Climate and Vegetation

Fill In the Blanks

DIRECTIONS: Use the information in your textbook to fill in the blank in each sentence.

1. Much of Latin America is located in a tropical climate zone.
2. Southern Mexico and eastern Central America are dominated by a tropical rain forest climate and vegetation.
3. The hot and humid conditions of the Amazon Basin result partly from the area's location on the Equator.
4. In the rain forest, trees grow very closely together, and the forest canopy overhead is very dense.
5. There is more species of plants and animals per square mile in the Amazon rain forest than anywhere else on Earth.
6. Tropical savannas are grasslands that experience a wet and a dry season.
7. The short grasses of the pampas in southern South America make it prime land for grazing livestock.
8. The rain shadow effect of the Andes created the Atacama Desert in eastern Chile.
9. Vertical climate zones are defined by the land's elevation above sea level.
10. The *tierra templada* has a temperate land climate and lies at a middle altitude, between 2,500 and 6,500 feet above sea level.
11. Major crops grown in the middle elevation zones include corn and coffee.
12. The next elevation level, the tierra fria, has a cold climate with frequent frosts.

Panama Odyssey William J. Jorden,2014-03-01 The Panama Canal Treaties of 1977 were the most significant foreign policy achievement of the Carter administration Most Latin American nations had regarded the 1903 treaty and its later minor

modifications as vestiges of American colonialism and obstacles to any long term stable relationship with the United States Hence at a time when conflicts were mushrooming in Central America the significance of the new Panama treaties cannot be overestimated Former Ambassador to Panama William J Jorden has provided the definitive account of the long and often contentious negotiations that produced those treaties It is a vividly written reconstruction of the complicated process that began in 1964 and ended with ratification of the new pacts in 1978 Based on his personal involvement behind the scenes in the White House 1972 1974 and in the United States Embassy in Panama 1974 1978 Jorden has produced a unique living history Access to documents and the personalities of both governments and equally important Jorden s personal recollections of participants on both sides make this historical study an incomparable document of U S foreign relations Beyond the singular story of the treaties themselves and how diplomats negotiate in the modern world is the rare description of how the United States deals with a major foreign policy problem How does a superpower cope with a tiny nation that happens to occupy a strategically critical position And how does the U S Senate face up to its constitutionally assigned power to advise and consent Once treaties are approved does the House of Representatives help or hinder Panama Odyssey also deals with another crucial element in the shaping of policy public opinion how is it informed or led astray In sum this is a history a handbook on diplomacy a course in government and a revelation of foreign policy in action all based on a fascinating and controversial episode in the U S experience Army RD & A Bulletin ,1999 *Dixie Heretic* Tennant McWilliams,Tennant S. McWilliams,2023-09-22 *Dixie Heretic* is a life and times biography of the minister and social reformer Renwick C Kennedy 1900 1985 an impassioned tortured man who strove ardently to make his white Alabama congregants more Christian by acknowledging their own racism and greed and who not only lived but chronicled carefully many of the forces culminating in the right wing conservative movement today As McWilliams relates Kennedy came from upcountry South Carolina a place rife with Scotch Irish Associate Reformed Presbyterians They lived by biblical infallibility and a strain of individual piety and salvation focused on the hereafter In the early 1920s however his ministerial studies took him to Princeton Theological Seminary There he encountered the Presbyterian Conflict over science fundamentalism and the social gospel and he emerged a radical Christian socialist Like a few other articulate practitioners of Neo orthodoxy young Kennedy stayed true to the literalist Bible and the salvation and piety allegiances of his youth But he embraced not only the Social Gospel s mandate to solve earthly problems of poverty and prejudice but many cardinal tenets of modern science as well To Kennedy this posed no contradiction In 1927 Kennedy moved to Camden Alabama the seat of Wilcox County where he soon married and started a family Meanwhile his ministry for social change dominated his Wilcox pastorates filled with the very people from whom he derived the Scotch Irish Quietly he came to believe that God had a mandate for him to confront and change the behaviors and beliefs of his congregations notably their attitudes about race and poverty And to do this he found he had to attack what he considered traditionalist Christian hypocrisy half Christianity or non social gospel Christianity some of which he came to see

