Evolving Intelligence: A Journey Towards New Frontiers Ruben G Martinez, 2012-12-21 Book Contains 5 major parts subdivided in chapters with themes from Evolution and Creation to our Government and Financial Systems

The Flight of Pegasus Bruce Bibee, 2018-03-06 Robert the Risen begins at the Fall of Acre A D 1291 when Robert is pulled out of the rubble of the collapsed castle after three days hence his new surname Bektash al Fakhri a Mameluk general is his captor and Robert is recruited to Bektash's body guard detail for the next seventeen years Among the others in Bektash's retinue are a Buddhist monk whose acupuncture brought Robert back to life an itinerant Irish priest Sufi warriors and others Over the course of Robert's enslavement a dialogue among spiritual cousins Jewish Christian and Muslim is mediated by the Buddhist monk They exchange ideas meditation practices and generally challenge each other to attain Enlightenment Except of course when they aren't engaged in the numerous battles the Mameluks fight over these turbulent years When Bektash dies Robert is manumitted in the general's will and Robert heads home In Tunis he finds that the French king arrested all the Templars in France on various charges and the pope let him get away with it When Robert's party gets to France Robert is imprisoned in the pope's estate There Robert confronts the pope eventually escapes and finally reunites with his cousin William the Fearless in London The story is historically accurate The speculative pieces are in the spiritual practices the Templars were

alleged to have learned from the Sufis and the Gnostics The further speculation is about what happens psychologically to warrior monks hence the inclusion of a Buddhist monk from the Shaolin Monastery Since the author holds both a Master s degree in Transpersonal Psychology which explores the psychology of all religions and is an 8th degree black belt Master in Kung Fu San Soo he is uniquely qualified to engage in this speculation Women Challenge The Lie Regina Sara Ryan,Shinay Tredeau,2017-02-02 This book invites women of all ages into a conversation that challenges the pervasive lie of never good enough This common subtext of modern life undermines a woman s appreciation of her own inherent beauty and goodness The authors recommend 8 Radical Moves that women can make alone or ideally in the good company of other women to take on this challenge to deepen this conversation The Moves are radical because they aim directly at the center of a woman s being the inner space of her true nature her basic goodness rather than because they require any extreme actions Nonetheless the conviction that never good enough is a lie requires more than lip service The authors guide readers in identifying the courage strength and love they already possess but habitually deny to embrace and live by this conviction of self respect day to day in mind body and heart They further encourage women to make this stand with and in the presence of other women to increase everybody s likelihood for success Regina Sara Ryan author of numerous books in wellness women s studies and spirituality Wellness Workbook Woman Awake Igniting the Inner Life is an elder in her seventies Shinay Tredeau a yoga teacher lifestyle coach dancer and emerging writer is a millennial in her twenties Together they bring to this warm and personal treatment a synergy of years of experience in contemplative spiritual practice and dynamic body discipline Their message is addressed to their sisters mothers friends and students of all ages to any who suffer from the dis ease of self hatred in some form Each of the 8 Radical Moves provides a slightly different access to clearer self understanding leading to self compassion For some the Move to Inhabit Your Body will be key to claiming or reclaiming a more loving relationship with themselves For others the Move called Learn to Fly will be just the encouragement needed to refine a spiritual search Other topics include the danger of comparisons with other women the need to face dark emotions with compassion the power of friendship in the quest for self acceptance the use of journal writing to articulate developing truth gratitude as a way of life This straightforward and challenging narrative is filled with dozens of personal stories making it ideal for women s groups and book clubs to study and practice MOTHER GURU Red Hawk,2014-08-20 Mother Guru is a collection of refined devotional poetry in the tradition of Hafiz and Rumi whose poems of love continue to inspire millions throughout the world The fact that this poetry appears in contemporary dress is more gracious still The author Red Hawk is a widely published and awardwinning poet professor of English at the University of Arkansas at Monticello He is also an unabashed disciple of a great contemporary Master Mister Lee Lozowick 1943 2010 and one who is willing to bare that discipleship in poetry written as prayer expressly for and with his guru in mind and heart In this sense Mother Guru is a daring book and courageous as the author overlooks scholarly reputation trusting rather in the love that infuses what he

writes He also risks the opprobrium of those who limit the expression of the spiritual to sweet words and lofty sentiments These are poems of a truly broken heart pleading poems begging poems prayers and curses bawdy ironic hilarious tough minded sometimes angry often just broken Few books of poetry today attempt to traverse this razor s edge fewer still can do so with respect dignity and passion Mother Guru is a guidebook to such a challenge and offers inspiration and a call to profound honesty to the sincere seeker of any mystical tradition

Presidential Road Show Diane J. Heith, 2015-12-03 In The Presidential Road Show Public Leadership in an Era of Party Polarization and Media Fragmentation Diane J Heith evaluates presidential leadership

by critically examining a fundamental tenet of the presidency the national nature of the office The fact that the entire nation votes for the office seemingly imbues the presidency with leadership opportunities that rest on appeals to the mass public Yet presidents earn the office not by appealing to the nation but rather by assembling a coalition of supporters predominantly partisans Moreover once in office recent presidents have had trouble controlling their message in the fragmented media environment The combined constraints of the electoral coalition and media environment influence the nature of public leadership presidents can exercise Using a data set containing not only speech content but also the classification of the audience Diane J Heith finds that rhetorical leadership is constituency driven and targets audiences differently Comparing tone content and tactics of national and local speeches reveals that presidents are abandoning national strategies in favor of local leadership efforts that may be tailored to the variety of political contexts a president must confront
