Patrick King, 2023-03-03 NOTE This is the official workbook for Patrick King's book *Read People Like a Book*. This does NOT include the original book and this is the ONLY official version put out by the author. Speed read people, decipher body language, detect lies, and understand human nature. Is it possible to analyze people without them saying a word? Yes, it is. Learn how to become a mind reader and forge deep connections. How to get inside people's heads without them knowing. *Read People Like a Book* isn't a normal book on body language or facial expressions. Yes, it includes all of those things as well as new techniques on how to truly detect lies in your everyday life, but this book is more about understanding human psychology and nature. We are who we are because of our experiences and pasts, and this guides our habits and behaviors more than anything else. Parts of this book read like the most interesting and applicable psychology textbook you've ever read. Take a look inside yourself and others. Understand the subtle signals that you are sending out and increase your emotional intelligence. Patrick King is an internationally bestselling author and social skills coach. His writing draws from a variety of sources: scientific research, academic experience, coaching, and real-life experience. Learn the keys to influencing and persuading others. What people's limbs can tell us about their emotions. Why lie detecting isn't so reliable when ignoring context. Diagnosing personality as a means to understanding motivation. Deducing the most with the least amount of information. Exactly the kinds of eye contact to use and avoid. Find shortcuts to connect quickly and deeply with strangers. The art of reading and analyzing people is truly the art of understanding human nature. Consider it like a cheat code that will allow you to see through people's actions and words. Decode people's thoughts and intentions, and you can go in any direction you want with them.
