

## Unit 4 Study Guide

### The Jeffersonian Era

#### Major changes:

- Rise of education due to Republican ideals for an educated citizenry
  - Increased efforts to “educate” Indians (“noble savages”)
- Strengthening of the medical community as physicians started displacing midwives, narrowing opportunities for women and restricting access to childbirth care for poor mothers
- Growth of a distinct American culture that differed from European influences
  - Noah Webster—advocated for the American schoolboy to be educated as a nationalist
  - Washington Irving—widely acknowledged leader of American literary life
- Revivalism—the Second Great Awakening
  - Deism (God is real, but isolated from humans)
  - Spread of idea that religious salvation could be achieved through repudiation of skeptical rationalism and through faith/good works
  - Opened up opportunities of importance for women as women converts outnumber males
  - Handsome Lake—revivalism of native American religions
- Growth of technology allowed for industrialization through an efficient transportation network
  - Cotton gin (Eli Whitney, 1793)—allowed for heavily increased profitability of cotton in the South, firmly planted the slave system, and provided much profit for the national economy
  - Interchangeable parts—contributed to the development of mass manufacturing of machine tools
  - Development of the steamboat and turnpikes
- Jefferson persuaded Congress to abolish all internal taxes, while Secretary of the Treasury Albert Gallatin reduced government spending
  - Administration was able to cut the national debt almost in half
- Scaled down the armed forces (national army) by almost half
- Rise of the judiciary branch as a coequal branch of the gov. (Marshall’s decisions, *Marbury v. Madison*)
- Doubling of American land through the Louisiana Purchase
- Exploration of the West (Lewis and Clark, Zebulon Pike)
- Exploitation of Indian treaties and westward expansion
  - Jeffy appoint William Henry Harrison to administer the solution to the “Indian problem” (an ultimatum between assimilation or relocation)
  - Led to Indian resistance in coalition with the British before the War of 1812
- Proliferation of Federalist secessionist opposition (Hartford Convention of 1814 during Madison’s presidency)

#### Continuities:

- Native Americans/African Americans still remained at the bottom of the social hierarchy
- America remained an overwhelmingly rural/agrarian nation, nation’s top cities still couldn’t compare with England’s big cities
- National debt still remained present after Jefferson’s actions
- Two-party system still remained (Federalists vs. Republicans)

### Jefferson: a true Republican, or a charlatan?

- Attempted to cut down government spending and was able to cut down the national debt, but national debt still remained prominent
- Armed forces were scaled down, but were built back up for the First Barbary War with Tripoli