as a form of proto fascism if not fascism itself He soon turned to penning confrontational short stories many published in Christian Century and some in the New Republic and set in his fictitious Yaupon County In some of these stories he overtly revealed his allegiances as a Social Gospel Christian and as an adamant supporter of Franklin Roosevelt s Democratic party He spared no one not even members of his own congregation He also abandoned his pacifism and urged US intervention in World War II he hoped that the defeat of racial fascism abroad might somehow grow white hearts at home Ultimately to help eliminate the anti Christ the mad dog Hitler Kennedy joined the U S Army As a chaplain with the famed 102nd Evacuation Hospital he experienced some of the most horrific chapters of the conflict Saint Lo the Battle of the Bulge and arrived at Dachau a mere week after German soldiers fled The postwar world gave Kennedy periods of optimism and hope He returned from the war believing America might deal with its own racial issues the way it had treated Europe and Japan s His own children grew into educated enlightened and thriving adults And new developments in his professional life brought considerable increases to his family income easing his wife s long financial insecurities Yet these years also offered a great many frustrations Even by 1948 he knew his Social Gospel hopes about racism fascism and white entitlement especially among his fellow Scotch Irish were na ve at best The rise of the Dixiecrat movement a key Dixiecrat leader Alabama State senator J Miller Bonner was a member of his own congregation only deepened his sense of personal defeat Even so the rise of the civil rights movement in the 1950s and 1960s and occasional developments in state and national politics rekindled at least some of his old Neo orthodox hope and drive He played a significant role in desegregating Troy State University for instance but the gratifications of even small victories proved fleeting dashed by the assassinations of Dr King JFK and RFK and the growing numbers of southern white Republicans and Wallaceites In Kennedy s increasing down times he was privately the self professed Christian and a Democrat seeing national Republicans as sinners for their growing embrace of white southern racial conservatives A long term functional alcoholic this privately persistent Neo orthodox Christian never ceased agonizing over the growing half Christianity around him Indeed he died worrying about what it portended for the role of white supremacist proto fascists in modern America aware of having made few inroads on God s mandate and what he considered white Christian wrongs in Alabama While Renwick Kennedy was front loaded for the failure he indeed found still in the values and social norms he pondered and challenged at every stage of his life and today so badly in need of recommitment he stands as a good citizen a non hypocritical Christian and an emblem of hope

Archaeology in Society Marcy Rockman,Joe Flatman,2011-11-17 The practiceof archaeology has many different facets

from academia to government to cultural resource management to public media. Considering the place of archaeology in society means understanding the role that archaeology has in the present day and a sense of the contributions that it can make in each of these areas both now and in the future. Archaeologists come to the field to pursue a variety of interests: teaching, examining history, preserving the environment, or studying a specialized time period or interest. The outside world has a number of other expectations of archaeology: preservation, tourism, and education, to name a few. From a broad and varied background, the editors have compiled a rare group of contributors uniquely qualified to address questions about the current state of archaeology and its relevance in society. There is no single answer to the question of how the field of archaeology should develop and what it can do for society. Instead, the authors in this volume lay out the many ways in which archaeology is relevant to the present day, considering, for example, climate change, energy exploration, warfare, national identity, the importance of stories and how they are told, and how and why opportunities to engage with the past through museums, digs, television, classes, and the print media have the form they currently do. Creating a state-of-the-art tool for archaeologists, policymakers, and the public alike to understand the work of many in the field and address the challenges we all face.

Beyond Horizons Falcon Futura, 2023-12-28. In *Beyond Horizons*, the author invites us to embark on a captivating cosmic journey through the pages of this enchanting book. The text immerses us in the moments of silence between the stars where the cosmos hums with the echoes of creation and humanity contemplates its destiny with awe. The work transports us beyond the limits of our blue planet and plunges us into the vast tapestry of the universe. From the Genesis of Ambition to the Echoes of Legacy, each section of the book weaves a compelling narrative that celebrates audacity, curiosity, and the relentless pursuit of the unknown that defines our odyssey as a species. The author paints an inspiring future where national borders fade into the limitless expanse of space, transforming Earth's inhabitants into cosmic citizens, uniting humanity in a shared quest for knowledge, collaboration, and a deeper understanding of our place in the cosmic tapestry. The narrative reaches new heights by unveiling a vision where the quest for the stars gives rise to technological marvels. As readers embark on this odyssey, they carry with them the echoes of those who dreamed before. The stories of pioneers and visionaries are woven into the fabric of our collective history, guiding us with wisdom as we forge a legacy that extends beyond ourselves. *Beyond Horizons* calls us to explore the limitless possibilities that await beyond horizons, beyond imagination, and beyond the stars. Join this literary odyssey where the mysteries of the universe unfold and the spirit of exploration becomes a guiding beacon for humanity toward a future filled with wonder and discovery. **All Hands**, 1982
