requirement of various courses. The chapter on Strategic Cost Management has been updated to make it indispensable to modern management to enhance the competitive advantage of the firm. Besides, many chapters have been overhauled and updated, especially the chapters covering basic concepts and terms, classification of costs and cost sheet, activity-based costing, marginal costing, relevant cost analysis and management decisions, capital budgeting decisions and cost audit. The book also includes some of the cost standards set by ICAI, a wide array of illustrations, worked-out examples and practice exercises. Besides, a large number of MCQs are given online for the students to practice and self-evaluation. MCQs are critical in proper understanding and practice of theories and concepts. Also, CIMA Official Terminology is provided online to keep students and professionals abreast of relevant terms used in today's business environment.
