The Magic Mountain By Thomas Mann:

The Magic Mountain Thomas Mann, 2018-05-03 As Seen on BBC Between the Covers A brief visit to a Swiss sanatorium becomes a life altering seven year odyssey Hans Castorp arrives at a sanatorium in the Swiss Alps to visit his cousin intending to stay for just three weeks But when he falls ill he remains and is drawn in by the introspection and erudition that define life in the mountains As his stay extends to seven transformative years Hans falls in love and becomes intoxicated with the ideas he hears at the clinic ideas which will strain and crack apart in a world on the verge of the First World War Magnificent a beautiful feverish account of obsessive love Jonathan Coe Guardian The greatest German novelist of the 20th century Spectator Cover may vary [The Magic Mountain](#) Thomas Mann, 2005-06-21 A sanatorium in the Swiss Alps reflects the societal ills of pre twentieth century Europe and a young marine engineer rises from his life of anonymity to become a pivotal character in a story about how a human s environment affects self identity **The Magic Mountain** Thomas Mann, 1929 **The Magic Mountain** Hermann J. Weigand, 2020-05-01 Praised highly by Mann himself Weigand s book originally published in 1933 is an essential piece of criticism on Mann s monumental novel In his study of The Magic Mountain Weigand comments on the novel s genre and organization before dissecting the themes of disease and mysticism Mann s use of irony and other aspects of this masterpiece of German literature **The Magic Mountain** Hermann John Weigand, 1979 **"The Magic Mountain by Thomas Mann** George Tabori (Auteur dramatique), 1946 **Thomas Mann's The Magic Mountain** Harold Bloom, 1986 A collection of critical essays on Mann s novel The Magic Mountain arranged in chronological order of publication **The Magic Mountain** Thomas Mann, 1938 **Thomas Mann's The Magic Mountain** Rodney Symington, 2011-09-22 Thomas Mann s novel The Magic Mountain presents a panorama of European society in the first two decades of the 20th century and depicts the philosophical and metaphysical dilemmas facing people in the modern age In the years leading up to the First World War the fundamental elements of human nature were thrown into sharp relief by the political tensions that resulted in the ultimate metaphor for the innate destructiveness of humankind the War itself If such a war is the true expression of human tendencies what hope is there for the future Through the figure of the main character of the novel Thomas Mann explores the alternative philosophies of life available to human beings in the modern age and invites the reader to undertake a personal odyssey of discovery with a view to adopting a positive approach in an era that seems to offer no clear cut answers This book is a comprehensive commentary on Thomas Mann s seminal novel one of the key literary artefacts of the 20th century The author has taken upon himself the task of explaining all the references and allusions contained in the novel and of providing readers who know little or no German with enough explanatory comment to enable them to understand the novel and extract the maximum reading pleasure from it *The Magic Mountain* Thomas Mann, 1983-01-01 With this dizzyingly rich novel of ideas Thomas Mann rose to the front ranks of the great modern novelists winning the Nobel Prize in Literature in 1929 The Magic Mountain takes place in an

exclusive tuberculosis sanatorium in the Swiss Alps a community devoted to sickness that serves as a fictional microcosm for Europe in the days before the First World War To this hermetic and otherworldly realm comes Hans Castorp an ordinary young man who arrives for a short visit and ends up staying for seven years during which he succumbs both to the lure of eros and to the intoxication of ideas Acclaimed translator John E Woods has given us the definitive English version of Mann's masterpiece A monumental work of erudition and irony sexual tension and intellectual ferment *The Magic Mountain* is an enduring classic [Thomas Mann: The Magic Mountain](#) ,1995 [A study guide for Thomas Mann's "The Magic Mountain"](#) Gale, Cengage Learning,2015-03-13 A study guide for Thomas Mann's *The Magic Mountain* excerpted from Gale's acclaimed *Novels for Students* series This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Novels for Students* for all of your research needs *Thomas Mann's The Magic Mountain* Hans Rudolf Vaget,2023 This collection seeks to illustrate the ways in which Thomas Mann's 1924 novel *The Magic Mountain* has been newly construed by some of the most astute readers in the field of Mann studies The essays comment on some of the familiar and inescapable topics of *Magic Mountain* scholarship [A Companion to Thomas Mann's The Magic Mountain](#) Stephen D. M. Mann,2017-08-09 In this dizzyingly rich novel of ideas Mann uses a sanatorium in the Swiss Alps a community devoted exclusively to sickness as a microcosm for Europe which in the years before 1914 was already exhibiting the first symptoms of its own terminal irrationality *The Magic Mountain* is a monumental work of erudition and irony sexual tension and intellectual ferment a book that pulses with life in the midst of death It is dusk and we are on a slim boat similar to a black gondola and approach an isolated island As I can make out better the shapes I realize I have seen this before The image in front of my eyes is like a black and white version of Arnold Böcklin's painting and now I am transported to his Isle of the Dead There is deep silence I can only hear the very faint stirring of the water as the boat slides over it Well no there is also a faint melody which becomes clearer as we approach the shore I now recognize Sergei Rachmaninov's symphonic poem that grew directly out of the painting with its Dies Irae This poem is also in black and white in spite of all its harmonic colours Imagine hiking up a steep mountain You are not quite

winning the game of hide seek with the Sun and it has got its fiery eyes firmly on you Your legs are chewing your ears off with incessant grumbling With each step you take a wish to flop down right there grows stronger One of these steps carries you to a spot where a spectacular vista suddenly opens up before you For the briefest moment the scene in front of you consumes not only your vision but your consciousness It is only in the next moment that it registers that the arduous climb is over and you know it was a worthwhile endeavor The Magic Mountain is one such hike No other book has made such heavy demands on my patience not even Tommy Ruggles Gravity s Rainbow I think The Magic Mountain is incredibly dense and often slow going But then there are places where the narrative sprouts wings and soars Not to say that I didn t like the other bits of the book but it was these few outstanding chapters that confirmed that effort vs reward dynamic was in my favor It is certainly not a book with a high degree of obfuscation Mann doesn t make it any more difficult than it needs to be He narrates and explains everything with a lot of patience and wisdom About Thomas Mann Librarian Note There is more than one author in the GoodReads database with this name See this thread for more information Thomas Mann was a German novelist short story writer social critic philanthropist essayist and 1929 Nobel Prize laureate known for his series of highly symbolic and ironic epic novels and novellas noted for their insight into the psychology of the artist and the intellectual His analysis and critique of the European and German soul used modernized German and Biblical stories as well as the ideas of Goethe Nietzsche and Schopenhauer His older brother was the radical writer Heinrich Mann and three of his six children Erika Mann Klaus Mann and Golo Mann also became important German writers When Hitler came to power in 1933 Mann fled to Switzerland When World War II broke out in 1939 he emigrated to the United States from where he returned to Switzerland in 1952 Thomas Mann is one of the best known exponents of the so called Exilliteratur
