Raising Men, Not Boys Mike Fabarez, 2017-09-05 How to raise a godly man in a godless world Perhaps there has never

been a more challenging time to raise children than in today's culture. Parents are having to address challenges that their parents never had to with them. And while the core elements to raising children are the same, parents need wisdom for applying them to this day and age. That's what this book is about: navigating the times and raising a generation of men on godly principles. Parents will be equipped to envision their son's future every day. Set his spiritual trajectory. Build a home that grows godly men. Address the rebellion in their son's heart. Prepare him to face the world and contribute to it. Scripture says: The father of the righteous will greatly rejoice; he who fathers a wise son will be glad in him. Prov 23:24. This book will help parents to realize that vision.

Baseball Beyond Our Borders George Gmelch, Daniel A. Nathan, 2017. Baseball Beyond Our Borders celebrates the globalization of the game while highlighting the different histories and cultures of the nations in which the sport is played. This collection of essays tells the story of America's national pastime as it has spread across the world and undergone instructive, entertaining, and sometimes quirky changes in the process. Covering nineteen countries and a U.S. territory, the contributors show how each country imported baseball, how baseball took hold and developed, how it is organized, played, and followed, and what local and regional traits tell us about the sport's place in each culture. But what lies in store as baseball's passport fills up with far-flung stamps? Will the international migration of players homogenize baseball? What role will the World Baseball Classic play? These are just a few of the questions the authors pose. *Million Dollar Arm* J.B. Bernstein, 2014-04-10

Now a major film starring Jon Hamm, this is the wonderful story of two young Indians who became pro baseball pitchers. JB Bernstein seemed to have it all. One of the top sports agents in the US, he worked hard and enjoyed the bachelor lifestyle to the full. But he hankered for more, and when he set himself a challenge to unearth someone in India capable of becoming a pro baseball pitcher, most people thought he was mad and doomed to face a costly and public failure. The reality show *Million Dollar Arm* brought thousands of contestants hoping for a shot at glory, but eventually they unearthed two candidates: Rinku and Dinesh. Bernstein brought them back to the US, put them up in his home, and helped them to get used to a very different world while they also worked hard to learn the game that was second nature to most American sportsmen. Finally, they got their chance, and against all the odds, they were both awarded pro contracts. This heartwarming story has now been made into a film starring Jon Hamm. *Mad Men* and *Suraj Sharma's The Life of Pi* are true-life versions of *Slumdog Millionaire*. *Meets Jerry Maguire*. *Million Dollar Arm* shows what can happen when you dream big. **Bums No More** Brian M.
