

Formal assessment Grade 12						
Term 1		Term 2		Term 3		Term 4: Certification mark
Test	75%	Test	25%	Test	25%	Term 1+2+3 = 300÷3 =100
Project	25%	*Midyear examination	75%	*Trial examination	75%	PAT 1 + 2 = 200÷2 =100
						Examination paper =200
100		100		100		400÷4=100

*In Grade 12, only one internal examination is compulsory. Schools may therefore

- write both examinations; or
- replace one of the examinations with a test at the end of the term. This test will have the same weighting as the examination, and must cover a substantial amount of work.

4.4 Types of assessment

4.4.1 Projects and field trip assignments

Learners in all grades must do a project **OR** a field trip assignment in term 1.

Projects

Suggested topics are included in the teaching plans of term 1.

A project requires learners to

- do some planning/preparation/investigation/research;
- perform the task/carry out instructions according to criteria given;
- produce a product such as a quotation or booklet; and
- allow for some innovation and creativity, i.e. open-ended to a certain extent.

To set the project, the teacher should

- determine the content/skills/knowledge to be addressed;
- set clear criteria and give good instructions to guide the learner (the learner should know exactly what to do and what is expected);
- keep the scope manageable;
- determine which resources will be required to complete the project (ensure that learners have access to these resources);
- determine the time frame/duration/due date; and
- determine mark distribution and compile an assessment tool.
