Driver, do you stop at the station James Henry, 2014-11-02 This book started off as a blog fortunately it was popular not one of those boring journals flooding the internet to limited interest audiences I was 48 redundant and had applied to be a bus driver I decided to share my experiences both funny and sad with you I called it Driving a bus because it was about driving a bus There were two routes I could take pun not intended One was the gritty real life expos and the other a more causal relaxed look behind the scenes of the transport industry I chose the latter mainly because I wanted to keep my job but I've kept in the good bits I will take you on a journey through the interview with a manager half my age an embarrassing medical and the joys of trying not to crash a 12 ton coach Later we'll meet the general public and all that entails Enjoy five years worth of mayhem Special thanks go to you the general public without who this book would be blank pages Also Colin Walton and Lloyd Bayley for their invaluable help and support and my wife Karen because I might get my leg over if she likes it I have changed some names to protect the guilty and to get out of having to pay people money **Practices in Assuring**
