Zen NYRB April 1966 While modern enough in locale and context they are as old as humanity itself in what concerns them And always that voice the age old voice of the storyteller the eternal magic of the speaking human voice Such simplicity takes true artistry and Maxwell has that in spades [A Companion to the American Novel](#) Alfred Bendixen,2014-11-17 Featuring 37 essays by distinguished literary scholars A Companion to the American Novel provides a comprehensive single volume treatment of the development of the novel in the United States from the late 18th century to the present day Represents the most comprehensive single volume introduction to this popular literary form currently available Features 37 contributions from a wide range of distinguished literary scholars Includes essays on topics and genres historical overviews and key individual works including The Scarlet Letter Moby Dick The Great Gatsby Beloved and many more **Interactive**
