The Jungle (Illustrated) Upton Sinclair,2018-07-05 Rare edition with unique illustrations For nearly a century the original version of Upton Sinclair s classic novel has remained almost entirely unknown When it was published in serial form in 1905 it was a full third longer than the censored commercial edition published in book form the following year That expurgated commercial edition edited out much of the ethnic flavor of the original as well as some of the goriest descriptions

of the meat packing industry and much of Sinclair's most pointed social and political commentary. The text of this new edition is as it appeared in the original uncensored edition of 1905. It contains the full 36 chapters as originally published rather than the 31 of the expurgated edition. A new foreword describes the discovery in the 1980s of the original edition and its subsequent suppression and a new introduction places the novel in historical context by explaining the pattern of censorship in the shorter commercial edition.

[The Jungle](#) Upton Sinclair, 2020-09-25 An ardent activist, champion of political reform, novelist, and progressive journalist, Upton Sinclair is perhaps best known today for *The Jungle*, his devastating exposé of the meat packing industry. A protest novel, he privately published in 1906, the book was a shocking revelation of intolerable labor practices and unsanitary working conditions in the Chicago stockyards. It quickly became a bestseller, arousing public sentiment and resulting in such federal legislation as the Pure Food and Drug Act. The brutally grim story of a Slavic family who emigrates to America, *The Jungle* tells of their rapid and inexorable descent into numbing poverty, moral degradation, and social and economic despair. Vulnerable and isolated, the family of Jurgis Rudkus struggles unsuccessfully to survive in an urban jungle. A powerful view of the turn of the century, poverty, graft, and corruption, this fiercely realistic American classic is still required reading in many history and literature classes. It will continue to haunt readers long after they've finished the last page.
